

DISTRICT COUNCIL  
NORTH OXFORDSHIRE

# Forward Plan Summary

**July 2010 to October 2010**

# Cherwell District Council

## Summary of the Forward Plan

This summary of the Forward Plan, (produced by officers on behalf of the Leader of the Council) sets out the key Executive decisions which will be taken at Cherwell District Council. Whilst this document provides details of the key decisions for the next four month period (set out on the front cover of this document), where details of key decisions to be made after this period are known, they will be provided for information. The Forward Plan will be updated and rolled forward on a monthly basis. As this takes place, the programme will be adjusted: further key decisions may be added, or anticipated ones may be rescheduled or removed. The summary shows the decisions programmed to be taken during each month. A likely date of decision is shown, but it is possible that a decision may be rescheduled to a later month. The full Forward Plan, including the latest position on prospective decisions is available on the council website at [www.cherwell.gov.uk](http://www.cherwell.gov.uk), using the link to Council meetings.

This summary sets out the key decisions by month and says whether they will be taken by the Full Executive or by one of its individual Members, or portfolio holders as they are known (see below for details of the membership of the Executive). While key decisions may be taken by officers exercising authority delegated by the Executive, it is the Council's intention that this will very much be the exception.

## Key Decisions

A key decision is a 'significant' decision that is legally within the power of the Council to make, is not precluded by statute from being made under Executive arrangements and is not otherwise retained for decision by Council or delegated to a Committee of Council or officer by the Council's constitution.

Significance – A decision is significant if it meets the financial and / or community impact criteria:

- Financial  
A decision that will result in the Council:
  - Incurring potential revenue expenditure or savings above £50,000
  - Incurring potential capital expenditure or savings above £250,000
  - Procuring or awarding any contract having a total value exceeding £500,000

and / or

- Community Impact  
A decision that is significant in its effects on communities living or working in an area comprising two or more Wards in the area of the Council. That is a decision where:
  - A significant number of users of the service in the Ward(s) will be affected and / or
  - An impact that will last for a number of years, or be permanent; and / or
  - A significant impact on communities in terms of environmental and social well-being.

The following are not regarded by the Council to constitute key decisions:

- Implementing approved budgets or policies and strategies where there is little or no further choice involved and the main decision has already been taken by the council in agreeing the budget and policy framework.
- Implementing approved actions and targets in annual service plans.
- Decisions by the Head of Finance which are part of the ordinary financial administration of the Authority, notably those relating to investments, within the agreed Treasury Management Policy.
- Implementing projects for which specific conditions have been attached by external funders, such as the Government or European Union.
- The award of contract for the provision of works, goods and services, within an agreed policy and budget and where a decision has been made.
- Changes arising from amendments to statute where there is little or no discretion.

For a decision to be key there must be a significant degree of discretion to be exercised by the decision-maker.

The Forward Plan lists documents which are currently available to decision makers. Generally these are also available to the public but some may have restrictions on the information given in them. Copies of public documents listed may be obtained on request from

James Doble,
