This application to review relates to the following licensing objective(s)

Please tick one or more boxes

- | | |
|---|-------------------------------------|
| 1) the prevention of crime and disorder | <input checked="" type="checkbox"/> |
| 2) public safety | <input checked="" type="checkbox"/> |
| 3) the prevention of public nuisance | <input type="checkbox"/> |
| 4) the protection of children from harm | <input type="checkbox"/> |

Please state the ground(s) for review (please read guidance note 1)

Thames Valley Police are calling for review of this licence due to the premise not upholding the prevention of crime and disorder and public safety objectives of the 2003 Licensing Act.

There are concerns that the premise is unable to effectively control and monitor its customers. The level of intoxication of its customers is unable to be monitored effectively by staff and this then results in disorder inside and outside of the premise. The door staff regularly fail to intervene early in order to prevent instances from escalating.

37% of the premises incidents involved some form of disorder and 19% involved assaults, with the majority of these incidents occurring after 1am.

Please provide as much information as possible to support the application
(please read guidance note 2)

Thames Valley Police have great concerns about the conduct of the premise and have tried many options in order to reduce the incidents. The premise tends to reduce its incidents when initial action plans and meetings are held but once this is effective and police reduce its focus the incidents again creep up. This is evidenced in Annex 3 G's timeline.

The incident spread sheet in Annex 1 shows all the incidents at the premise since the new Licence came into force in 2005. The last column on this sheet states whether the premise has been proactive or not in dealing with these incidents. Since 2005 the premise has been proactive in 79 incidents not proactive in 87 incidents and indifferent in 132. In the last year alone there have been 16 proactive incidents not proactive in 24 and 19 unknown. In Annex 6 you can see the comparisons to other premises in relation to incidents and proactivity. Thames Valley Police find this unacceptable for a licensed premise to have so many instances in which they are not being proactive and feel this is a contrary to the crime and disorder objective of the 2003 act.

On the 7th May this year a minor variation was sought by the premise following advice from Thames Valley Police this variation was to restrict the last entry time in the hope that this would help the premise monitor the levels of intoxication and disorder. We have found that this is not being strictly adhered to and officers are having to closely monitor the premise in order to ensure this is adhered to. There have been instances (shown in Annex 1) since this has been put into place where by door staff have stated that police are the reason that this is in place which then causes members of the public to accost officers and has created instances of disorder. This is seen as highly unprofessional when it is a condition on their licence and their responsibility to monitor it.

In a meeting in December 2011 it was discussed that the premise does not regularly attend pub watch meetings. It would be expected as a member of pub watch that the persons causing issues in the premise would be put forward to pub watch in order to take the stance that the rest of the town has in banning persons who cause disorder. This also shows poor management on the part of the premise as they are not utilising all the options available to them.

There recently has been issues with the premise using its radio this is evidenced in several meetings held over January this year where by the radio was not working then it was on the wrong channel and then there were complaints when it was not being monitored. Those ejected from other premises are being allowed entry and officers are having to monitor this rather than the premise taking responsibility

Thames Valley Police feel that due to previous interventions that have been put into place that have not eradicated the issues the only option now open to us is to recommend revocation of the premise licence.

GEE'S.
DEANS COURT, MARKET SQUARE
BICESTER.

Following a lengthy and protracted negotiations an agreement over conditions has been established with Mr George Smith owner of the above establishment.

It should be noted the length of the negotiations was due to difficulties in getting all the interested parties together. All parties have shown a constructive attitude in the resolution of the concerns raised.

The agreed conditions are;

Hours of business as requested. Thursday, Friday and Saturday will normally be an 0300 hrs finish. If the applicant requires an 0400 hrs finish, he has agreed to provide the police with 28 days notice. He will include the requirements in condition CD15.

In addition to the above Mr Smith has agreed to a time of last entry of 0100 hrs. This is a responsible move which will prevent a late rush to the premises.

CD5	No persons under 18 shall be admitted to, or allowed to remain on the premises between 18:00hrs and 06:00hrs.
CD9	All staff shall be suitably trained in the operating procedures for refusing service to any person who is drunk or is under age or appears to be under age.
CD10 It is hoped that the Premises Daily register will be supplied.	A Premises Daily Register shall be kept at the premise. This register will be maintained and kept for a minimum of 12 months. This register should record the person in a position of responsibility for the premise. The Premises Daily Register shall record all calls made to the premises where there is a complaint made by a resident or neighbour of noise, nuisance or anti social behaviour by persons attending or leaving the premises. This shall record the details of the caller, the time and date of the call and the time and date of the incident relating to the call and any actions taken to deal with the call. The Premises Daily Register will be readily available for inspection by an Authorised Person throughout the trading hours of the premises.
CD11	All licensable activities shall stop at the terminal hour and the premises shall be cleared of customers and closed 30 minutes after the conclusion of the last licensable activity.
CD12	The Licence Holder or Designated Premises Supervisor shall become actively involved in the Pubwatch scheme and a representative shall attend Pubwatch meetings. Note: In areas where there is no Pubwatch schemes Designated Premises

	Supervisors should give consideration to establishing such a scheme
CD14	The Premise shall adopt their company policy to promote responsible drinking and shall detail the criteria of any such policy.
CD15	<p>On occasions that you make use of additional hours to cover special occasions, Thames Valley Police shall be given no less than ten working days written notification of the special occasion or event. This shall be in a set format detailing;</p> <p style="text-align: right;">28 DAYS</p> <ul style="list-style-type: none"> • The nature of the event and brief details of how the event will be run if not covered by the general Operating Schedule. • The date, the commencement and conclusion time of the event. • Expected numbers attending. • The name of the premises and the name of the Designated Premises Supervisor for the duration of the event. • The number of occasions used and the total number of occasions permitted at the premise each year, e.g. occasion 7 of 15 permitted.
CD28	All members of staff at the premises shall seek "credible photographic proof of age evidence" from any person who appears to be under the age of 18 years and who is seeking access to the premises or is seeking to purchase or consume alcohol on the premises. Such credible evidence, which shall include a photograph of the customer, will either be a passport, photographic driving licence, or Proof of Age card carrying a "PASS" logo.
CD29	Prominent clear notices shall be displayed at the point of entry to the premises and in a suitable location at any points of sale, advising customers that they may be asked to produce evidence of their age.
CD31	Prominent, clear notices shall be displayed outside every public entrance stating the actual operating hours of the premises.
CD36	A CCTV system shall be installed or the existing system maintained which is fit for the purpose. The system will incorporate a camera covering each of the entrance doors and capable of providing an image which is regarded as 'identification standard.'
CD38	The CCTV system shall incorporate a recording facility which shall be retained and stored in a suitable and secure manner for a minimum of one calendar month. A system shall be in place to maintain the integrity of the recorded image and a complete audit trail maintained. The system will comply with the Data Protection Act 1998 and all signs as required will be clearly displayed. The system will be maintained and fully operational throughout the hours that the premises are open for any licensable activity. For premises using a video recording systems, to maintain the quality of the recorded image the cassette tape shall be used on no more than 12 occasions.
CD40	The CCTV system must be notified to the Office of the Information Commissioner, www.informationcommissioner.gov.uk
CD41	The positions of all CCTV cameras shall be clearly shown on the deposited plans and any alteration to the system should only be carried out after consultation with Thames Valley Police and the Licensing Authority.
CD45	When providing regulated entertainment, at all times that the entertainment is taking place there shall be, a qualified first aid person, trained to a nationally recognised high standard, on the premises and

