An application for a new club premises certificate and the grant of a new premises licence had been made under the Licensing Act 2003 in respect of Hook Norton Sports & Social Club, The Playing Fields, The Bourne, Hook Norton, Banbury.

The Chairman explained the procedure to those present and confirmed everyone had received the relevant agenda and procedural notes.

The Licensing Team Leader introduced the report.

Collette Warner presented the applicants case, as it was evident the applicants were willing to discuss a compromise on the club premises certificate and premises licence the committee was adjourned.

Following negotiations between the applicant, interested parties and responsible authorities Chaired by the Licensing Team of the Council, the Licensing and Vehicles

Parks Manager presented the new terms of the club premises certificate and premises license as follows:

DECISION

The Chairman confirmed the applicant, interested parties and responsible authorities all agreed with the new terms. The Committee agreed the granting of the club premises certificate and new premises license.
