Oxfordshire Growth Board Work Programme

1 May to 30 June 2016

Published on 18 May 2016

Executive Work Programme and Notices required by the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

There is a legal requirement for local authorities to publish a notice setting out the key decisions that will be taken by the appropriate decision maker at least 28 clear days before such decisions are to be taken. This Work Programme sets out the executive decisions (including key decisions) which are intended to be taken by the Oxfordshire Growth Board. Whilst this document provides details of known decisions for the following month, where details of decisions to be made after this period are known, they are provided for information.

The plan also sets out where, if at all, it is anticipated that part of a meeting will be held in private. This is where confidential or exempt information (as defined in the constitution of the lead authority) is likely to be made known. Notice is hereby given that it may be necessary for part of a meeting to be held in private because it becomes apparent at the meeting that confidential or exempt information will otherwise be made known. Should this become apparent at the meeting the relevant part of the meeting will only be held in private upon the passing of a resolution which (where exempt information will be made known) describes the description of exempt information pursuant to Schedule 12A of the Local Government Act 1972.

The Work Programme will be updated and rolled forward on a bi-monthly basis. As this takes place, the programme will be adjusted and further decisions will be added or anticipated ones may be rescheduled or removed. A likely date of decision is shown, but it is possible that a decision may be rescheduled to a later month.