	easily identifiable. There shall be an adequate and appropriate supply of first aid equipment readily available at the premises.
CD49 It is hoped that the Premises Daily register will be supplied	All Door Supervisors shall enter their full details in the Premises Daily Register at the commencement of work. This shall record their full name, home address and contact telephone number, the Door Supervisors registration number, the time they commenced and concluded working. If the Door Supervisor was supplied by an agency, details of that agency will also be recorded which shall include the name of the agency, the registered business address and a contact telephone number. The Premises Daily Register will record all incidents in relation to the use of any force by staff or Door Supervisors in the removal of persons from the premises. It shall record the time and date of the occurrence, name or brief description of the person removed, and the details of all the staff or Door Supervisors involved.
CD53	All members of staff at the premises shall seek "credible photographic proof of age evidence" from any person who appears to be under the age of 18 years and who is seeking to purchase alcohol. Such credible evidence, which shall include a photograph of the customer, will either be a passport, photographic driving licence, or Proof of Age card carrying a "PASS" logo. All occasions when persons have been refused service shall be recorded in writing.
CD63	The approved activities shall take place only in the areas designated by the Licensing Authority and the approved access to the dressing room(s) shall be maintained whilst striptease entertainment is taking place and immediately thereafter
CD64	[Striptease, lap dancing pole-dancing or table-side dancing] shall be permitted at the premises between the hours of [hh.mm] and [hh.mm] on [day(s)].
CD65	No displays shall be permitted, outside or in the vicinity of the premises, of any descriptions, photographs or other images that indicates that [striptease, lap dancing, pole-dancing or table-side dancing] takes place on the premises.
CD66	No audience participation shall be permitted
CD67	Whilst striptease that [striptease, lap dancing, pole-dancing or table-side dancing] are taking place no person under the age of 18 shall be on the licensed premises and a clear notice shall be displayed at the entrance to the premises in a prominent position so it can be easily read by persons entering the premises in the following terms: "NO PERSON UNDER 18 WILL BE ADMITTED"
CD68	Performers shall be aged not less than 18.
CD79	Arrangements shall be put in place to restrict access to the dressing room at all times when the pole-dancing and/or table-side dancing is taking place, and until such time as all performers have vacated it.
CD70	There shall be no physical contact between customers and the dancers except for the placing of money or tokens in a garter or into the hands of

	the dancer at the beginning or conclusion of a performance.
CD71	There shall be no physical contact between dancers whilst performing.
CD72	CCTV shall be installed to cover all areas where dancing will take place in addition to the front entrance and [location]. All cameras shall be continually record whilst the premises are open to the public and the video recordings shall be kept available for a minimum of 28 days with the date and time stamping. Tape recordings shall be made available to an Authorised Person of the Licensing Authority or Thames Valley Police together with facilities for viewing. The recordings for the proceeding two events shall be made available immediately on request, and recordings outside this period shall be made available within 24 hours.
PN24	The Designated Premises Supervisor or a nominated representative shall receive and respond to complaints throughout the duration of all noisy events.
PN28	All queuing outside the premises shall be managed in such a way that prevents noisy or rowdy behaviour and therefore minimises disturbance or nuisance to neighbours.
PN29	The premises shall have a written dispersal procedure designed to make the maximum contribution immediately before premises close, and directly thereafter, by exercising pro-active measures, to move customers from the premises and the immediate vicinity in such a way as to cause minimum disturbance or nuisance to neighbours, both residential and business, and to make the minimum impact upon the neighbourhood in relation to potential nuisance, antisocial behaviour, crime and disorder.
CD73	Whilst dancing takes place not less than [5 five] registered Door Supervisors shall be on duty on the premises.

These conditions and those included in the operating schedule have all been agreed with the applicant and in consultation with the local Police.

LICENSING SUB-COMMITTEE

A record of proceedings of the Licensing Sub-Committee held at Bodicote House, Bodicote, Banbury on 7 July 2005 at 10.00 am.

Membership of Sub-Committee (All members present) – Councillors Mrs Stratford (Chairman), Bhart and Wyse

Officers:	M Dudfield (Solicitor)	} Advising the } Sub-Committee
	S Lodge (Democratic Services Officer)	
	C Baynes (Head of Corporate Services)	} Representing the } } Licensing Authority }
	J Smith (Electoral and Licensing Services Manager)	
	N Barnes (Senior Licensing Officer)	

1. MINUTES

The minutes of the meeting of the Sub-Committee held on 7 June 2005 were approved as a correct record.

2. DECLARATIONS OF INTEREST

There were no declarations of interest.

3. LICENSING HEARINGS PROCEDURE

The hearings were undertaken in accordance with the agreed licensing hearing procedure.

