<p>1) What has happened? Town-wide public consultation event held in March to understand the priorities and aspirations of the local community. Over 900 written responses were received and a summary of feedback has been produced. As a result the agreed next action was to undertake a 'you said, we did' exercise, drawing out the main things identified as important and setting how the council has/will respond to key issues. The 'you said' feedback element was first reported to the community at The Big Lunch on 12 June - this included a 'Top 5' list of what people like about Bicester and what they would like to see improved. The feedback is to be available on the Growing Bicester website. Bicester's retail offer and town centre was at the top of the improvements agenda and workshop discussions (facilitated by Economic Growth team and its consultants) between key CDC officers and external stakeholders have been programmed (26 May and 15 July) to devise a 'quick wins' action plan in response to the identified issues.</p>

1) What has happened? Overall there has been a relatively consistent performance from the 3 Leisure Centres within the District with Spiceball Leisure Centre marginally up on the same period last year and Kidlington and Bicester marginally down on the same period last year. North Oxfordshire Academy usage is significantly up as part of the Joint Use facilities as is the Cooper School Sports Facility with Woodgreen Leisure Centre marginally up on the same period last year										
2) Why has it happened? The partial withdrawal of school use by Bicester Community College has had a negative effect on throughputs at Bicester Leisure Centre with approximately 1,000 less registered users for June 2016 compared to the same period last year. Both North Oxfordshire Academy and Cooper Sports Facility registered an increase in throughputs, primarily due to well attended one off events including operatic performance, athletics events and school supported activities. Kidlington Leisure Centre has shown a decrease in numbers for the 2nd successive month. Initially this was identified as a reduction in 'Club' use however further interrogation into their usage will be required once this information is available										
3) What actions are we taking? CDC officers in partnership with the leisure operator will look at measures to increase usage particularly at Kidlington Leisure Centre and further identify the reasons for the decrease in usage numbers compared to last year.
