#### 48 **Declarations of Interest**

There were no declarations of interest.

#### 49 **Minutes**

The minutes of the meeting of the Committee held on 19 January 2021 were confirmed as a correct record, to be signed by the Chairman in due course.

#### 50 **Chairman's Announcements**

The Chairman made one announcement:

Following feedback being submitted to the Chairman regarding the budget setting process as a whole, the Director of Finance and Assistant Director of Finance had been requested to review the role of the Budget Planning Committee, with a view to identifying any areas of improvement to ensure that the Committee add value to the process and are fully engaged.

The Director of Finance confirmed that a lessons learnt item would be added to the work programme for the 2021/22 Municipal Year.

51 **Urgent Business**

There were no items of urgent business.

52 **Monthly Finance Monitoring Report - Quarter 3 2020/21**

The Committee considered a report from the Director of Finance that summarised the Council's forecast revenue and capital outturn position for 2020/21 as at December 2020.

The report detailed a forecast overspend of £0.4 million. This was anticipated as a result of an increase in net costs relating to Covid amounting to £3.7 million, and an underspend in business as usual costs amounting to £3.3 million.

In response to questions from the Chairman regarding the percentage of business rates collected, the Assistant Director of Finance clarified that the Council would not face any form of penalty for not collecting the business rates in the correct year, and confirmed that measures to collect all business rates owed continued in to the new financial year.

With regard to the Discretionary Grants scheme available to businesses affected by Covid, the Assistant Director of Finance explained that the Government had made an amount of money available and the Council had developed relevant policies regarding the criteria for qualifying for a grant. Businesses that met the criteria could apply for the grant, and once the Government money had run out the grants would end. The Assistant Director of Finance confirmed that it was possible to have money left over from the scheme, if some businesses decided not to apply for a grant.

In response to questions regarding capital bids 40006, Community Centre refurbishments, and 40007, Solar photovoltaics at sports centres, the Assistant Director of Finance confirmed that he had spoken to both budget holders and updated information on the bids would be included in the next performance report.

**Resolved**

- (1) That the report be noted.

53 **New Homes Bonus Consultation 2021**

The Committee considered a report from the Director of Finance that gave an overview of a Government consultation on the future of New Homes Bonus,

and outlined the areas that the Council's response to the consultation would cover.

The Director of Finance explained that New Homes Bonus (NHB) had been a stable and reliable source in income for the Council in previous years, with payments being made over a four year period. In two tier areas such as Oxfordshire the NHB was split between County and District Councils, with Districts receiving 80%.

The government had indicated that so called legacy payments would not form part of the revised NHB scheme, which could impact on the stability of local government finance.

In response to questions from the Committee the Director of Finance explained that a general reference regarding the need for sufficient funding for local government was included every time a consultation response was submitted to Government, and similar comments would be included in this response.

With regard to whether modern methods of construction should be considered when awarding grant allocations, the Committee agreed that outcomes should be prioritised over process, such as new homes being built to as high an ecological or 'green' standard as possible.

## **Resolved**

- (1) That the Government's consultation on the New Homes Bonus be noted.
- (2) That, subject to the inclusion of points regarding:
  - i. the long-term funding strategy for Local Government; and
  - ii. a request for outcomes to be prioritised over process;

the following principles be endorsed to form the basis of the Council's response to the consultation;

- New Homes Bonus is made as stable and certain as possible potentially by paying grant based on an average of the previous three years growth
- New Homes Bonus is paid in a way so that it offers a material incentive and can have a material impact on the services councils can provide – and so maintain the 80:20 split between Districts and Counties
- In order to make the grant provide a realistic incentive to all, support the hybrid option of low growth areas receiving grant based exceeding the lower of the two thresholds of exceeding historic growth and exceeding the current absolute threshold of 0.4% growth before grant is awarded.
- Reward councils with higher payments where a local plan is in place and housing growth is approved in line with the strategic plan for the area

- Continuing to reward councils that are able to bring long-term empty properties back into use
- Continuing to pay a premium for affordable homes that have been developed

54 **Review of Committee Work Plan**

The Assistant Director – Finance provided a verbal update regarding the Committee work plan for the first meeting of the 2021/2022 Municipal Year.

It was anticipated that the following items would be considered at the next meeting of the Committee on 8 June 2021:

- Performance, Finance and Risk Monitoring for Quarter Four
- Review of the 21/22 Budget Process and improvements

**Resolved**

(1) That the verbal update be noted.

### **Budget Planning Committee**

**13 July 2021**

### **Council Tax Reduction Scheme 2022/23**

### **Report of Director of Finance**

This report is public

#### **Purpose of report**

To enable members to consider the current banded scheme for Council Tax Reduction.

#### **1.0 Recommendations**

The meeting is recommended:

- 1.1 To note the contents of the report, and any financial implications for the Council.
- 1.2 To recommend to Executive that the current scheme is retained, and that no consultation takes place.

#### **2.0 Introduction**

- 2.1 The Council Tax Reduction caseload has been monitored and there has been an increase in the number of live cases from 6,457 in June 2019 to 6,573 in June 2020 and 6,743 in June 2021. This increase in caseload is due to the impact from the Covid-19 crisis which saw a sharp increase in the number of new applications during the first lockdown. The caseload has continued to rise due to the impact of the pandemic on employment and subsequent lockdowns.

#### **3.0 Report Details**

- 3.1 Since the introduction of the Council Tax Reduction Scheme (CTRS) the landscape has drastically changed. Universal Credit is based on real time information which means that any change in income generates a change in Council Tax Reduction through data files received directly from the Department for Work and Pensions. Residents were therefore, receiving multiple bills and letters during the year making the process a poor user experience and making budgeting very difficult.
- 3.2 In December 2019 the Council agreed a move to a new income banded scheme for those of working age. The scheme assesses the maximum level of Council Tax

Reduction based on the net income of the applicant and household members, the main principles of the scheme are as follows:

- If the applicant or partner is in receipt of one of the main passported benefits (Income Support, Job Seeker's Allowance Income Based and Income Related Employment and Support Allowance or receiving War Widows or War Disablement Pensions they will automatically be placed in the highest band of the scheme and will receive 100% support.
- Working age households will receive a discount, depending on their level of income and the band that they fall into.
- Under this scheme, as part of our ongoing commitment to support disabled people, we will continue to disregard Disability Living Allowance, Personal Independence Payments, War Disablement Benefits and will also continue to disregard Child Benefit and child maintenance.
- As highlighted earlier in this report the introduction of Universal Credit and Real Time Information files means that customers can experience frequent changes in their Council Tax Reduction which in turn impacts on the amount of Council Tax payable. This makes budgeting for households more of a challenge and is impacting on our ability to collect Council Tax.
- A banded scheme will be simpler for residents to understand and any future changes to the value of awards can be achieved by simply adjusting the banding thresholds. This will also mean that residents will experience less change in their Council Tax Reduction and will reduce the number of letters and Council Tax demands.