4. APPEAL HEARING – ADMIRAL HOLLAND, WOODGREEN AVENUE, BANBURY

Present at hearing:	Mrs L Luffman	-	Licensee of the Admiral Holland
	Mr Dixon	-	Counsel for the Applicant
	PC K M Small	-	Thames Valley Police – Responsible Authority
	R Lowther	-	Environmental Protection Manager, Cherwell District Council – Responsible Authority

The Head of Corporate Services outlined the application which set out:-

- (i) outline of application and details of variation sought to the premises licence under the Licensing Act 2003;
- (ii) details submitted by the applicant which set out support for the promotion of the full licensing objectives, ie, (a) prevention of crime and disorder; (b) public safety; (c) the prevention of public nuisance; and (d) the protection of children from harm;
- (iii) representations received from the Police and the Head of Environmental Services as responsible authorities.

Counsel for the applicant indicated that the proposed variation was to extend the licence for the sale of alcohol, hot drinks/food and entertainment from 11.00 am to 11.00 pm, to 10.00 am to 12 midnight with 30 minutes being allowed for the clearance of customers. They indicated that following discussions with the Police

and Head of Environmental Services conditions had now been agreed that were acceptable both to the licensee and the responsible authorities.

The Police confirmed that subject to conditions they had no object to the variation of the licence and had agreed to delete conditions relating to CCTV as this equipment had never been installed, although this had been shown on the application form as existing.

The Head of Environmental Services confirmed that subject to conditions they had no objection to the variation of the licence and accepted a condition that the garden and outside drinking area could be used by customers until 11.30 pm.

The Sub-Committee then retired to seek the advice of the legal representative. Upon the return of the Sub-Committee it was;

RESOLVED that the variation to the existing premises licence be agreed, subject to the additional conditions agreed between the applicant and the Police and Head of Environmental Services.

Reason: the applicant and the two responsible authorities making representations have agreed conditions to meet those representations.

5. **APPEAL HEARING – G'S, DEANS COURT, MARKET SQUARE, BICESTER**

Present at hearing:

G Smith	Licensee of G's Wine Bar
P Butterfield – Herbert Mallon and Gowers	Solicitor for the Applicant
Ms K Waechtler	Assisting Mr Butterfield
P C K M Small	Thames Valley Police - Responsible Authority
R Lowther	Environmental Protection Manager, Cherwell District Council - Responsible Authority
J Bone	Interested party making representations

The Head of Corporate Services outlined the application which set out:-

- (i) outline of application and details of variations of premises licensed under the Licensing Act 2003;
- (ii) details submitted by the applicant which set out support for the promotion of the full licensing objectives, ie, (a) prevention of crime and disorder; (b) public safety; (c) the prevention of public nuisance; and (d) the protection of children from harm;
- (iii) representations received from the police and the Head of Environmental Services as responsible authorities and representations from Mr J Bone, an interested party.

The application submitted set out variations to the premises license which were summarised as follows:-

- (i) persons to be admitted who were aged 18 and above upon production of evidence of age and identity in the form only of passport or driving licence;
- (ii) hours of licensable activities to be extended on Mondays, Tuesdays and Wednesdays to 2.00 am and on Thursdays, Fridays and Saturdays to 4.00 am

- and on Sundays to 1.00 am except when the Sunday is followed by a bank holiday when the extensions shall be to 4.00 am;
- (iii) last admission to be one hour before licensable activities ceases; and
 - (iv) provision of dancing entertainment.

Mr Butterfield the solicitor for the applicant indicated that following discussions with the Police and the Head of Environmental Services conditions have now been agreed they were acceptable to both the applicant and the responsible authorities.

Mr Butterfield addressed the Sub-Committee on the objections made by Mr Bone.

Police confirmed that they had now agreed to conditions which:-

- (i) extended licensable activities on Thursdays, Fridays and Saturdays and on Sundays which were followed by a bank holiday Monday to 3.00 am and not 4.00 am as originally requested. On eight occasions a year an extension of licensable activities would be agreed until 4.00 am provided in each case 28 days notice was given to the Police;
- (ii) restricted admission after 1.00 am;
- (iii) required persons aged 18 and above to be admitted to the premises in accordance with CD28 of the pool of conditions

The Head of Environmental Services confirmed that he had agreed to erotic dances being undertaken on one night per week subject to the following condition:-

"No regulated entertainment involving erotic dancing shall take place until a detailed operating schedule describing how the activities shall comply with relevant conditions with the Council's pool of conditions has been submitted in writing for approval by the Licensing Authority. The activity shall be carried out in accordance with the approved operating schedule."

The Head of Environmental Services stated that in the event of the applicant not agreeing to the conditions set out by the Licensing Authority this would be referred to the Sub-Committee for determination.

Mr Bone, speaking as an interested party, indicated the problems that he suffered as a local resident and his concerns regarding the likely exacerbation of that situation by an extension in operating hours.

The Sub-Committee then retired to consider the application. Upon the return of the Sub-Committee it was

RESOLVED that the variation to the premises licence now requested be agreed, subject to additional conditions indicated to the Sub-Committee by the Police and the Head of Environmental Services.

Reason: the Sub-Committee is not satisfied from the evidence it has heard, that the hours sought should not be granted.

6. END OF PROCEEDINGS

The proceedings ended at 11.05 am.

Actions Points from the meeting on Friday 25th January
To be resolved by George Smith

Present: Natasha Barnes, Alex Bloomfield and George Smith

Points raised	Issue	Action	By Whom	Date
Door staff behaviour	Door supervisor's handling of customers.	Alleged named door supervisor has been given notice and will not be employed at G'S. Suggestion of TVP speaking to door supervisors will be instigated.	George Smith TVP	February 08 By end of February 08
Hurricane Security	3 door supervisors on duty at alleged incident.	Letter will be sent to Hurricane Security terminating employment of the 3 door supervisors in question.	George Smith	By end of February 08
Displaying SIA Badges	Badges not always on display.	All door supervisors will be informed that SIA Badges must be worn at all times. Door supervisors will sign agreement to wear badges. Full names will be in signing in book not nicknames.	George Smith George Smith/HS George Smith/HS	February 08 February 08 February 08
Incident Book	Recording incidents.	Induction will be implemented for all door/bar staff on how to log incidents when they are on shift. (see attached Induction of staff).	George Smith	February 08

	Staff not signing in at commencement of shift.	Induction will be implemented for all door/bar staff on what is required when working a shift. (see attached Induction of staff).	George Smith	February 08
Refusal Log	Logging of all Refusals	This will be part of the above Induction.	George Smith	February 08
Under Age Drinking	Presentation of fake IDs by customers	Door staff will be more thorough when checking IDs. Use of UV light will be used to identify false ID. Door staff will confiscate false ID and person carrying false ID will be refused entrance.	All Door staff.	February 08
		G'S will be adopting Think 21 Campaign as from 1 st February 2008.	All staff (bar/door)	February 08
		Bar staff will be trained so that they can identify customers who look under the age of 18.	George Smith	February 08
Staff Training	Update training	Bar staff will receive training on identifying customers who are too drunk to be served.	George Smith	February 08

time 6-8 wks. — incidents

We will

come back

Dear Alex

Please find attached the Induction Pack and revised points as requested.

