

Public Document Pack

Cherwell District Council

Executive

Minutes of a meeting of the Executive held as a virtual meeting, on 7 December 2020 at 6.30 pm

Present:

Councillor Barry Wood (Chairman), Leader of the Council
Councillor George Reynolds (Vice-Chairman), Deputy Leader of the Council
Councillor Colin Clarke, Lead Member for Planning
Councillor Ian Corkin, Lead Member for Customers and Transformation
Councillor John Donaldson, Lead Member for Housing
Councillor Tony Ilott, Lead Member for Financial Management and Governance
Councillor Andrew McHugh, Lead Member for Health and Wellbeing
Councillor Richard Mould, Lead Member for Performance
Councillor Lynn Pratt, Lead Member for Economy, Regeneration and Property
Councillor Dan Sames, Lead Member for Clean and Green

Also Present:

Councillor Sean Woodcock, Leader of the Labour Group

Officers:

Yvonne Rees, Chief Executive
Stephen Chandler, Corporate Director Adults & Housing Services
Steve Jorden, Corporate Director Commercial Development, Assets & Investment & (Interim) Monitoring Officer
Jason Russell, Director Community Operations
Claire Taylor, Corporate Director Customers and Organisational Development
Jane Portman, Corporate Director (Interim)
Lorna Baxter, Director of Finance & Section 151 Officer
Ed Potter, Assistant Director: Environmental Services
Belinda Green, Operations Director - CSN Resources
Sukdave Ghuman, Head of Legal Services
Louise Tustian, Head of Insight and Corporate Programmes
Celia Prado-Teeling, Performance Team Leader
Samantha Taylor, Principal Planning Officer
Natasha Clark, Governance and Elections Manager

Declarations of Interest

There were no declarations of interest.

70 **Petitions and Requests to Address the Meeting**

There were no petitions or requests to address the meeting.

71 **Minutes**

The minutes of the meeting held on 2 November 2020 were agreed as a correct record and signed by the Chairman.

72 **Chairman's Announcements**

There were no Chairman's announcements.

73 **Monthly Performance, Risk and Finance Monitoring Report**

The Director of Finance, and Head of Insight and Corporate Programmes submitted a report which summarised the Council's Performance, Risk and Finance monitoring position as at the end of October 2020.

Resolved

- (1) That the monthly performance, finance and risk monitoring report be noted.

Reasons

The Council is committed to performance, risk and budget management and reviews progress against its corporate priorities on a monthly basis.

Alternative options

Option 1: This report illustrates the Council's performance against the 2020-2021 business plan. As this is a monitoring report, no further options have been considered. However, members may wish to request that officers provide additional information.

74 **Council Tax Reduction Scheme 2021-2022**

The Executive Director Finance submitted a report to provide Members with a review of Council Tax discounts and to seek approval to recommend to Council the proposed levels of Council Tax discounts for the financial year 2021-2022.

The report also provided an update on the Council Tax Reduction Scheme for 2020-2021 and sought approval to recommend to Council a Council Tax Reduction Scheme for the financial year 2021-2022.

Resolved

- (1) That the contents of the report and any financial implications for the Council be noted.
- (2) That Full Council be recommended to agree the option of a no-change Council Tax Reduction income banded scheme for working age customers for 2021-2022, to amend the Working Age Regulations in line with annual uprating and to amend the Council Tax Regulations for pensioners in line with uprating announced by Minister for Housing Communities and Local Government (MHCLG).
- (3) That, having given due consideration, Full Council be recommended to agree the following levels of Tax discounts and premiums for 2021-2022:
 - Retain the discount for second homes at zero.
 - Retain the discount for empty homes (unoccupied and substantially unfurnished) at 25% for 6 months and thereafter at zero.
 - Retain the discount for empty homes undergoing major repair at 25% for 12 months and thereafter at zero.
 - Retain the empty homes premium of an additional 100% for properties that have remained empty for more than 2 years.

Reasons

From April 2013 Council Tax Benefit was abolished and replaced with a local Council Tax Reduction Scheme. The Council is required to agree a scheme each year.

Alternative options

Option 1: To not recommend any of the options for a scheme for 2021-2022. This would have financial implications for the Council and those residents affected by Welfare Reform.

Civil Parking Enforcement

The Assistant Director Environmental Services submitted a report to support a proposed application to the Department for Transport (DfT) for the introduction of a Special Enforcement Area (SEA) and bus lane enforcement powers across this district, South Oxfordshire and Vale of White Horse to provide Civil Parking Enforcement (CPE) managed by Oxfordshire County Council.