The new scheme was introduced from April 2020 following a period of consultation and engagement. In general, it has been well received with limited contact from customers affected by the change. Members also agreed a hardship fund to assist those people who are negatively impacted by the new scheme but, to date, no applications for assistance have been received. A central government Covid Hardship scheme was implemented in June 2020, whereby all customers in receipt of CTRS received an additional amount of up to £150.00 support. This scheme has benefitted 3536 households during 2020-21. Although collection rates are slightly down on the same time last year this is attributable to the impacts from Covid-19 crisis rather than the new banded scheme.

## **Consultation**

There is a requirement to consult with the public, major preceptors and other parties who may have an interest in the Council Tax Reduction Scheme on any material changes to the scheme. It is considered that this does not include changes for annual uprating in accordance with Government Regulations.

If members would like to consider a change to the banded scheme, then full consultation will need to be undertaken.

## **4.0 Conclusion and Reasons for Recommendations**

- 4.1 The current scheme is understood by customers and has enabled them to budget for their council tax payments. One of the main advantages of the banded scheme is that it reduces the number of changes that the customer will experience enabling more effective personal budgeting. A revision to the scheme would yield a limited financial benefit to the Council but would increase the customer's council tax payable. There is still a degree of financial uncertainty for some customers and in the current financial climate the existing scheme should be retained.

## **5.0 Consultation**

None

## **6.0 Alternative Options and Reasons for Rejection**

- 6.1 The alternative option is to undertake a review of the current CTRS but paragraph 4.1. explains the rationale for not taking this course of action.

## **7.0 Implications**

### **Financial and Resource Implications**

- 7.1 The MTFs has assumed the current scheme will be retained. Any changes to the existing caseload will be accommodated as part of the budget process with final estimates included in the annual council tax base calculation.

### **Legal Implications**

- 7.2 Since 1 April 2013, local authorities in England have been responsible for running their own local schemes for help with council tax. These are called Council Tax Reduction schemes.

Section 13A of the Local Government Finance Act 1992 requires the Council as the billing authority to make a localised council tax reduction scheme in accordance with section 1A of the Act. Each financial year the council must consider whether it wants to revise the scheme, leave as is or replace it. Consultation must occur on any options required to change the scheme prior to introduction, and is set out in Schedule 1A (3) of the Local Government Finance Act 1992. No changes to the scheme are being considered in this report.

### **Monthly Finance Monitoring Report – Quarter 4 2020/21**

### **Report of Director of Finance**

This report is public

#### **Purpose of report**

This report summarises Cherwell District Council's (CDC's) revenue and capital outturn position for 2020/21.

#### **1.0 Recommendations**

The meeting is recommended:

- 1.1 to note the contents of the report.

#### **2.0 Introduction**

- 2.1 CDC monitors its financial position on a monthly basis. This report provides the final outturn position for 2020/21.

#### **3.0 Report Details**

- 3.1 2020/21 has been a challenging year for all local authorities given the significant disruption of Covid-19 and the associated financial impacts it has brought. In September 2020 CDC approved a Revised Budget for 2020/21 in order to address these financial challenges, including identifying £2.4m of in-year savings from the Directorates.
- 3.2 CDC's revenue financial position for the year-end shows an underspend of £0.1m. This is made up of a net £3.7m overspend related to Covid-19 costs, offset by a £3.8m underspend on business as usual costs.
- 3.3 The final revenue outturn is an improvement of £0.1m compared to the previous month, primarily driven by improvements compared to the previous forecasts in Environment and Place (£1.1m improvement mainly linked to higher than forecast income being generated), Customers, Organisational Development and Resources (£0.7m improvement mainly linked to additional grant income and lower than anticipated contributions to earmarked reserves) and Public Health and Wellbeing

(£0.4m improvement due to budget allocated from Executive Matters). This was offset by Executive Matters (£1.3m primarily due to reductions in planned use of reserves and budget transferred to the Wellbeing Service) and Funding (£0.7m due to lower than expected income linked to business rates – this is mainly offset by additional grant compensation provided by the Government)

- 3.4 The capital budget for 2020/21 is £95.5m. Spend for the year is £56.8m, 40.5% below budget. There is an overall forecast reduction in the spend on capital schemes of £11.1m (11.6%). There is a further £27.6m (28.9%) forecast spend to be reprofiled into future years.

## **4.0 Conclusion and Reasons for Recommendations**

- 4.1 It is recommended that the contents of the report are noted.

## **5.0 Consultation**

None required.

## **6.0 Alternative Options and Reasons for Rejection**

- 6.1 The report sets out CDC's revenue and capital outturn position for 2020/21. No alternative options have been considered.

## **Cherwell District Council**

### **Executive**

**07 June 2021**

### **Monthly Performance, Risk and Finance Monitoring Report**

### **Report of: Director of Finance and Head of Insight and Corporate Programmes**

This report is public.

#### **Purpose of report**

This report summarises the Council's Performance, Risk and Finance monitoring positions as at the end of March 2021.

#### **1.0 Recommendations**

The meeting is recommended:

- 1.1 To note the monthly Performance, Risk and Finance Monitoring Report.
- 1.2 To note the Annual Performance report 2020/21

#### **2.0 Introduction**

- 2.1 The Council is committed to performance, risk and budget management and reviews progress against its corporate priorities on a monthly basis.
- 2.2 This report provides an update on progress made during March 2021 and also reflects on the past 12 months (annual review – Appendix 5) in delivering the Council's priorities through reporting on Performance, the Leadership Risk Register and providing an update on the financial position.
- 2.3 The Council's performance management framework sets out the key actions, projects and programmes of work that contribute to the delivery of the 2020-21 business plan and the priorities of the Council. These measures and key performance indicators are reported on a monthly basis to highlight progress, identify areas of good performance and actions that have been taken to address underperformance or delays.
- 2.4 As part of monthly reporting, the Insight Team provides the Senior Management Team with a corporate complaints report. Complaints received during the month are monitored and analysed. The mandatory lessons learned data have been implemented for more than a year now and we are starting to see a decrease in the number of upheld complaints. Lessons learned are reported to CEDR (Chief Executive Direct Reports) and

progress is monitored to ensure actions are implemented to avoid the same complaint being reported.

2.5 The Council maintains a Leadership Risk Register that is reviewed on a monthly basis. The latest available version of the risk register at the date this report is published is included in this report.

2.6 The report details section is split into three parts:

- Performance Update
- Leadership Risk Register Update
- Finance Update

2.7 There are four appendices to this report: [please note only appendix 4 is attached for Budget Planning Committee]

- Appendix 1 - 2020/21 Business Plan
- Appendix 2 - Monthly Performance Report
- Appendix 3 - Leadership Risk Register
- Appendix 4 - Finance
- Appendix 5 – Annual review 2020/21

### 3.0 Report Details

3.1 The Council's performance management framework sets out key actions, projects and programmes of work that contribute to deliver the 2020-21 business plan (see Appendix 1) and the priorities of the Council.

