Dear Sir / Madam

Notice of variation to Hackney Carriage Vehicle Tariff

Thank you for your letter dated 16 November 2012 regarding the changes to the hackney carriage fare tariffs. The Bicester taxi drivers have discussed this matter together with some of the Banbury taxi drivers. We agree with the day tariff increase however we feel there should also have been an increase to the tariff per mile at night.

The proposed tariffs in your letter do not give the night time drivers any substantial increase when this is the busiest time and involves unsociable working hours. We would like to request for a night tariff (Tariff 2) increase from 12p to 13p for each subsequent one sixteenth of a mile. This also applies to the Sunday and Public Bank Holiday tariff (Tariff 4) which has also remained at 12p per your notice with no increase. We would request an increase from 12p to 13p for this as well.

Please consider our request in your final decision. Please see overleaf for taxi drivers supporting this request. Please can all correspondence be sent to **Mr Sohan Lal, 104 Hazel Crescent, Kidlington, Oxford, OX5 1EL.**

Yours faithfully

Mohammad Azam
Senior vice chairman (Bicester) of North Oxfordshire Hackney Association

Spokesman for Bicester taxi drivers