In response to a comment regarding the need to ensure local Ward Members were consulted as part of the process, the Leader Member for Clean and Green, Councillor Sames, confirmed that this had already been requested.

Resolved

- (1) That the application to the Department for Transport (DfT) for civil parking enforcement be supported.
- (2) That the approval by the Oxfordshire County Council Cabinet to go forward with an application be noted.

Reasons

The plan for an application to be made for the introduction of CPE has been done with our partners Vale of White Horse, South Oxfordshire & the County Council. Agreement with officers at all four councils have been made to proceed to our respective Executive/Cabinet to approve an application being made to DfT. The County Council have approved the approach with our other partners due to consider this matter on 3 & 4 December respectively.

If an application is successful CPE could be implemented from late 2021.

The new arrangements offer several benefits for this Council. More resources, up to 3 FTEs will be engaged in on street parking enforcement this is an increase from the current 1 FTE provided by PCSOs. Increase enforcement will address many of the issues related to car & other vehicles parking in prohibited locations in the three urban centres and should lead to a greater churn in those spaces which are time limited.

Alternative options

Option 1: To support the application to the DfT

Option 2: To reject the application to the DfT & continue with the current arrangements

(Councillor Reynolds requested that his vote against the recommendations be recorded in the Minutes)

(Draft) Strategic Vision for Oxfordshire

The Assistant Director – Growth and Economy submitted a report which introduced a first draft of a Strategic Vision for Oxfordshire. It explained the purpose of this unique approach, the scope and content of the Vision and the timeline for the current engagement and finalising the Vision which the Oxfordshire Growth Board is undertaking.

The Assistant Director – Growth and Economy advised Executive of the comments of the Overview and Scrutiny Committee, who had considered the report at their 1 December 2020 meeting. The Committee had supported the overall approach and vision and made the following comments: the vision statement should be more succinct and accessible; an action plan and

milestones would need to be drafted in order to monitor progress of the vision; for regular reviews/refresh of the vision due to the long timescale; and, to ensure the vision is embedded in future relevant future plans and strategies.

Resolved

- (1) That, having given due consideration, the (Draft) Strategic Vision for Oxfordshire be supported and endorsed.
- (2) That the views expressed at Overview and Scrutiny Committee be noted.
- (3) That responsibility be delegated to the Assistant Director – Growth and Economy to develop a response to the Strategic Vision engagement exercise, in consultation with the Leader, reflecting the views expressed at the Executive and Overview and Scrutiny Committee meetings

Reasons

The development of a Strategic Vision for Oxfordshire, which encompasses the shared ambitions of local councils and key organisations, provides a unique opportunity to bring together a clear and unambiguous statement about what it is we want to achieve in Oxfordshire. This bold and striving approach is being developed as part of a wider engagement process with Growth Board partners, councillors and residents. The recommendation is for the Executive to provide feedback on the draft Strategic Vision, and delegate responsibility to agree the final wording of a response to Assistant Director for Growth and Economy in consultation with the Leader before 3 January 2021.

Alternative options

Option 1: Do nothing

This was rejected as the Draft Strategic Vision is a unique opportunity to respond to the emerging strategic direction of the District and the Council is actively engaged in the Strategic Vision preparation. By not responding to the offer to comment on the Draft Strategic Vision, it could limit the impact of the partnership approach.

Infrastructure Funding Statement 2019/20

The Assistant Director Planning and Development submitted a report to seek approval of the Council's first Infrastructure Funding Statement 2019/20 for publication and for an accompanying data submission to the Ministry for Housing, Communities and Local Government.

On behalf of Executive, the Chairman thanked the Principal Planning Officer for her hard work in putting together all of the information. The Chairman commented that it was good discipline to have to complete and submit such a Statement and explained that this would now need to be completed annually.

In response to Members' questions, the Lead member for Planning, Councillor Clarke, explained that the requirement to produce an Infrastructure Funding Statement applied to planning authorities, so district and county councils rather than town and parish councils. The Lead Member for Planning confirmed that the Infrastructure Funding Statement would be published on the council's website and parishes notified. It was however important to note that the Statement was a snapshot and the figures moved on a frequent basis.

Resolved

- (1) That the Infrastructure Funding Statement 2019/20 (annex to the Minutes as set out in the Minute Book) be approved for publication by 31 December 2020, subject to any final changes considered to be necessary by the Assistant Director – Planning and Development in consultation with the Lead Member for Planning.
- (2) That the Assistant Director – Planning and Development be authorised to publish and submit the associated Infrastructure Funding Statement data as required by the Ministry for Housing, Communities and Local Government.