3.2 The 2020-21 business plan sets out four strategic priorities:

- Housing that meets your needs
- Leading in environmental sustainability
- An enterprising economy with strong and vibrant local centres
- Healthy, resilient and engaged communities

3.3 This report provides a summary of the Council's performance in delivering against each strategic priority. To measure performance a 'traffic light' system is used. Where performance is on or ahead of target it is rated green, where performance is slightly behind the target it is rated amber. A red rating indicated performance is off target. The 2020/21 annual review is a reflection of the last 12months and highlights some of the successes achieved during a year of challenge and through a pandemic. This annual review spans all the services supporting the delivery of the priorities.

<b>Colour</b>	<b>Symbol</b>	<b>Tolerances for Business Plan Measures</b>	<b>Tolerances for Key Performance Measures (KPIs)</b>
---------------	---------------	--	---

<b>Red</b>		Significantly behind schedule	Worse than target by more than 10%.
<b>Amber</b>		Slightly behind schedule	Worse than target by up to 10%.
<b>Green</b>		Delivering to plan / Ahead of target	Delivering to target or ahead of it.

**Priority: Housing that meets your needs**

- 3.4 The Council is committed to deliver affordable housing, raising the standard of rented housing and find new and innovative ways to prevent homelessness. Also, to promote innovative housing schemes, deliver the local plan and supporting the most vulnerable people in the District.
- 3.5 **Overview of our performance against this strategic priority:**

**Number of Homeless Households living in Temporary Accommodation** is reporting Green for March and Amber for year end, with numbers of homeless people being placed in temporary accommodation increasing to 31. Of those, 14 single clients have been accommodated as result of COVID-19. Further plans are to accommodate people out of the hotel placements and concerns increase as Courts and eviction proceedings are to resume which may see numbers of families seeking emergency placement also increasing. Overall, 145 individuals have been accommodated by CDC as a result of the COVID-19 emergency. Of those, 56 moved from hotels to supported housing, 32 moved into permanent accommodation and 14 remain in hotels, however, 9 of those have an identified move-on plan.

**Number of Housing Standards interventions** is reporting Green for March and Amber for year end, with 78 interventions recorded against a target of 55 in March and 676 interventions against 660 for the year. Of those were 118 enforcement notices, 457 service requests and 101 proactive interventions. Regardless, the ability to carry out responsive or proactive visits to rented properties has been restricted and the ability to implement formal enforcement has been reduced due to COVID-19.

**Average time taken to process Housing Benefit New Claims** is reporting Green for March and year end, which was excellent on a 10 days average mark against a target of 15 days for March and 13 days out of target of 15 days for the year. COVID-19 presented

a challenge as we registered a sharp increase on the number of new claims, but our team has delivered outstandingly delivering below the national average of 20 days.

**Deliver Innovative and Effective Housing Schemes** is reporting Amber for March and Green for Year end. Two shared ownerships, at Admiral Holland, have been completed. Sales have been going well, at Admiral Holland, as well as the development of three bungalows, at Bullmarsh Close, which is due and on target for May.

**Number of people helped to live independently through use of DFG & other grants/loans** is reporting Amber for March and Amber for Year end. 43 Households have been provided with help. Of those, 17 with major adaptations, 26 with smaller works done to the property. Despite the team efforts under COVID-19 rules, it is still a challenge to perform because measures remain in place for the security of staff and contractors and to safeguard elderly and vulnerable people which restricts access to client's homes to undertake surveys and works.

**Delivering the Local Plan** is reporting Amber for March and Year end. With the continued preparatory Plan on its way to the next stage for the District wide Local Plan Review and providing input for the Oxfordshire Plan process, the timetable of the latter is being reviewed to assess delays. An application of the Statutory Review for the adoption of the Local Plan Partial Review, which is a legal challenge, has been logged with the Planning Court and served to Council Court hearings are expected in June.

**Number of people helped to live independently through use of DFG & other grants/loans** is reporting Amber for March and Year end with 43 households supported. Of the households helped, 17 were by major adaptations and 26 by smaller works done to the property. There is still restricted access to homes experienced by our team and contractors as a result of measures in place due to COVID-19. Both surveys and works needing undertaking are affected by this, especially with the compliance to protect our elderly and most vulnerable clients.

**Maintain 5 Year Land Supply** is reporting Amber for March and Red for Year end. We registered a 4.7-year average, out of the targeted 5, in the Annual Monitoring Report. Slightly under the target, however, there is a predicted 1,172 completions which account for 13 more housing completions than last year and 30 more than the Local Plan requirement for Cherwell, which is due to be confirmed later. The monitoring period, for the five-year supply for Oxford's needs, commenced on 1st April 2021.

**Homes improved through enforcement action** is reporting Red for March and Year end. Only 3 out of our target of 9 homes have been improved by means of enforcement action with 2 requiring work-in-default (where the Council organises work at the expense of notice of recipients who have failed to act), which are underway. COVID-19 limitations to inspect and investigate premises contributed on reducing the ability of contractors to undertake works and staff ability to inspect and investigate premises.

**Number of affordable homes delivered including CDC and Growth Deal targets** is reporting Red for March and Amber for Year end. 11 affordable homes have been completed against a target of 25, for March. 9 by affordable rent and 2 by shared ownership tenure, none delivered via Growth Deal funding. Some completions have been delayed because of knock-on effects caused by site closures as a result of earlier

lockdown measures. Also, some developers have shifted build schedules to focus on market properties whilst market sales are going well.

### **Priority: Leading in environmental sustainability**

3.6 The Council is committed to deliver on sustainability and in the commitment to be carbon neutral by 2030, promotes the Green Economy and increases recycling across the district. This priority includes the protection of our natural environment and our built heritage, working in partnerships to improve air quality in the district and the reduction of environmental crime.

3.7 **Overview of our performance against this strategic priority:**

**Delivering high Quality Waste & Collection Service to all Properties** is reporting Green for March and Year end. We have managed collection of an additional 7,000 tons of waste, during this pandemic and preparations for development of separate food waste collections from this Autumn is well under way.

**Ensure Clean & Tidy Streets** is reporting Green for March and Year end. All areas have been covered, despite occurrences of staff self-isolating. All staff are now back at work and able to assist with distribution of litter-picking equipment, this way persons wishing to litter-pick in their local areas, including the collection of waste and recyclable materials, can do so.

**Protect Our Natural Environment and Promote Environmental Sustainability** is reporting Green for March and Year end. The application for an air quality grant (from the Department for Environment Food and Rural Affairs) was successful, and we have received £17,300 to purchase monitors and promotional material which have been used on projects that increase awareness and encourage changes to improve air quality, along with monitors that will be acquired for schools, doctors' surgeries and hospitals.

