

Cherwell District Council
Safer Communities and Community Development
Anti-social Behaviour Units Licensing Consultation Response.

Licensing Act 2003: Application for Variation

Premises: 47D Broad Street Street, Banbury, OXON. OX16 5BT

History:

I can confirm that I have examined the records held within the Safer Community and Community Development and can report that there are no records to suggest that there have been any incidents of public nuisance associated with these premises.

Recommendation:

Although there have been no incidents of public nuisance associated with these premises, Safer Communities and Community Development would object to the granting of a premises licence for the hours stated as the effect of permitting these activities would be to draw custom from the town centre to purchase hot food and whilst waiting for and eating the purchases, these individuals are likely to cause annoyance to the residents of nearby dwellings. Remaining open until 03:00 am could also attract vehicle traffic to the area.

Safer Communities and Community Development would however consider midnight on any day as being the latest suitable hour of opening for this premises.

Julie Wileman
Night Safe Officer.