Reasons

The publication of an Infrastructure Funding Statement (IFS) is a new statutory requirement that will increase the transparency and accessibility of information about s.106 developer contributions required for the grant of planning permission. The proposed IFS encapsulates the data that officers propose to publish and submit for 2019/20 to MHCLG to meet that requirement. The information is considered to be the most robust available at this time. Officers will prepare a statement annually and continue to develop monitoring systems on an on-going basis.

Alternative options

Option 1: Not to bring forward an Infrastructure Funding Statement
This is not a lawful option as it would mean that the Council would be in breach of its statutory duty

Option 2: Seek review of the key statistics and proposed Infrastructure Funding Statement.
Officers consider that this is not required as the information is the most robust available at this time.

Corporate Director Place and Growth, Paul Feehily

The Chairman reported that this was the Corporate Director Place and Growth, Monitoring Officer, Paul Feehily's last Executive meeting as he

would be leaving Cherwell District Council and Oxfordshire County Council after working for the CDC for extended periods over the past three years.

On behalf of Members, the Chairman thanked the Corporate Director Place and Growth for his service to the council and wished him all the best for the future.

79 **Urgent Business**

There were no items of urgent business.

The meeting ended at 7.25pm

Chairman:

DRAFT

1. Introduction

- 1.1 This is an Infrastructure Funding Statement (IFS) published in December 2020 supported by a data return to Government. It outlines the 'Section 106' (s106) developer contributions the council has secured during 2019/20 or for which there has been a transaction over the same reporting year. In addition, it provides a summary of the s106 contributions the council has received, and which remain unspent. Section 106 agreements secure contributions towards or the delivery of infrastructure required to mitigate the impacts of development, thereby helping to make it acceptable.
- 1.2 This is the council's first IFS; a new requirement resulting from changes to the Community Infrastructure Levy (Amendment) (England) (No. 2) Regulations 2019. The council is now required to publish an IFS by the end of each calendar year. The government's objective is to improve transparency and accountability on developer contributions. The Council does not have a separate Community Infrastructure Levy and therefore there is no report on CIL in the statement.
- 1.3 This report provides a summary of the contributions the council has secured for on- and off-site infrastructure and affordable housing. The reporting period is the financial year 1 April 2019 to 31 March 2020.
- 1.4 Contributions received by Oxfordshire County Council for county infrastructure such as highways and education are not included as they are received by that council.
- 1.5 This Statement provides:
 1. An overview of s106 agreements
 2. Key statistics from the reporting period
 3. Guidance on understanding the IFS Data
 4. A presentation of the IFS data
- 1.6 The information included in this report will be updated annually and published on the council's website. It will help improve the accessibility of information. The council will continue to publish completed s.106 agreements on its planning register available at: <https://planningregister.cherwell.gov.uk/>.
- 1.7 Data on developer contributions include estimates at a given point in time and can be subject to change. Data reported within this document, is the most robust available at the time of publication.

2. An Overview of s106 Agreements

- 2.1 Under s.106 of the Town and Country Planning Act 1990, a Local Planning Authority can seek obligations for both on- and off-site physical infrastructure and/or contributions when it is considered that a development needs to be supported by that infrastructure to make it acceptable and where those needs that cannot be addressed through planning conditions when planning permission is granted.
- 2.2 Planning obligations help ensure that the additional pressure on resources that new development creates are overcome, to allow the development to make a positive contribution to the local area.

- 2.3 Regulations state that a planning obligation may only constitute a reason for granting planning permission for the development if the obligation is:
- Necessary to make the development acceptable in planning terms;
 - Directly related to the development;
 - Fairly and reasonably related in scale and kind to the development
- 2.4 'In Kind' obligations are provided where the developer builds or provides directly the infrastructure necessary to fulfil the obligation. For example, a development may be required to provide a specific number of affordable homes on site.
- 2.5 Financial obligations are payments to the to provide off-site infrastructure works or alternate facilities elsewhere within the District, usually near the site.
- 2.6 In some cases, the obligation secured can be a combination of both on-site provision and financial contributions, such as the delivery of a community hall and the provision of an on-going maintenance sum.
- 2.7 The council's approach to securing contributions is set out in the Cherwell Local Plan 2011-2031 and a Development Contributions Supplementary Planning Document (SPD) available on-line at <https://www.cherwell.gov.uk/info/33/planning-policy>. The Local Plan is supported by an Infrastructure Delivery Plan and its delivery is monitored by way of an Annual Monitoring Report (<https://www.cherwell.gov.uk/monitoring>).