**Protect the Built Heritage** is reporting Amber for March and Year end. Conservation advice continues to be provided to inform Development Management decision making. Conservation Area Appraisals require finalisation as higher caseloads are being experienced

**Waste Recycled & Composted** is reporting Amber for March and Year end. With the tonnage increased by 0.5% (a good achievement in difficult times), 7,067 additional tons of waste have been collected (10 times the annual increase) which equals 10 more bins collected per household in Cherwell. 677 additional journeys have been completed and still residents received uninterrupted service throughout.

**Reduction of fuel consumption used by fleet** is reporting Red for March and Amber for Year end. We have consumed slightly more fuel used than this time last year. Although our recycling numbers have increased, and 7,067 additional tons of waste has been collected with 677 additional journeys.

## **Priority: An enterprising economy with strong and vibrant local centres**

3.8 The Council is committed to support business retention and growth, developing skills and generating enterprise; also, securing infrastructure to support growth in the district and securing investment in our town centres. This priority also contributes towards making communities thrive and businesses grow promoting the district as a visitor destination, committing to work with businesses to ensure compliance and promote best practice.

3.9 **Overview of our performance against this strategic priority:**

**Support Business Enterprise, Retention, Growth and Promote Inward Investment** is reporting Green for March and Year end. Support has been maintained by updated webpages, directly with enterprises and collaborations. The focus was COVID-19 and EU transition. Collaboration with Oxford County Council and partners continued enabling enhancement of digital infrastructure throughout the district. 98% of premises, in the district, can access Superfast Broadband services.

**Deliver the Growth Deal** is reporting Green for March and Year end. We are still engaged and active participants in the Oxfordshire Housing and Growth Deal. A local officer Programme Board has been established for Cherwell, which is reviewed on a monthly basis, covering the four workstreams of affordable housing. In this 5-year programme Cherwell enters year four and has plans to progress through the Council's officer decision-making process.

**Develop Our Town Centres** is reporting Green for March and Year end. Works are under way to deliver on progress of key elements of delivering outlined plans to town centres vitality and ensure continued safety on high streets within the district. Our team continues to review the impact of COVID-19 in our urban centres and will work closely with officer groups and partners to ensure that high streets reopen safely, once restrictions are lifted.

**% of Council Tax collected, increase Council Tax Base** is reporting Green for March and Amber for Year end. Collection, for March, on the mark of 3% against 1% target, and running slightly behind in the annual figure at 97.46% against 97.75%, accounts for a shortfall of £1.88m. This is due to the huge impact COVID-19 restrictions have had on collection rates despite the team efforts issuing reminder notices, final notices, summonses and obtaining liability orders through the Magistrates Court, and outbound calls. Also, summonses given to those Council taxpayers who had not paid their reminder notices and the reduced number of reminders and final notices restricted to the number of cases that could be heard at the Magistrates Court. A local officer Programme Board has been established for Cherwell, which reviews monthly the four workstreams of affordable housing.

**% of Business Rates collected, increasing NNDR Base** is reporting Green for March and Amber for Year end. With a 3.31% above the target for March, of 2.5%, and just behind annual target at 97.61%, of 98.5% target. Shortfall equates to approximately £408K. Still, despite the limitations caused by COVID-19 restrictions, all outstanding

balances have been chased by telephoning debtors, with conversations discussing possible entitlements to reduction in rates payable. Businesses that still had debts outstanding were issued with summons, if the reminder or final notice remained unpaid.

## **Priority: Healthy, resilient and engaged communities**

3.10 The Council is committed to enabling all residents to lead an active life, improving and developing the quality of local sports and leisure facilities and promoting health and wellbeing in our communities. Also, supporting community and cultural development, working with our partners to address the causes of health inequalities and deprivation, and to reduce crime and anti-social behaviour.

### **3.11 Overview of our performance against this strategic priority:**

**Support Community Safety and Reduce Anti-Social Behaviour** is reporting Green for March and Amber for Year end. Commitments to reduce crime and anti-social behaviour include; patrols around schools and parks, responding to claims of bullying raised by parents, concerns of drug dealings, off-road motorbikes and anti-social behaviour in general. Seizure of an illegal scrap metal collector van was featured by the Banbury Guardian and social media communications, with crime prevention advice and information sharing, which was read by over 25,000 people, although cycling initiatives are still pending due to discussions with Oxford County Council. The focus now is to oversee the distribution of an additional £50,000 in winter support grant.

**Support the Voluntary Sector** is reporting Green for March and Amber for Year end. Several events have been successfully supported to mention Cherwell Food Network, North Banbury Network partnership, Age Friendly Banbury partnership, with Community Link March publication distributed to voluntary organisations and two new older people's information & activity sheets produced. Activities and partnerships that bring together key stakeholders and voluntary organisations, to work on initiatives together with us and support people specially during lockdown restrictions.

**Enhanced Community Resilience** is reporting Green for March and Amber for Year end. With continued work with our partners in response to the pandemic, offering support to people who needed to isolate or shield. Also, supporting the vaccination programme by visiting the addresses of people that had not responded to invitations to book a vaccination.

**Number of visits / usages of District Leisure Centre** is reporting Red for March and Year end. The usage figures are considerably down for the same period of last year. This was expected as the Centres were still open in March, but remained closed due to the Government restrictions at some period in March, however, outdoor 'organised' sport was allowed to return and some utilisation figures for Stratfield Brake, Whitelands, North Oxfordshire Academy and Cooper School have been registered. In addition, the Outdoor Pool at Woodgreen Leisure Centre was able to re-open for the same period.

## Summary of Performance

3.12 The Council reports monthly on performance against 41 Business Plan Measures, with 22 Programme Measures and 19 Key Performance Indicators. Full details, including commentary against each measure and key performance indicator can be found in Appendix 2.

### Programme Measures and Key Performance Indicators (41)

Status	Description	March	%	DoT	YTD	YTD %
Green	On target	30	73%	↑	28	68%
Amber	Slightly off target	6	14%	↔	9	22%
Red	Off target	4	10%	↓	3	7%
	No data	1	3%	NA	1	3%

Please note that the KPI measure “High risk food businesses inspected” will no longer be relevant this year due to the Food Standards Agency changing the national food law enforcement programme as a consequence of COVID-19. Food safety will be assured through alternative, targeted measures.

### Risk Update

3.13 The Council maintains a Leadership Risk Register that is reviewed on a monthly basis. The latest available version of the risk register at the date this report is published is included in this report.

