STATEMENT OF WITNESS

Statement of: Rebecca Stark
Date of Birth: 4th June 1979
Occupation: Bar Staff

I have worked at G's Wine Bar, Bicester, for approximately 4 years. I mainly serve behind the behind the bar at weekends.

I am employed by Mr George Smith and during my employment George has provided me with training, both verbally and in writing, on age restricted goods, particularly with regard to the sale of alcohol. I have received a copy of the bar's policies and procedures and I am aware that I could receive a fine for selling alcohol to anyone under the age limit. The bar has a Challenge 25 policy in place. I am also trained on how to deal with customers that have had enough to drink or appear drunk. I have been trained to refuse to sell to anyone in that condition and to call the door staff to ask the person to leave. With regard to underage sales, if I have any doubt or concern, I will ask to see photographic ID, such as a driving licence or passport. However, this rarely happens, as the door staff are very good at checking peoples ages before they are allowed to enter the bar.

I work at the bar at the busiest times, and in my experience, the bar is very well run and little trouble occurs within the bar. The main issue for any problems is when people are turned at away at the door by the door staff. This sometimes results in people kicking off at the door staff and police having to be called to deal with the situation. I am also aware that other incidents arise when people are waiting for taxis or buying food in the town centre, and some one tries to jump the queue.

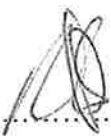

Signed.....

Ms R Stark

Date.....31/8/12.....

During my employment at G's Wine Bar, I have not experienced many problems within the bar. Most people are well behaved and it is a good environment to work in.

Since the beginning of this year, I have been attending the Pubwatch meetings on Mr Smith's behalf. I attended a few of the other Pubwatch meetings in 2011, but cannot now be certain of the dates. At the Pubwatch meetings, I take notes of anyone new that has been barred by other pubs in the area and those people that have asked for their ban to be lifted. Mr Smith fills in the red forms with details of anyone that he has barred from G's and this is discussed at the meetings. Mr Smith recently banned a young girl from the bar that tried to enter with fake ID. I will continue representing the bar at the Pubwatch meetings for as long as I am needed.

Signed 
Ms Rebecca Stark