Re your suggestion of having a visit from the TVP, I have on several occasions asked for this before, the reason given was that the machine was broken and I have not heard anything since. May be this is something that you could help me with.

George

Subject: action plan

Dear George,

Further to our conversation and off the back of a phone call with Natasha from Cherwell district council today, I just want to reiterate our positions so all parties know where they stand.

I require from you a revised action plan that covers in detail steps on how you intend to tackle the issues discussed in the meeting we held at G's on the 25th of January, as the action plan submitted previously (see attached) was not detailed enough.

I would also like any training package for staff and doors staff to be copied to both Thames Valley Police and Cherwell District Council for approval.

I am concerned that you decided to stick with Hurricane security but was relieved to hear that the named door supervisor involved in the vicious attack has been removed. Needless to say I have contacted SIA to investigate this matter. I am still worried about the decision to keep the other three doors staff on.

I feel, despite them saying they were aiding an officer the use of force/attack by the door staff was completely disproportionate to the report made by the officer and urge you to arrange replacements as this incident may very well occur again if they are going to be that 'hot headed'.

I feel I must be blunt with you I will require this to be done by Friday the 15th of February (next Friday) as the nature of the incidents that have drawn your premises to the attention of this office are very serious and it is now two weeks since our meeting and I still do not have a action plan of sufficient merit to show to my Inspector to demonstrate to him that you are cooperating with us in resolving these issues. I also urge you (as above) to reconsider the door staff issue as for us this is of key importance and affect how the TVP proceed from here with regard to your licence.

There are a number of initiatives that the Thames Valley Police are willing to offer such as having our drugs detection machine (itemiser) out for the evening on your door as a condition of entry, which would be a good publicity opportunity for you in the local press and would help to reassure us that your are sincere in trying to deter the more anti social elements of the Bicester area from your site and thus helping to prevent other associated anti social issues such as the fighting in market square which has been linked to G's.

Should you require any further help please do not hesitate to get in touch with either myself or Natasha at Cherwell D.C

Regards

Alex

To The Licensing Officer C.D.C

Dear Natasha

As per our discussion with the DPS (George Smith) of G's Wine Bar, Dean's Court Sheep Street The following probationary period has been agreed of 8 weeks commencing on from the 12th of March 2008 and terminating on 7th May 2008.

After such time (provided there have been no major incidents of concern) then G's will come off the final warning.

As part of this agreement TVP will carry out regular inspections at various times of the day and feed back to the D.P.S any reports either of a positive or negative nature

Dear Mr Smith

I am Laura Morris and I am one of the new licensing officers with Thames Valley Police based at St Aldates. Who along with Alex Bloomfield will be dealing with your premises.

It has been brought to our attention that over a period of 4 weeks there has been four assaults at or outside your premises in Deans Court in Bicester. We are very concerned about this and would like to arrange a meeting with you at your premises on the 24th Sept at 11.00 am to discuss this matter further. The aim of this meeting is to resolve the issue and to prevent further instances from occurring.

Claire Bold from Cherwell district council, PC Nicki Entwistle Thames Valley Police, Alex Bloomfield and myself from Licensing will be present on the day and look forward to meeting with you.

Dear Mr Smith,

On 24th September 2008, I visited your premises accompanied by PC Nicki Entwhistle, PC Vicki Lees, Tony Hodgson of Cherwell district council and Alex Bloomfield TVP licensing. The purpose of our visit was to highlight that certain issues seem to be occurring on a more regular basis and we would like to work with you to prevent this before it escalates.

During the meeting the following suggestions were made to you, in an effort to protect your premises licence from coming under scrutiny:

- **Put more detail in your incident book. We need times, descriptions, who called the police, which officers attended etc.**
- **Call the police if an incident occurs and get a URN number and record it in your incident book. Use 999's if occurring at that moment and urgent assistance is needed, use 0845 8505 505 if you need to log it for our information.**
- **Consider how you are ejecting your customers. Stagger the ejections try to head them in different directions.**
- **Vaseline to be used on all appropriate surfaces in all toilets to prevent drug taking. Try to keep it down all the time; if cleaning old Vaseline off, replace it immediately.**
- **Ensure that if anyone from Police or council visit your premises that they are signing your book and that all is in order.**

Hopefully this will help to prevent any further incidents from occurring or if anything does occur it will be handled in an appropriate manner that does not affect your licence. This letter has been issued as an initial warning, to show the seriousness of the anti social behaviour that has been occurring as a result of your premises.

If you have any queries in relation to the matters I have raised or wish to discuss your options in more details, please do not hesitate to contact me on 01865 266109

Yours Sincerely

Laura Morris

Youth Nights

To remove condition:

No Persons under the age of 18 even if accompanied to be admitted after 18:00 hours.

CD5	No persons under 18 shall be admitted to or allowed to remain on the premises between 18:00 and 06:00 hours
-----	---

To add condition:

No persons under the age of 18 even if accompanied to be admitted after 18:00 hours unless it is 1 of 12 youth events in which the agreed Thames Valley Police policy must be adhered to.

Thames Valley Police Agreed Youth Policy

The venue may hold 12 youth events per calendar year giving the Police and Licensing Authority 14 days notice and subject to approval of both authorities.

The venue will ensure that:

Those attending youth nights are 13 to 17 years old.

Only soft drinks are on sale in any area which is used for youth events

No alcohol branding is displayed

All cigarette and gaming machines that are in the youth area are switched off and turned around for the duration of the event

There must be at least 4 door staff attending this event at least one of which must be female and all of which must be SIA registered

All youths entering the premises must be search prior to entry. The searches are primarily undertaken to prevent weapons, alcohol, cigarettes and illegal substances being brought into the venue. Any person that refuses to be searched will not be permitted to attend the event.