3. Key Statistics from the reporting period

Developer Agreements

- 3.1 Appendix 5 to this Summary Report shows that between 1 April 2019 and 31 March 2020, the Council had entered into thirteen new s.106 agreements. The majority relate to sites in the Banbury area.

Developer Agreement Contributions

- 3.2 Appendix 6 to this Summary Report provides a breakdown of the individual contributions arising from the thirteen s106 agreements (i.e. for those agreements entered into between 1 April 2019 and 31 March 2020). It is not possible to fully quantify the total contribution values as some are reliant upon further planning consideration. For example, some contributions are secured based on an individual unit such as a square metre of open space or per individual tree. The total contribution is not fixed until open space or landscaping schemes are approved; such as through the approved of reserved matters.
- 3.3 For this reason, the data below is not fully reflective of the true value of secured contributions. A minimum is provided based on the best information available. The thirteen agreements have secured the following:
- Total contributions to be made to the Council, secured through agreements during the reporting year, of £2,357,487
 - Total contributions received during the reporting year of £1,501,011
 - Total contributions spent during the reporting year of £420,990

- District monitoring fees of £11,881
- A minimum £178,330 towards the provision of or on-going maintenance of community facilities within the district, along with other contributions towards the provision or maintenance of community facilities.
- Contributions towards flood and water management, such as balancing ponds, swales and ditches and their on-going maintenance
- Contributions towards green infrastructure, such as the provision of biodiversity off-setting or an ecological zone within a development
- Contributions towards healthcare provision or improvement (i.e for Oxfordshire Clinical Commissioning Group)
- A minimum £1,625,273 towards open space and leisure provision, such as outdoor or indoor sports provision, public open and amenity space management, the provision of play spaces and their management
- Other contributions towards public art and policing
- 560 affordable homes were secured in agreements
- £50,000 was secured towards the provision of off-site affordable housing.

Developer Agreement Transactions

3.4 Appendix 7 provides the raw data on s.106 transactions over the course of 2019/20. The information is presented in a form that meets the Government's data monitoring requirements and is presented to demonstrate what is being submitted. However, it does not facilitate a readily accessible understanding of the project involved which will need further consideration for future statements. Nevertheless, the key statistics and summaries of the funds received and spent are provided below:

- the council received £1,501,011.43 from developer contributions
- the council spent £420,989.52 from developer contributions

3.5 Table 1 provides a breakdown of the s.106 monies received:

Table 1

Infrastructure Type	s106 Monies Received (Apr 19 – Mar 20)
Affordable Housing	£59,993.43
Community Facilities	£207,945.17
Open Space and Leisure	£1,126,742.65
Green Infrastructure	£23,796.06
Monitoring Fee	£12,897.14
Other - Refuse	£21,951.32
Other – Thames Valley Police	£27,703.61
Other – CCTV	£11,267.01
Other – Cemetery	£8715.04
Total	£1,501,011.43

3.6 Table 2 provides a breakdown of the s.106 monies spent:

Table 2

Infrastructure Type	s106 Monies Spent (Apr 19-Mar 20)
Community Facilities	£29,348.60
Open Space and Leisure	£360,529.33
Other – Bicester Community Events	£23,886.60
Other – Public Art	£7,224.99
Total	£420,989.52

4. Guidance on understanding the IFS Data

- 4.1 Planning authorities must publish their IFS, recording three data sets: developer agreements, developer contributions and developer agreement transactions. The requirements for each data set are prescribed by government guidance and shown in Tables 3 to 5 below.

Table 3: Developer Agreements

Heading	Information Requirement
Development Agreement	A unique identifier for the agreement.
Start Date	The date the agreement was 'signed and sealed'.
End Date	This is left blank if this version of the section 106 agreement has not been superseded by a new one. If it has, enter the last day this version was in effect, in the same format as the entry-date column.
Planning Application	The planning application reference number
Location	The application location as detailed on the planning application
Description of Development	As detailed on the decision notice.