3.14 The heat map below shows the overall position of all risks contained within the Leadership Risk Register.

## Finance Update

- 3.16 The Council's financial position for 2020/21 at the end of March shows a £0.087m underspend. This is made up of a £3.744m overspend related to Covid-19 costs (para 3.19), which is offset by a £3.831m underspend on business as usual costs.
- 3.17 The Council has incurred costs and lost income during 2002/21 in relation to Covid-19 across all areas of the Council. In particular costs and lost income have been incurred in the following areas:
- Car parking income
  - Planning Application fee income
  - Support for leisure services
- 3.18 The overall cost of Covid-19 was £7.423m for 2020/21. This is partially met by Covid-19 support grant funding of £2.045m in 2020/21 and an estimated income of £1.634m from the Sales, Fees and Charges Income Guarantee scheme towards income losses. This reduces the net in-year Covid-19 financial pressure to £3.744m.
- 3.19 On 7 September 2020, Council approved a revised 2020/21 budget to help it meet the expected funding shortfall for the 2020/21 financial year after government funding is taken into consideration.
- 3.20 The proposed transfer of funding to reserves to be used 2021/2022 has been included in appendix 6 to this report. The Executive is recommended to approve these transfers in line with the descriptions provided.

Note:

1. Prior month forecast adjusted to take account of use of reserves to make forecast figures comparable
2. The numbers contained in this report are subject to change with the finalisation of the accounts
3. There was a £21.551m underspend on income due to grants being received before they needed to be spent. This has been transferred to reserves.

## Environment and Place

Environment and Place have an underspend of (£0.527m) against a revised budget of £6.435m (8.2%).

Environment and Waste

Variation (£0.001m) underspend

Variance to last month's forecast (£0.338m)

There is a (£0.001m) underspend reported this year. The main pressures have been in employment costs due to significant sickness and the requirement of agency staff cover £0.439m. Offsetting this is a (£0.139m) reduction in transport/contractor costs for gate & transfer fees and a reduction in commercial waste costs. Premises costs were higher than expected by £0.031m and there was a (£0.013m) saving on supplies and services. On the revised budget (£0.319m) more income than expected was received from car parks, refuse bin contributions and a review of S106 commuted

---

sums.

The S106 income is the main reason for the movement from the February forecast.

---

Planning &  
Development

Variation  
(£0.372m)  
underspend

Variance to  
last month's  
forecast  
(£0.531m)

Planning have reported an underspend of (£0.372m). (£0.400m) of this variation is reduced expenditure on Consultancy of which (£0.180m) had previously been forecast to be carry forward and

A legal case resulted in (£0.048m) reduction in spend due to the final costs being less than expected. Staff cost savings of (£0.092m) were offset by an overspend of £0.157m on Agency costs across the service. Building Regulations fee income was (£0.031m) higher than expected whilst planning application fee income was £0.169m less than budgeted. There were further savings of (£0.067m) on professional fees and (£0.060m) other savings across the service.

The (£0.531m) change from the February forecast is made up of (£0.317m) underspend on Planning Policy Consultants due to removal of the carry forward request. (£0.095m) saving in legal fees while (£0.075m) more income was received than forecast and (£0.044m) other savings were achieved across the service.

---

Growth &  
Economy

Variation  
(£0.154m)  
underspend

Variance to  
last month's  
forecast  
(£0.184m)

Growth & Economy is reporting an underspend of (£0.154m). This is made up of the following overspends: £0.035m due to the cessation of the Transport Strategy joint working agreement with South Northamptonshire. £0.100m overspend in Build! made up the Sanctuary rent collection service, consultancy/professional fees and lower than expected recharge of officer time to the capital programme. Offsetting these there were underspends of (£0.013m) income from support provided to develop the Park & Charge project, (£0.100m) on the Kidlington masterplan programme (delays due to Covid-19), (£0.044m) saving in consultancy costs and (£0.132m) saving on Senior Management Team joint working costs.

The (£0.184m) movement to the February forecast is reduced expenditure on a growth deal post and the Kidlington masterplan that was forecast to carry forward to 2021/22 offset in part by a recharge to revenue for officer time on a capital project and higher than expected rent and repair costs

---

Growth and Economy's have Covid-19 grant income of (£3.065m) which includes funding received from the Government to pay out to businesses in the local community. This income that is yet to be spent has been recognised here but is included in Executive Matters as a transfer to reserves at year end to be released against spend in 2021/22

---

## **Customers and Organisational Development**

Customers & Organisational Development have an underspend of (£0.431m) against a revised budget of £6.520m (6.6%).

---

HR/IT/Comms/Cultural Services

The underspend in Customer Services (£0.207m) is mostly due to Land Charges as income recovered faster than expected.

Variation (£0.407m) underspend

Comms are showing an underspend of (£0.140m). This underspend and movement from last month is mainly due to carry forward request of £0.136m from consultants and professional fees savings being built into the forecast that are no longer assumed.

Variance to last month's forecast (£0.267m)

HR now show an underspend of (£0.072m) across Occupational Health, Computer Software and Training due to a carry forward previously being assumed.

IT offset part of the above underspends with a £0.012m overspend.

---

Finance

Finance are reporting on target with an overspend of £0.002m. Finance staffing and agency costs linked to developing capacity for the closure of accounts and additional work linked to the national lockdown have been offset by additional income from new burdens funding.

Variation (£0.024m) underspend

Variance to last month's forecast (£0.430m)

Revenues and Benefits have an underspend of (£0.026m). Within this, there was an overspend of £0.022m in Council Tax driven mostly from unbudgeted costs on contractor revenue payments and Computer Software licensing offset in part by additional income received. Rent Allowances achieved a (£0.041m) underspend made up of additional income from Department of Work and Pensions and New Burdens funding (£0.253m) was offset in part by additional contractor payments £0.098m, Housing Benefit Rent allowance £0.107m and £0.007m other overspends. There were (£0.007m) other minor underspends across the service.

---

---

The main movements from last month are mostly from (£0.320m) additional income from new burdens funding, court costs and overpayments recovered being higher than expected. In addition, the new finance system savings of (£0.043m) and (£0.067m) cost savings across the service

---

## **Adults and Housing Services**

Adults and Housing Services have an underspend of (£0.181m) against a revised budget of £1.577m, (11.5%).

---

Housing & Social Care	The reported underspend of (£0.181m) is mainly due to (£0.120m) additional income for the Next Steps Accommodation Programme, following a successful Government grant application for this amount, (£0.031m) saving on Consultants fees, (£0.010m) saving as a result of a new contract for the Debt and Money advice service, (£0.010m) income from fines and HMO licences and a (£0.010m) saving against a storage contract.
Variation (£0.181m) underspend	
Variance to last month's forecast (£0.001m)	

---

## **Public Health & Wellbeing**

Public Health & Wellbeing show an overspend of £0.240m against a budget of £3.453m 7.0%

---

Wellbeing	The forecast overspend of £0.296m is a result of the impact of Covid-19 on leisure. The main cost is the contractual relief payments made to support the leisure operator during the pandemic and a loss of income from holiday hubs and hiring of sports facilities.
Variation £0.296m overspend	
Variance to last month's forecast (£0.374m)	The movement of (£0.374m) from February is mainly due to the budget previously being held in Executive matters being transferred to offset actual costs incurred with the leisure operator.