These events will be ticket only events and no tickets will be sold on the door and all conditions of entry will be clearly stated on the ticket

The Front of the premises must be swept of all glass prior to the event beginning

When issuing tickets parental consent and contact details must be taken and put onto the guest list to prevent tickets being brought on behalf of others.

The event will run no later than 23.00 hours

A Member of door staff must be present at the pick up point from 22.30 until all have dispersed.

A telephone must be made readily available for youths to call their parents should such a situation arise.

Dear George

RE: Meeting held 20th May 2010

G's, Bicester

It has been agreed at this meeting that in order to combat against the number of incidents occurring at your premise that you are going to implement the following.

- CCTV – recovery of CCTV has been an issue due to an upgrade of the system being carried out and teething problems from this. This has now been rectified and will now download straight to disc. If an issue does occur in the future the licensing department will be notified with an approximate date for it to be fixed. It was suggested that another person is to be trained on how the system works so that if George is not there to download footage then evidence will still be available to be seen and copied. It was stated at the meeting that CCTV recording is now only kept for 24 days I must reiterate that this is a breach of licence as your licence condition states it will be kept for a minimum of 28 days.
- The night net radio is to be carried at all times that the premise is open. This is to ensure that all messages from other premises are heard and noted.
- There have been occasions when door staff and staff should have been more vigilant with letting those who are drunk into the premise and also letting people leave the premise with glasses/bottles.
- It was also suggested that the smoking area be made more contained so to prevent disorder with those in the queue and prevent objects being passed over to those who are already in the premise.
- Those persons who do leave the premise must be researched/assessed when re-entering the premise.
- Any major incidents or issues the premise will report to the licensing team via phone or email at the next available opportunity so that both sides of the incident are recorded for the file.

Should you have any issues or concerns please feel free to contact me.

Yours sincerely

24th May 2010

Dear Sir,

G's , Bicester Premises Licence Number PRM0318

On the evening of 21st May 2010, a Test Purchasing Operation was carried out by Thames Valley Police, in Bicester.

Unfortunately your premises failed the test, and alcohol was served to two young females, aged fifteen years. Two bottles of WKD blue were sold by a member of bar staff.

It is an offence under the Licensing Act 2003, sections 146 – 147, to sell or allow the sale of alcohol to anyone under the age of eighteen years. The penalty for this can be up to £5000 fine.

The offence committed on the evening of 21st May was dealt with via a Fixed Penalty notice of £80 to the person who made the sale. At this time, the Police will not seek a prosecution against the Designated Premises Supervisor (DPS), George Smith. However, the Licensing Authority at Cherwell District Council will be informed of the offence.

As this is the first occasion that the premises have failed a Test Purchase, it can now be seen that this is an initial warning, and that any future failures will be met with a more robust response. This will in the form of an Application to Review the License and/or a prosecution under the Licensing Act 2003.

If you have any questions or comments about the Operation, please contact the Thames Valley Police Licensing Office.

Yours sincerely

Laura Morris

Sir,

For information. The two incidents we had copied onto USB memory stick from Gee's have now come back from TSU and they state that they will not play on PC. As it is overwritten within 28 days of the incident, we have now lost evidence for both offences.

This is a pointless waste of our time and resources and will be losing us detections. I know they have a condition to have the CCTV working and playing back but to not be able to copy it to a working and usable media is useless. Can we get someone appointed to liaise with George to either get it sorted or recommend he replaces his system?

Many thanks,
Nat

Sir,

Just in response to this, somebody off my shift recently got CCTV from G's toilets. The camera clearly covers the toilet and urinal, which I think is a bit dodgy. I looked on Google and it would appear that you can have cameras in a toilet but not overlooking toilets or urinals. It might be something to bear in mind next time you see him, or when you go to the toilet in your weekly visit to G's!

Many thanks

Paul

Subject :

Licensing meeting with George Smith from G's, wine bar.

On Wednesday 16th November 2011 Mr George Smith licence and owner of G's wine bar was invited into the police station to discuss recent issues the police had been involved in concerning his establishment.

Inspector Hibbert discussed the issue of a 16 year old using false ID to gain entry into his premise whilst drunk. The youth was then identified by a family member and was asked to show her ID again to door staff this time with a UV light confirming that the ID was fake. The underage female was then asked to leave and in doing so punched a customer. Mr Smith tried to make the point that it was good ID and hard to tell the difference. PS Entwistle highlighted the fact that if door staff had used the UV light on the initial entry the 16 year old would not have been granted permission to enter in the first place. Mr Smith was advised to use the UV light on everyone who enters his premise in order to stop incidents like this happening again. It was explained that this should be a condition of entry. Mr Smith appeared to accept this view.

Inspector Hibbert highlighted the fact that the police had several incidents relating to G's involving disorder. Inspector Hibbert informed Mr Smith that the police were considering taking his premise to a licensing panel for review, due to these incidents and offered a way of tackling this issue.

Inspector Hibbert discussed with Mr Smith other licensing conditions of entry, and suggested that Mr Smith Shuts his doors at 0100hrs to customers therefore trying to stop customers entering his premise late on in the evening who are already intoxicated from other establishments within the town centre.

Mr Smith felt that his business would go under if this condition was imposed on him, and thought he could try it at 0200hrs. Inspector Hibbert and Sergeant Entwistle explained that by imposing this condition could benefit his business as he would have customers who wanted to be at his premise and knowing they had to be in before 0100hrs, would therefore spend more money, and not just getting in to get last orders, which is what is happening now.

Inspector Hibbert explained that Mr Smith has a duty of care to his customers on leaving his premise. The police were experiencing several disorders by persons who had recently left G's premise. Mr Smith accepted what was being said but felt he does try and reduce trouble outside his premise. Mr Smith explained an incident whereby he saw a male on the floor who was intoxicated. He was not going to allow him into his premise and instead drove him home.

Inspector Hibbert proposed that Mr Smith trialled the condition of entry to his premise to stop allowing customers in after 0100hrs for a period of a month starting on 1st December. This would then show the review panel that is trying to work alongside the police in reducing crime and disorder as pr his licence. Mr Smith felt 0100hrs was too early and his business would not be able to survive.

Mr Smith agreed to initially shut his doors at 0130hrs for 1-2 weeks and then promote the new times and then reduce again to 0100hrs for the rest of the month.

