### What organisations are your partners in delivery and how?

Sole Mates Basic Footcare Scheme  
Lead: Age Concern  
Cherwell District Council grant aids Age Concern Oxfordshire to support the Sole Mates scheme. The funding is used to provide training to the volunteers who deliver the basic footcare treatment programme. It also funds a footcare clinic in three different locations, which are delivered on the Health Bus every month.

### What are you achieving? What are the outcomes?

There are 387 Cherwell residents registered and receiving regular treatments, of these 206 receive their treatment on the Health Bus and the remainder in their own homes.  
Reduction in falls in the home, greater independence.

### What plans do you have to develop the service?

The scheme is booked to capacity and there is a waiting list for the service. Without additional funding the service cannot be developed further at the present time.

### What joint initiatives or other improvements would you like to see?

Reduced waiting lists.

Council: Cherwell District Council .....
