Dear Sirs

I am writing to register my objection to the proposed extended opening hours of the premises known as Kebabish.

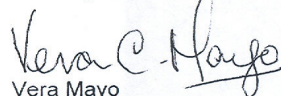

As Amos Court is virtually opposite these premises the increased noise of people coming and going into the early hours of the morning would be very disruptive to the elderly residents and myself.

We are at the moment enjoying a very welcome time of peace when we know that at midnight we can have a decent few hours sleep with our windows opened and not have to lie awake listening to car doors slamming and people shouting into the small hours.

May I also state that had it not been for one of my residents we would never have known about the proposed increase in hours as the sheet of blue A4 paper in the window is virtually unreadable as the writing is so faint and also at a height suited to a person in excess of 6 foot tall!

May I also ask the reason for a **further** illuminated sign outside, (which has been recently added), as the illuminated sign already in situ and covering the whole of the double fronted shop, is approximately 10 Foot by 2.5 foot and can be seen from a very long way?

Kind regards

Vera Mayo