Inspector Hibbert explained after the trail period we would have another meeting to discuss how it went.

Subject: RE GEE'S NIGHTCLUB BICESTER

Importance: High
Dear all

Following a meeting between myself, Sgt Nicki Entwistle and Mr George SMITH; licensee of GEE's nightclub; in relation to the problems caused by the opening hours policy the club runs we have agreed the following:

As from the 1st December the nightclub will close its doors to new entrants at **0130 hrs on a Friday, and 0200 hrs on a Saturday. At closing time any that are in the queue can enter but a member of the door staff will go to the end and stop new people joining it.** Mr Smith has done this voluntarily and if he decides to change it back again he can do, that is up to him, HOWEVER if the doors do remain open, or the queue is allowed to keep forming then I want it recorded and fed back to PS Entwistle via Gen 40/ e-mail depending on the circumstances. This policy will be in place for the whole of December with a review in January 2012. The eventual aim will be for GEE's to close its doors to new entrants at 0100 hrs.

In an effort to support the club and crack down on disorder, officers on the town centre patrol are to make best use of Sect 27 notices early in the evening to identified individuals to get rid of potential trouble before it starts.

I want officers to be present in the area of the nightclub doors at 0130/0200 hrs to ensure compliance and any breaches to be challenged with the door staff/owner as to the reasons why entry is being allowed after the agreed time, and then fed back to PS Entwistle.

Officers are to wear bodycam when working, and checks made inside and outside the premises to monitor those who appear to be very drunk, yet still gain entry/ still get served. If inside please ensure you make the door staff aware of your concerns over an individual, and that in your professional opinion that the person is too drunk and should not be served further. If bodycam is not working then officers to take descriptions of those who are very drunk to match to suspects in any disorder in order to link them to the premises.

Officers are to carry the storenet radios while on patrol to ensure quick response to incidents at GEE's to support the door staff there.

Any incidents of disorder either at the premises or immediately outside, are to be recorded and details passed to PS Entwistle.

We want to help Mr Smith run his business in a way which will reduce disorder associated with the premises, and make it a safer environment for those attending, as well as lowering incidents of assault linked to drinking.

Many of the above actions will form part of OP JITTERBUG anyway, and will be part of the expected level of Policing.

LISA:

Can you do a slide for the Briefing system to stay on for two weeks please

Regards

Dave Hibbert
Inspector 5573

Subject: RE MEETING WITH MR GEORGE SMITH AND MR NICK WALTON (SOLICITOR)
Dear all,

Today I met with Mr Smith and his solicitor; Mr Nick Walton of Poppleston Allen; in relation to the voluntary agreement between Mr Smith and the Police re the last entry times for new entrants to 'G's' nightclub on a Friday and Saturday night.

Mr Smith again presented the financial implications to the conditions, and I went through the incidents that have so far occurred at the location, or close to it for 2011. We again discussed why the measures were needed; to reduce the incidents of late night disorder in or near his premises, involving the clientele of his establishment.

Mr Smith did try to bring in the number of incidents that occur at Yates wine bar, but his solicitor pointed out that it was not relevant to the issues being discussed. He also mentioned that his bar takings showed that there was not a mad rush to but a lot of drinks at the end of the night, but the between 0200-0245 it appeared an average of two drinks per person were bought.

Mr Walton confirmed that Yates wine bar had opening hours til 0300 hrs, so I agreed that last entry time would be at 0200 hrs both nights to NEW entrants, and I clarified that did not apply to those seeking re-entry with the appropriate stamp. Mr Smith stated they used a UV pen to mark a person's hand on entry, and this will need to be carefully monitored to ensure only genuine re-entrants are let in.

I again clarified that if a queue of people were present at 0200 hrs then a member of the door staff would go to the end of the queue to stop new people joining it.

I explained the new stance to be taken re the patrolling of the night time economy; OP Jitterbug; and again re-affirmed our commitment to stop potential drunk troublemakers from getting to his premises.

Mr Walton explained that Mr Smith would have liked an 0215 hrs cut off time, and was willing to use his security staff to 'marshall' the taxi rank and the area around the kebab van. I listened to the offer and thanked him for it but stuck at the 0200 hrs cut off time.

At the end of the meeting the agreement was for the doors to close at 0200 hrs to new entrants, starting from this weekend until the end of December, that Mr Walton would provide a dispersal plan to Mr Smith, that we would look to provide support in identifying and dealing with potential troublemakers by way of Sect 27 notices if appropriate. It was agreed that it was a voluntary agreement between the local police and Mr Smith and that he could revert back to his current opening policy if he felt business was suffering too much. However I also stated that if he did stop the trial then I would go to the licensing officers to have his licence reviewed.

We agreed to a mid trial review on the 21st December at 1100 hrs, where all parties involvement would be reviewed and discussed.

29th November 2011

Dear Chief Constable

I would like to express my concerns regarding a meeting that I had with one of your officers, Inspector David Hibbert, on 16th November 2011 held at Bicester Police station.

Inspector Hibbert invited me to meet with him to discuss the time that I should stop letting my customers in at G'S Bar and Nightclub on Friday and Saturday nights, as he felt that incidents happening in the town was related to people leaving my premises. Inspector Hibbert felt that when anyone was arrested in the Town Centre it was because my premises was the last place that they had visited.

Inspector Hibbert wanted me to close my doors at 01.00 am and this was something that I felt was detrimental to my business, as it is well documented that the licensing trade is going through difficult times in this present climate and my experience of 21 years has shown me that the bulk of my customers come to me between 01.45 am and 02.15 am due to the fact that I am competing against the multi-nationals such as Weatherspoon and Yeates. Over the years I have tried to get customers to come to me earlier but this has not worked and if I were to do as the Inspector is forcing me to do I will be out of business before the New Year.

During the meeting I felt bullied and the Inspector was trying to intimidate me by saying if I did not agree he would seek a review of my licence and impose the 01.00 am door closure time. I asked for reasons why I was being made to do this and was told that the Inspector felt that people who were arrested for a disturbance after 03.00 am had said that my premises were the last place they had been. In the last six months I have recorded in my Incident book 5 minor incidents so I am at a loss as to why the Inspector wants to put me out of business.

Over these long years I have built up a good relationship with the police and pride myself in helping the police at every given opportunity and I give my full support whenever I have been asked by the police.