---

Healthy Place Shaping	The underspend of (£0.056m) relates to staff cost savings from joint working.

## **Commercial Development, Assets and Investments**

Comm. Dev. Assets and Invests. have an overspend of £0.209m against a revised budget of - £1.479m 14.1%.

---

Property	Property is forecasting a £0.480m overspend. The impact of Covid-19 has seen the Council's commercial properties lose rental income and incur additional costs from empty properties which has resulted in a £0.650m overspend. Conversely, as a result of the pandemic, savings of (£0.170m) have arisen due to reduced occupancy of Council premises and remote working.
Variation £0.480m overspend	
Variance to last month's forecast £0.240m	The £0.240m movement this month is mostly due to an increase in estimated Castle Quay lost income and void costs.

---

Procurement	The underspend (£0.048) is due to shared salary cost being less than expected offset in part by an overspend on agency costs
Variation (£0.048m) underspend	
Variance to last month's forecast (£0.138m)	The (£0.138m) movement from last month is due to the shared salary cost previously forecast not being as expected

---

Law and Governance	£0.012m overspend is due to use of agency staff partly offset by underspends in elections
Variation £0.012m overspend	
Variance to last month's forecast (£0.006m)	

---

Growth and Commercial	The underspend is mostly due to a vacant post not being filled.

month's forecast  
(£0.079m)

The reported outturn is an underspend of (£0.199m); resulting from (£0.040m) underspend on staff costs (£0.020m) higher than forecast income and cost recovery for discretionary services, (£0.050m) saving on professional/consultant's fees, Licensing income exceeding revised budget by (£0.060m) and other (£0.029m) savings across the service.

The movement from last month is due to salary savings

---

## **Executive Matters**

Executive Matters has an underspend of (£0.047m) against the budget of £9.098m (0.5%).

---

Covid Grant  
Funding

Funding received as Covid-19 Grants is (£0.504m) higher than anticipated when the revised budget was set which is an increase of (£0.030m) from last month.

---

Interest

There is an adverse variance of £0.207m due to a delay in drawing down £4m loan funds and S106 interest costs.

This is a £0.107m movement from the forecast in February.

---

Bad Debt

A year end adjustment to the Bad Debt provision has been made at £0.095m which wasn't reflected in the February forecast.

---

MRP

There is underspend of (£0.541m) in respect of the amount required to be set aside for the Minimum Revenue Provision which is more than anticipated in February by (£0.123m)

---

Reserves	<p>The council has used £0.784m less reserves than budgeted. This was previously forecast with a £0.000m variance to budget.</p> <p>The budget included (£0.230m) for Canalside which wasn't drawn upon in 2020/21, also included was a budget for Growth Deal for (£1.217m) of which only £0.742m was transferred leaving a variance of £0.475m. The remaining variance of £0.079m is made up over the other reserves that were planned to used.</p>
Pension Costs	<p>Pension costs are £0.016m higher than budgeted and then shown in last month's forecast.</p>
Corporate	<p>Corporate costs are showing a (£0.105m) underspend, this is due to (£0.065m) budgeted spend being held here for Wellbeing support that was not required, (£0.041m) funding from S106 being recognised and other minor variances.</p> <p>The movement from last month of £0.360m is mostly budget being held here for Wellbeing to meet costs being transferred to the service</p>

## **Income**

Council income has an overspend of £0.650m against the budget of -£25.604m (2.5%).

2020/21 has been a particularly challenging year for businesses. However, they have received significant levels of support from the Government. Many businesses classified as "non-essential" qualified for up to 100% reductions in their business rates liability. Growth in the businesses was also not as high as expected when the budget was set. These reductions in liability and reductions in business growth mean that associated S31 Grant income is at £0.394m lower to that originally assumed.

Due to the reduction in growth of businesses, the benefits from the Council's business rates pool are also £0.256k lower than anticipated.

## **3.23 Capital**

Capital expenditure in 2020/21 was £56.773m. This gives rise to an in-year underspend of £38.732m, of which £27.645m is requested to be reprofiled in future years. There is an overall forecast reduction in the total programme of £11.087m.

### **3.24 Outturn Variances**

#### **Housing:**

Housing report a (£0.379m) underspend due to reduced activity in delivering Disabled Facilities Grant works during the Covid-19 pandemic (£0.375m), plus a small projected underspend (£0.004m) against the Civica Arbritas upgrade project.

#### **Commercial Development, Assets & Investments:**

Property is reporting a final outturn of (£0.731m) underspend across the various projects, some as a result of the Covid-19 pandemic and others as a result of more effective working. One of the largest savings is the refurbishment of Banbury Health Centre (£0.153m). Due to ongoing discussions with the tenant regarding the extension of the lease, the scope of the project has been amended and as a result the full budget allocation is not required. (£0.090m) saving has also been achieved on works relating to the roofing of Ferriston parade due to efficient delivery of the project. A (£0.070m) saving on the Banbury Museum Air Handling Unit upgrade has also been achieved because original plans suggested replacement of the plant but on further investigation, this was not necessary, and refurbishment was carried out. Corporate Asbestos Surveys Works have a (£0.050m) saving to expected costs this year and a further (£0.078m) savings have been made with the Compliance Works with Energy Performance, Pioneer Square Fire Panel and Corporate Water Hygiene projects. There have also been (£0.290m) across the remaining capital schemes.

#### **Customers Organisational Development & Resources:**

There is a £0.001m overspend on the HR/Payroll system with no more costs expected.

ICT are forecasting a (£0.059m) underspend. (£0.050m) for Legacy iworld system migration but £0.050m has been reprofiled to 2021/22 with a view to repurposing it for a new project for members subject to approval. (£0.010m) no longer required for Bodicote House meeting room Audio Visual and £0.001m overspend across the other capital projects in this area.

Finance: The Academy Harmonisation project was underspent by (£0.016m)

### **Environment and Place:**

Growth and Economy Build Phase 1 is reporting unbudgeted spend of £0.103m. Build Phase 1b is forecasting an overspend of £0.236m after reprofiling the remaining budget into 2021/22 to complete the programme. Build Phase 2 as a result of certain schemes no longer progressing or being pipelined has generated an underspend of (£9.891m). The Hill Community centre project is now complete with an underspend of (£0.229m).

Environmental Services: are forecasting (£0.002m) underspend as a result of energy efficiency projects which were committed in late 2019/20.

### **Public Health & Wellbeing:**

Wellbeing are showing a saving of (£0.118m). This is made up of (£0.020m) North Oxford Academy Facilities Upgrade, (£0.008m) against the Sunshine Centre programme for the extension to the front of the site, (£0.015m) underspend against the Corporate Booking System, (£0.025m) against Community Grants, (£0.007m) against the Story Book Map insight work and finally (0.043m) on Solar Photovoltaics at Sport Centres which has been completely delivered and finalised.

