**Ref. Application for a Premises Licence  
John Paul II Centre, Bicester**

Dear Sir

I live at Hanover Gardens, the retirement housing estate off Manorsfield Road in Bicester. I am writing to object to the application for a Premises Licence by the John Paul II Centre in Bicester.

Hanover Gardens is home to 75 elderly residents and my flat is directly opposite the John Paul II Centre.

I object to the application because any evening licence, and any late night licence extensions, will lead to noise from car engines, car doors, people leaving functions, people using out-door smoking areas and the vibration of noise and music from social gatherings. This noise will be detrimental to my desire to peacefully enjoy my home and the noise may contravene Cherwell's local plan.

I like to go to bed at a reasonable hour, with the expectation that I will not be disturbed by noise from my local neighbours.

I hope you will consider my health and well-being and that of the many residents of Hanover Gardens when ruling on the above application.

**Ref. Application for a Premises Licence  
John Paul II Centre, Bicester**

Dear Sir

I live at Hanover Gardens, the retirement housing estate off Manorsfield Road in Bicester. I am writing to object to the application for a Premises Licence by the John Paul II Centre in Bicester.

Hanover Gardens is home to 75 elderly residents and my flat is directly opposite the John Paul II Centre.

I object to the application because any evening licence, and any late night licence extensions, will lead to noise from car engines, car doors, people leaving functions, people using out-door smoking areas and the vibration of noise and music from social gatherings. This noise will be detrimental to my desire to peacefully enjoy my home and the noise may contravene Cherwell's local plan.

I like to go to bed at a reasonable hour, with the expectation that I will not be disturbed by noise from my local neighbours.

I hope you will consider my health and well-being and that of the many residents of Hanover Gardens when ruling on the above application.