My argument to the Inspector is why would shutting my doors at 01.00 am make a difference when I close at 3.00 am.

The Inspector has reluctantly agreed that I can close my doors at 01.30 am on a Friday and 2.00 am on a Saturday on a temporary basis because he wants to review it on 21st December 2011. I have gone along with this but I am not happy as it will have quite a significant impact on my business. Also from an unpractical viewpoint the Inspector is trying to impose a no entry or a re-entry to the premises, which will pose a problem, because it will mean that if a customer has a problem with their credit card and has to go to the cash

N/
1/2e notes
for C/A
cd to
no pad
my book
2/10/11

machine, they will not be allowed back in under the re-entry rule. In my opinion not being allowed back in would in itself create a problem.

Under the entry rule if I only have 30 people in the building by 01.30 am on a Friday I will not be allowed to let anyone else in even if there are people waiting outside, which would not be financially viable for me to stay open until 03.00 am. The whole basis of my business is that I am licensed to be open until 03.00 am, the same as Yeates.

I have sought legal advice as I believe this is grossly unfair. As a British Afro-Caribbean businessman in Bicester I am not saying that I am being singled out but I would like my case to be fairly dealt with because I feel there are no grounds for these conditions as I do not run a disorderly house and I make it my business to be a law abiding businessman and citizen.

Yours faithfully

George Smith

14 December 2011 Dear Mr Smith

I am in receipt of a letter dated 29 November. This has been passed to me by the Chief Constable's office to look into as the LPA Commander for Cherwell.

I am aware of the on-going discussions between yourself, Inspector Dave Hibbert and the Licensing Department. It is my understanding that the conditions that you have agreed to enter into are a consensual agreement that has been entered into after consultation with you all. These conditions were designed to reduce incidents of crime and disorder.

Should you wish to revert to your existing licensed hours that is a matter for yourself. I have deep concerns as to the volume and nature of incidents that have occurred in or around your premises during the recent months e.g.

16/7/11 problems with door staff struggling to contain a fight that spilled out onto the street, door staff were assaulted.

17/9/11 19 year old intoxicated female found naked in the premises toilets

15/10/11 large disorder of around 20 people started in alleyway of your premises, this then spread to Market Hill and the disorder increased to approximately 40-50 people who had all been in your premises.

30/10/11 dispute took place within your premises, suspect was removed and found to be only 16 this then led to an ABH as he punched a female in the face in the smoking area.

2/12/11 a very intoxicated female was let in by door staff after police said not to let her in.

3/12/11 male was found in toilets extremely drunk

10/12/11 under age female found in premises

Contd.....

It is my view that maintaining the conditions that you have agreed to enter into will reduce the repetition of incidents such as those listed above.

Whilst I recognise the current difficult trading conditions that are affecting many local businesses, I am sure you understand our priority has to be the maintenance of law and order and ensuring the reduction of crime within our communities.

Yours sincerely

Superintendent Andy Boyd

Bicester
OX26 6AA

Dear Mr Smith

REF Meeting held 21st December 2011 at Bicester Police Station

We met to discuss the impact that the voluntary agreement has had on the premise.

- 1st weekend that the premise allowed no entry after 2am it was quiet throughout town. The 2nd weekend the hours were relaxed slightly. The 3rd weekend the agreement was stopped completely.
- Letter to the Chief was spoken about and it was stated that G's was not being 'picked on' and that there were incidents at the premise that warranted the action that is being taken. These incidents were discussed.
- The Inspector stated that he felt that the agreement had not been given enough time in order to see that it worked.
- George stated that if he had run this agreement for the entire of December then there would be no business to discuss.
- George then gave figures for the weekends.
- 2nd Dec 51 inside 78 turned away
- 3rd Dec 116 Inside 89 turned away
- 9th Dec 56 inside 71 turned away
- 10th Dec 56 Inside 89 turned away
- 16th Dec 102 inside 28 turned away door closed at 2.15
- 17th Dec 179 inside 22 turned away door closed 2.15
- George stated that he had handed out flyers letting customers know that they can't get in after 2am and he had given most persons turned away flyers but the numbers were not improving.
- When looking at the incidents it was brought up that door staff were not checking ID properly as there were 2 incidents where 17 year olds were seen in the premise.
- It was discussed that door staff were not helping with disorder in the town by telling those who were not allowed in that it was the Police's fault. This then caused confrontation with Police.
- George brought up an incident that occurred 3-4 years ago involving an officer and cocaine that he feels was not dealt with properly by the Police and stated that it was not included in my spread sheet. The Inspector has requested that full details be given to him about this incident. I talked George through the Incident list and explained how I compiled it.
- The Inspector stated that reducing crime and disorder in the Cherwell area is coming from the LPA commander and is throughout the whole of Cherwell not just Bicester.
- George stated that over the years he has not relaxed anything and feels that it is the lack of Police at closing time that is the cause of the incidents. It was

stated that in Dec there has been an increase in officers in the town due to Op Jingle and that the incidents had increase not decreased at the premise.

- It was stated that George had a storenet radio at the premise and that when persons were ejected it would be beneficial to call it in via the radio so CCTV could monitor if these people were waiting to cause disorder in town. It also means that persons can be removed by officers before disorder can occur. George stated that he would make sure this was being done and add it to the door staff policy.
- George stated that by stopping entry at 2.15 it was more financially viable. He is going to provide CCTV from the 10th and the 17th Dec in order to see the difference in stopping entry at 2am and 2.15.

We are due to meet again on the 18th January 2012 at 11am in Bicester Police Station.

If you have any questions or for advice and information please feel free to contact the licensing department or your local neighbourhood team.

Yours sincerely

George Smith
G's
Bicester

Dear George,

Ref: Meeting held 20th Jan 14.00 Bicester Police Station

Those present Laura Morris, Insp Hibbert and George Smith.

