

**Cherwell District Council
Safer Communities and Community Development
Anti-Social Behaviour Units Licensing Consultation Response.**

**Licensing Act 2003: Application for a premises license
Applicant(s): The John Paul II Centre Causeway Bicester Oxon**

Premises:

John Paul II Centre CAUSEWAY Bicester Oxon OX26 6AW

Details of the application:

A premises license is sought to allow the supply of alcohol and the full range of regulated entertainment excluding boxing and wrestling

History

As this is a new license application there is no relevant history held within the Anti Social Behaviour Team.

Observations.

The John Paul II Centre is a newly built purpose designed set of premises. The potential for activities taking place within the premises to generate noise was recognised as part of the buildings design process and was examined in detail when planning permission was sought for the premises.

On this basis the premises should be capable to operating without causing unreasonable disturbance to the occupants of nearby dwellings

Recommendation:

A premises license be granted as per the company's application of 08/09/11