Table 4: Developer Agreement Contributions

Heading	Information Requirement
Development Agreement Contribution	A unique identifier for the contribution.
Development Agreement	The unique identifier you've created for the agreement, as provided on the Developer Agreements data
Contribution Category	The ID for the intended purpose of the developer contribution. This list of categories is provided by MHCLG
Contribution Detail	The details of the contribution
Amount	The secured contribution amount, in pounds and pence but without a currency symbol or commas (for example 100000.00)
Units	The units of the contribution, or the number of infrastructure pieces to be provided, if a non-financial contribution is secured

Table 5: Developer Agreement Transactions

Heading	Information Required
developer-agreement-transaction	A unique identifier for the transaction.
developer-agreement-contribution	Enter the unique identifier you created for the contribution.

Heading	Information Required
contribution-funding-status	<p>One of the following is input to indicate what stage the funding for the contribution is currently in:</p> <p>‘secured’: the trigger clauses associated with the contribution have been met, meaning the developer is now required to pay all or part of the contribution.</p> <p>‘received’, the developer has paid all or part of the money due to the local planning authority,</p> <p>‘allocated’: the received money has been allocated to a team within the local planning authority, who will spend the money,</p> <p>‘transferred’: the received money has been transferred to an organisation outside the planning authority (for example another local authority or Transport for London), who will spend the money,</p> <p>‘spent’: the received money has been spent on the purpose specified in the section 106 or 278 agreement,</p> <p>‘returned’: the received money (or a portion of it) has been returned to the developer. If more than one status applies (for example if some money was spent and some returned), please create a separate row for each status. Fill in each row with all other fields.</p>
amount	The amount of money for each funding status.
unit	The units of the contribution, or the number of infrastructure pieces provided, if a non-financial contribution is secured
entry-date	Enter the date that you record this data (for example today’s date), in the format YYYY-MM-DD. For 1 February 2019, for example, you should enter 2019-02-01.
start-date	For section 106 planning obligations, enter the date the agreement was ‘signed and sealed’.
end-date	Leave this blank if this version of the section 106 agreement or CIL demand notice has not been superseded by a new one. If it has, enter the last day this version was in effect, in the same format as the entry-date column.

5. Providing the Data

- 5.1 This statement comprises the information required to fulfil the requirements of Schedule 2 of the Regulations and a supporting data set outlining for 2019/20 the developer agreements, developer contributions and developer agreement transactions. The supporting data is published separately as required by Government.
- 5.2 The prescribed monitoring requirements for the ‘Section 106 Report’ are set out below in Table 6 with the council’s return based on the best information available.

Table 6: Prescribed Requirements and Data

	Information Required	CDC Data
(a)	The total amount of money to be provided under any planning obligations which were entered into during the report year	£2,357,486.68 This data is provided within Appendix 6 Developer Contributions.
(b)	The total amount of money under any planning obligations which was received during the report year	£1,501,011.43 This data is provided within Appendix 7 Developer Transactions, where the contribution funding status is 'received'
(c)	The total amount of money under any planning obligations which was received before the report year which has not been allocated by the authority	£206,894.71 This data is provided within Appendix 1 Received Unallocated S106 Contributions
(d)	Summary details of any non-monetary contributions to be provided under planning obligations which were entered into during the report year including details of -	This data is provided within Appendix 6 Developer Contributions
	(i) in relation to affordable housing, the total number of units which will be provided	560 affordable homes were secured in agreements in the reported year
	(ii) in relation to educational facilities, the number of school places for pupils which will be provided, and the category of school at which they will be provided	To be provided by Oxfordshire County Council
(e)	The total amount of money (received under any planning obligations) which was allocated but not spent during the report year for funding infrastructure	£8,751,983.33 This data is provided within Appendix 2 Received Allocated S106 Contributions.
(f)	The total amount of money (received under any planning obligations) which was spent by the authority (including transferring it to another person to spend)	£420,989.52 This data is provided within Appendix 7 Developer Transactions, where the contribution funding status is either 'spent' or 'transferred'
(g)	In relation to money (received under planning obligations) which was allocated by the authority but not spent during the report year, summary details of the items of infrastructure on which the money has been allocated and the amount of money allocated to each item	This data is provided at Appendix 2 Received Allocated Contributions.
(h)	In relation to money (received under planning obligations) which was spent by the authority during the report year (including transferring it to another person to spend) summary details of -	This data is provided at Appendix 3 Infrastructure Delivery from S106 Contributions 19/20
	(i) The items of infrastructure on which that money (received under planning obligations) was spent and the amount spent on each item	This data is provided at Appendix 3 Infrastructure Delivery from S106 Contributions 19/20
	(ii) the amount of money (received under planning obligations) spent on repaying money borrowed, including any interest, with details of the items of infrastructure which that money was used to provide (wholly or in part)	£0. The Authority did not borrow money for infrastructure delivery in the reported year 19/20.
	(iii) the amount of money (received under planning obligations) spent in respect of monitoring (including reporting under regulation 121A) in relation to the deliver of planning obligations	The Authority did not spend any monitoring money received in the reported year 19/20.

