The Executive Director for Finance and Governance submitted a report which provided an update on the business rates position as at the end of Quarter 3 of the 2017-2018 financial year.

In considering the report, members queried the uptake of business rate relief and the support given to local businesses.

The Financial Analyst explained that there were three specific schemes available but not all of the available relief had been used. Every effort had been given to ensuring businesses were aware of the relief available and encouragement given to take advantage of the schemes.

Resolved

16 **Review of Procurement Strategy Progress**

The Executive Director of Governance and Finance submitted a report which summarised the Council's Procurement Strategy progress for Q3 of the financial year 2017-18.

In considering the report members commented that the information presented was limited and questioned if it was still useful to the Committee.

The Chief Executive advised the Committee that procurement was part of the core strategy to ensure public value was always delivered and suggested that the information covered by this report could be delivered in a different way. Going forward there would continue to be a high value procurement team which would be integrated into the finance team. There was therefore an option to report procurement through the budget monitoring report.

Resolved

In response to member's comments, the Chief Executive advised that these matters would be investigated and an update sent to Members of the Committee and to relevant Ward Members outside of the meeting.