## **3.25 Re-profile beyond 2020/21**

### **Housing:**

**£0.656m** Disabled Facilities Grant capital – Covid-19 significantly reduced activity due to the various lockdowns throughout the year. As a result, not all of the Better Care Fund will be spent in this financial year and will be reprofiled into 2021/22

**£0.063m** Discretionary grants - Significantly reduced activity due to the lockdowns throughout the year delaying the progressing of reactive landlord grants.

### **Commercial Development, Assets & Investments:**

**£0.050m** Spiceball Riverbank Reinstatement - works are now part of Castle Quay 2 which will take place in 2021/22

**£0.100m** Banbury Health Centre refurbishment - project has been delayed due to issues with the lease agreement with the tenant.

**£20.712m** Castle Quay - delayed works due to Covid-19

**£0.055m** Horsefair, Banbury - delayed works on paving outside Horsefair, Banbury Cross due to Covid-19

**£0.035m** Banbury Museum Air Handling Unit - supply issues are being encountered which are causing delays

**£0.141m** Bodicote House Fire Compliance Works - on hold due to project viability

**£0.160m** Corporate Asbestos Survey - Works progressing and will carry on into 2021/22. Anticipated spend of £0.160m in total releasing a (£0.050m) saving  
**£0.080m** Corporate Fire Risk Assessment - works are progressing but will carry over in to 2021/22. Full spend expected.  
**£0.147m** Works from Compliance Surveys - Works progressing but will carry on into 2021/22. Full spend anticipated.  
**£0.100m** CDC Feasibility of Utilisation of Proper Space - Project on hold  
**£0.130m** Community Centre works on phase 1 has slight delays and will carry over into 2021/22

## **Environment and Place:**

### **Environmental Services**

**£0.174m** Thorpe Lane Depot Capacity Enhancement - slippage in to 2021/22 as a result of proposed separate garden and food waste rollout.  
**£0.080m** Bicester Country Park – Covid-19 delayed the purchasing and progression of the country park also resulting in community planting unable to take place until later in 2021, all spend to be slipped in to 2021/22.  
**£0.422m** Vehicle replacement Programme - currently under review, further investigation needed into larger electric vehicles before committing to diesel equivalents. Remaining spend to be reprofiled into 2021/22.  
**£0.079m** Car Park Refurbishments – Covid-19 significantly delayed progression on the installation of pay on exit barriers. Remaining spend will take place in 2021/22.  
**£0.022m** On Street Recycling Bins - purchases are expected in 20/21 but delivery and installation are anticipated in early 2021/22.  
**£0.125m** Car Park Action Plan - there are no costs anticipated in this financial year but spend is anticipated in 2021/22.  
**£0.018m** Off Road Parking – Covid-19 delayed the progression of the car park refurbishments. All spend will take place in 2021/22.  
**£0.012m** Street Scene Fencing Street Furniture - Issues with an expiring lease and delays due to Covid-19 have resulted in all spend to be slipped in to 2021/22.  
**£0.015m** Urban Centre Electricity Installations - Issues with contractor delayed commitments, all spend to be slipped in to 2021/22.  
**£0.050m** Depot Fuel System Renewal – Covid-19 delayed the progression of this project, all spend to be slipped in to 2021/22.

### **Growth and Economy**

**£1.713m** East West Rail 2 - comprises the introduction of direct passenger and freight services between Oxford/Aylesbury and Milton Keynes/Bedford by reconstructing and upgrading the railway between Bicester-Bletchley-Bedford and Aylesbury-Claydon Junction routes, approval for which was originally agreed in October 2013 of a contribution of £4.35m towards the scheme. It was agreed that this could be paid over a 15 year period.

**£0.952m Build Phase 1b** - Bicester Library is in the early stages of development with actual site work commencing early 2021 with likely completion by the end of 2021. Admiral Holland works formally completed end of September 2020 but CDC will have to budget for retention payments due in September 2021 of £0.061m along with £0.006m retention payment owing for Creampot Crescent

**£0.350m** Creampot Crescent Repurchase contingency - this budget is for the purpose of repurchasing the property if the owner can no longer afford the property.

**£0.160m** BUILD! Essential Repairs & Improvement (Town Centre Affordable Rent roof repairs) - Loss adjustor negotiations still ongoing but the repairs are expected to be covered by warranty. However, reprofiling of budget in case this is not the case.

### **Public Health & Wellbeing:**

**£0.012m** Physical Activity & Inequalities Insight - evaluation funding for Active Reach project paused due to Covid-19 national restrictions

**£0.183m** North Oxfordshire Academy Astro turf capital scheme. Currently under discussion regarding the outstanding planning application and third party contribution.

**£0.045m** Corporate online booking system delay

**£0.084m** Bicester Leisure Centre extension - spend to date on feasibility studies. Remaining funds needed for professional fees to progress recommendations resulting from the feasibility studies. Remaining spend will take place in 2021/22.

**£0.030m** Spiceball Leisure Centre bridge resurfacing - No spend in 2020/21 but will take place in 2021/22 on completion of Castle Quay Waterside and reinstatement of the bridge.

**£0.015m** Community Capital grants - Reprofile of £0.015m required to meet commitments in 2021/22

**£0.009m** Community Centre Refurbishment - Reprofile of £0.009m required to meet commitments in 2021/22 for external lighting project

**£0.012m** Sunshine Centre - Reprofile of £0.012m required to meet commitments in 2021/22

40062	Andrew Bowe/Tony Brummell	East West Railways	1,731	18	0	18	1,713	(0)	-	Cherwell's involvement is now principally regulatory in the form of considering, inter alia, planning land drainage and environmental applications with a view to issuing consents for both temporary works (covering the construction phase only) and the permanent works. The times spent on the project are largely reactive to its progress and requirements.
40107	Jane Norman	The Hill Community Centre	229	0	0	0	0	(229)	(229)	Project now complete.
40206	Dean Fischer	Garden Town Capital Funding	9,809	9,809	0	9,809	0	0	-	This is for feasibility and design work for three major infrastructure schemes in Bicester (Ploughley Lane, Banbury Road and Pioneer roundabout). The schemes are active and progressing. Spend will be mainly on feasibility, tech support and appointment of contractors to bring the schemes forward. OCC and Graven Hill Dev't Co. (delivering the infrastructure on behalf of Garden Town) are incurring costs on initial feasibility work - the finance agreements are being finalised now and signed before year end and at that point both OCC and Graven Hill will begin invoicing CDC. The schemes will roll on for a further 2-3 years, so reprofiling of budget will be necessary.