(i)	The total amount of money (received under any planning obligations) during any year which was retained at the end of the reported year, and where any of the retained money has been allocated for the purposes of longer term maintenance (“commuted sums”) also identify separately the total amount of commuted sums held	£2,880,875.79 This data is provided within Appendix 4 Received Commuted Sums from S106 Agreements
-----	--	--

- 5.4 The report indicates that £206,894.71 s.106 monies have not yet been spent or allocated. This does not present the most up to date position as 1) it does not take into account allocations and transactions undertaken since 31 March 2020; 2) does not take into account all payments owing to services/infrastructure providers for the forward funding of infrastructure delivery and/or maintenance; and 3) in some cases the council’s records may need updating.
- 5.5 The data on developer agreements and contributions has been reproduced at Appendices 5 and 6 with information about the site location, development description and contribution detail. Appendix 7 reproduces the transaction data for ease of reference.

DRAFT

Appendix 1: Received Unallocated S106 Contributions

This provides a list of all S106 contributions that the district has received, not yet recorded as being spent, and which remain unallocated currently. Each contribution was secured for a specific purpose and will be spent in accordance with the terms of the s106 agreement when the intended infrastructure can be delivered.

Location	Financial Contribution Received
Milton Road, Bloxham	£30,633.66
Milton Road, Bloxham	£17,579.55
Heyford Park	£164.49
General S106 Funds	£116,055.42
Kingsmere, Bicester	£1,013.85
Kidlington	£41,346.63
Oxford Road, Deddington	£101.11

DRAFT

Appendix 2: Received Allocated S106 Contributions

This provides a list of the all the s106 contributions that Cherwell District Council has received, not yet recorded as being spent, but which are allocated for specific infrastructure delivery as detailed in the table.

Location	Area of Allocation	Project Description	Financial Contribution Received to date
Kingsmere, Bicester	Affordable Housing	Affordable Housing Provision, Local Centre	£60,292.58
Longfield, Duns Tew	Affordable Housing	Off Site Affordable Housing Provision	£289,245.65
Hanwell Fields, Banbury	Community Facilities	Community Centre Equipment	£58.86
De Boer Site, Merton Street, Banbury	Community Facilities	Community and Youth Facility	£48,699.83
Crouch Farm, Bloxham Road, Banbury	Community Facilities	Community Facility and Open Space	£50,150.82
Milton Road, Adderbury	Community Facilities	Community Hall	£436,889.88
Banbury Rise adjacent to Edinburgh Way	Community Facilities	Community Hall, Sunshine Centre	£199,787.23
Milton Road, Adderbury	Community Facilities	Community Pavilion	£3,448.27
Land at Cotefield Farm, Bodicote	Community Facilities	Community Hall	£24,977.45
Warwick Road, Banbury	Community Facilities	Community Hall	£31,916.81
Church Leys Field, Ambrosden	Community Facilities	Community Hall	£20,661.98
Longford Park	Community Facilities	Community Hall	£175.10
Oxford Road, Deddington	Community Facilities	Community Hall	£25,821.44
Oxford Road, Bodicote	Community Facilities	Community Development	£3,056.96
Oxford Road, Bodicote	Community Facilities	Community Hall	£4,039.98

Location	Area of Allocation	Project Description	Financial Contribution Received to date
Crouch Farm, Bloxham Road, Banbury	Monitoring Fee	District Monitoring Fee	£2,602.29
Land North of Oak View, Weston on the Green	Monitoring Fee	District Monitoring Fee	£1,006.19
Southam Road	Monitoring Fee	District Monitoring Fee	£601.32
Land East of Banbury Mosque	Open Space and Leisure	Outdoor Sports Provision	£871.81
Pillarcaisse, Banbury	Open Space and Leisure	Cycle Rack Provision	£4,846.62
Price Close	Open Space and Leisure	Outdoor Play and Sports Provision	£24,998.11
Wabag, Adderbury	Open Space and Leisure	Sports Facility	£137.06
Jubilee Garage, Bicester	Open Space and Leisure	Outdoor Play and Sports Provision	£70,594.92
Beauchamps Squash Club, Bloxham	Open Space and Leisure	Outdoor Sports Provision	£2,508.02