- Abandoned the door policy before Christmas as the premise could not cope with the lack of profit.
- Has been stopping entry from 2.15 onwards.
- CCTV was to be provided from the 9th and 16th December. What was provided was from the 15th January and not the times when the door policy was in place. George stated that he had not had time over the Christmas period to sort this out.
- CCTV to be provided for the 23rd-24th, 30th-31st Dec and the 6th-7th, 13th-14th Jan. this is to be provided by 15.00 on the 23rd Jan.
- There had been one incident over the Christmas period but the Insp requested that door staff book was provided to see if there are incidents that do not correspond with the polices.
- The store net radio for G's has been reported as broken it is due to be fixed by the company but Police were not informed of this even though it was agreed that this should be more readily used at the last meeting. George stated that he thought the radio was not a Police matter so did not think to inform us. A spare radio has been given to George and it has been reiterated that all ejection are to be called in via the store net radio in order for Police to deal. George did state that he was unsure how long the radio has been broken but that it was broken before Christmas.
- Door staff policy from previous meeting to be submitted to the Police by 15.00 on the 23rd Jan.
- It was stated to George that it is not the amount of incidents at the premise that concerns us but how these incidents are dealt with.

The Inspector stated that his concerns were still

- That the premise was not using the radio
- That a door staff policy had not been put into place or submitted to police
- That he still thought that a no entry policy from 2am would improve crime and disorder.

This letter has been issued as a final warning to the premise and any further incidents of this nature will result in the premises facing a review of its licence.

If you have any questions or for advice and information please feel free to contact the licensing department or your local neighbourhood team.

Yours sincerely

Hello Kym

We have not received the G's radio in for repair. The last thing we have on their record was it was reported dead in July. Phil called there in September, he checked the problem and it was found to be operator error, not the radio. Since then nothing!

Do you want me to contact them or are you going to pop in?

Elaine

Hi Elaine

I was just wondering if you had the radio from Gee's returned for repair? I don't deal with Pubwatch, but understand that their radio has been broken for a while, and my Inspector has given them my spare radio in the meantime – I just want to make sure that they are doing something about it as I don't want them to think that my radio is a replacement.

Thanks

Kym

G's
Bicester

Dear George

REF meeting held 29th February 2012 at Bicester Police Station

- The doorstaff policy had a few suggestions for changes this has been provided.
- A minor variation is to be submitted by the 14th March 2012. This is to include a condition stating that there will be no new entry or re entry after 2.15am on fri and sat nights.
- The Inspector stated that he wanted to ensure that all persons at the premise are able to use the radio and that they are giving descriptions of persons they are ejecting.
- It was stated that this premise is currently on its second strike and that this would stay to ensure that the premise maintains the level of proactivity. We understand that incidents occur but that it is the premise responsibility to ensure that all matters are dealt with in an appropriate manner.

If you have any questions or for advice and information please feel free to contact the licensing department or your local neighbourhood team.

Dear Sir/Madam,

**Licensing Act 2003 – Minor Variation of Premises Licence Application
G's, Deans Court, Market Square, Bicester**

I acknowledge receipt of your application on behalf of your client for Minor Variation of the above Premises Licence and can confirm that the application has been granted. I am currently in the process of issuing the licence and will endeavour to send it as soon as possible, therefore please keep this letter in a safe place, as it should be produced upon request as evidence of the licence until you are in receipt of the licence document.

Thames Valley Police and other enforcing agencies are aware that your licence is in the process of being issued and will accept this letter as evidence that you have a licence.

In the meantime, if you have any queries regarding this matter please do not hesitate to contact a member of the Licensing Team on 01295 753744.

Yours faithfully,

Alexandria Gilbert

Laura

I will be out in Bicester this weekend and so if i could have a copy of the reports that Aiden's team submitted that would be really useful.

If you could also let me have the full licensing spec. for Gees then i can go in fully armed.

Aidan – Thanks for your contribution to the Jitterbug operation. It is this type of positive policing that will help to reduce drunkenness in the town centre. I will follow it up this weekend with a visit to the premise.

Aidan

This is ideal, and just what was needed. I will speak to Laura Morris the licensing officer and we will look at the next stage for GEE's, he has had enough chances.

Really good effort on your part, what was the name of the SC who was assaulted?

Thanks again really good positive intervention

Subject: RE: TASKING DOCUMENT FOR THE JUBILEE WEEKEND- Feedback
 Hi Becks,

With regard to the weekend I understand you wanted some feedback for DMM; I have the following from the Bicester end.

Over Thurs / Fri / Sat we did Jitterbug patrol and we also dealt with some issues at G's and the [REDACTED]. Officers issued 13 S27 notices, the bulk on Saturday night.

Having emphasised the need for early intervention it was not always necessary to issue a PND to accompany them, the S27 notice serving its purpose well. 3 PNDs issued and several arrests for Public Order / D&D / Assault. A special constable was assaulted on Saturday night at the Taxi rank but not seriously hurt. The rain definitely played its part in keeping things manageable.

5 Gen40as were submitted by my team (two by me)- all for "G's". I Policed that particular premise extremely positively this weekend. From 0130hrs on I made sure I was at its door. I've had to challenge the door staff for allowing obviously intoxicated people to enter, for failing to monitor the store net radio- and thereby allowing people previously turned away from Yates to enter. Also on two occasions for not displaying their SIA armbands. There are numerous other matters recorded on the Gen40as. It was apparent that George the licensee did not welcome the attention and was asking Officers who I was.

By tonight he'd clearly had enough and decided to confront me. He's feeling financial pressures and repeated this several times. He states that he's being victimised by TVP, that over the last 6 months he's felt this, and that he is writing to the Chief. I made it clear to him that the ineffectiveness of his staff, his relaxed attitude to licensing law and the regular disorder caused by his clientele was the reason for the attention. I was able to list all the incidents directly related to his premise that weekend and combined with my observations of his staffs weak performance he had nothing argue about. He clearly hoped to intimidate me and when he realised he couldn't he calmed down. He says he will pay more attention to the door policy and instruct his staff accordingly. I warned him that I was submitting several licensing reports and his attitude was one of indifference. I don't think he likes me very much.

In summary then, a decent amount of S27s and disposals (When you consider the rain), the only problems being caused by G's. My shift ensured they covered the taskings when possible, both our curfew checks were breached.

Regards

Aidan Donohoe

All,

Please find attached the Tasking Document for the bank holiday weekend.

Actions have been set for the Duty Sergeants and Rural Neighbourhood for over the weekend.

Please can you ensure that the actions are completed and are updated to the early turn Duty Sgt for Wednesday morning in order that they can provide feedback at the morning

meeting as I am on leave.

Many Thanks

Becks