40109	Jane Norman	Fairway Methodist Church (Phase 1) Hope House	0	73	0	73	0	73	53	payment was to Oxford & District Building Services (ODBS), a contractor working on The Fairway, Hope Close development. Their scope of work was related to the construction of 11 new dwellings together with associated external works; typically including house foundations, provision of water, electricity and drainage to homes as well as estate road and car park for adjacent church (car park owned by CDC and leased to the church). ODBS completed their works late 2019 (the dwellings were not marketed for sale until Sept 2019) which was followed by an extremely contentious period of about 6 months of claims

Recently received feedback from Planning means we think that we have 3-4 months negotiation with Oxfordshire County Council Archaeology before we will get a Planning Permission, so we will not be able to carry out demolition until April 2021 at the earliest, with the main contract following on in June / July 2021, again, at earliest. Forecast Outturn is limited to Acrual + Commitments with the majority of the budget reprofiled due to <u>Planning delay</u>
40111	Jane Norman	Admiral Holland Redevelopment Project (phase 1b)	669	838	0	838	61	230	257	With construction formally completed end of September 2020 there is the need to budget for retention which CDC will have to pay in September 2022 – the retention is £60.5k.

40172	Jane Norman	Bretch Hill Reservoir (Thames Water Site) (Phase 2)	6,958	0	0	0	0	(6,958)	(6,940)	We are still working on the land assembly for Bretch Hill and the pre-application was submitted to planning in October 2020. The Trades and Labour Club, Nizewell Head, Park Road and Wykham Lane are unlikely to be developed so will need to be removed from the capital budget. The Trades and Labour Club was under discussion as they wanted to replace their current club house with a new, smaller facility which would have then released land for housing. They have decided not to go ahead due to club members opposition. Park Road is a small site that has a covenant attached for recreational use and is currently leased to the adjacent owner for garden

## **Cherwell District Council**

### **Budget Planning Committee**

**13 July 2021**

### **Review of the 2021/22 Budget Process**

### **Report of Director of Finance**

This report is public

### **Purpose of report**

To provide the Budget Planning Committee with a review of the 2021/22 Budget Process

### **1.0 Recommendations**

The meeting is recommended:

- 1.1 to note the review of the 2021/22 Budget and Business Planning Process.
- 1.2 To recommend to the Executive that the proposed improvements at section 3.9 be incorporated into the 2022/23 Budget and Business Planning Process.

### **2.0 Introduction**

- 2.1 The budget process for 2021/22 took place in a very different scenario to recent budget processes for the Council for two key reasons:
  - The country was in the grip of the Covid-19 pandemic, causing in-year budget pressures, which resulted in a revised 2020/21 budget being developed and approved by the Council; and
  - The Council was required to identify significant levels of savings in order to set a balanced budget
- 2.2 Despite these challenges, the Council was able to operate a budget process that included £4.4m savings in 2021/22 in order to set a balanced budget. The supporting information was transparent in demonstrating how the Council intended to use its resources over the medium-term planning period.

### **3.0 Report Details**

- 3.1 The process for the development of the budget for 2021/22 began in February 2020 when the Medium-Term Financial Strategy (MTFS) identified significant level of savings would be required in 2021/22. Further in year savings were also identified

as a result of the Districts council's response to and support for our communities during the Covid-19 pandemic. The process was further challenged by being delivered with covid restrictions in place.

- 3.2 The Committee received a report at its meeting on 29 September 2020 to note the 2021/22 Budget and Business Planning Process. At the meeting a request was made to bring the consideration of capital bids forward from the proposed 19 January 2021 meeting. The capital bids were considered at an additional Committee meeting on 5 January 2021.
- 3.3 Primarily due to the financial impacts of the Covid-19 pandemic and the anticipated business rates reset, the Council was in a situation of having to identify savings in order to balance its budget. Due to its success in growing its business rates income in recent years, the Council has not had to identify significant savings proposals, so this became a new element to the process for the 2021/22 budget.
- 3.4 The Council also recognised that there was considerable financial uncertainty and so understanding the reserves available was essential to be able to react to financial shocks. The Council prioritised reviewing its reserves policy and moved to holding its reserves in a more strategic way where there were no specific future commitments against them. The Committee was able to review and comment on both the revised reserves policy (29 September 2020) and the review of reserves (19 January 2021) prior to them being adopted by the Council.
- 3.5 As the Council had identified that it needed significant revenue savings, the focus of the budget process fell onto the revenue budget. The Council issued a budget consultation in December 2020 on £4.3m new savings proposals for 2021/22. Budget Planning Committee had the opportunity to consider the savings proposals at its meeting on 15 December 2020. Corporate Directors attended the Committee to provide additional information around the savings proposals where members of the committee had questions. The equality impact assessments on the savings proposals were published alongside the papers considered by the Executive in February 2021.
- 3.6 The consultation on the budget ran from 8 December 2020 to 8 January 2021. 388 responses were received in total. The responses to the consultation, as well as feedback from the Committee, were taken into account by the Executive when proposing its budget for Council to consider. The Executive amended the savings proposals by deferring a proposal to increase rents for affordable homes and shared ownership properties by 1 year.
- 3.7 As the focus of the process had concentrated on the revenue budget, the capital proposals were issued for consideration later in the process. An additional Budget Planning Committee was scheduled to consider the capital bids on 5 January 2021. Again, the Committee's feedback on the capital bids was considered by the Executive in proposing its budget for Council to consider.
- 3.8 Overall the 2021/22 Budget and Business Planning process was able to identify sufficient savings proposals to balance its budget for 2021/22 and was able to engage far more residents with the budget proposals than it has been able to in the past.

## **2022/23 Process – Suggested Improvements**

3.9 As with all processes, following review there are potential improvements that can be identified. These improvements are made in the context of the Council identifying that £7.3m savings will be required when setting its 2022/23 budget. Proposed improvements for the 2022/23 Budget and Business Planning Process are:

- **Review how the Council allocates its resources to ensure they are aligned with the Council's priorities**

The Medium-Term Financial Strategy (MTFS), approved as part of the 2021/22 Budget, suggested a review of the Council's priorities for 2022/23 and beyond and alignment of the Council's resources in order to maximise delivery against these.

- **Carry out additional engagement with residents on the Council's priorities and services it provides to inform savings proposals**

The MTFS proposed that the Council should consider the changing needs of its residents when considering the services it should provide. Early engagement on the priorities of the Council and how they fit with residents in a "post Covid" era will help to inform the Council on where it should focus its limited resources.

- **Look to ensure that the Capital Budget proposals are developed to the same timeline as the revenue budget proposals**

Capital expenditure has an important role to play in the delivery of the Council's priorities over the medium and long term. Therefore, in order to make informed decisions about how resources are allocated in order to maximise the delivery of the Council's priorities all proposals should be considered together.

## **4.0 Conclusion and Reasons for Recommendations**

4.1 Improvements to the budget process have been identified and are proposed to be incorporated into the 2022/23 process.

## **5.0 Consultation**

This report sets out a review of the 2021/22 budget setting process. As such no formal consultation on the content or recommendations is required.
