Throughout 2016-17, the results of the 'development pipeline' actively supported by CDC were seen to have created many hundreds of jobs on business parks, notably in Banbury.

The Council's Banbury Town Centre Vitality programme completed its third year, contributing to a reduction of the number of vacant retail units from 54 to 35. In Bicester, 15 small retail businesses received expert mentoring and training over 6 months to develop their products and services, with advice also being provided to establish an independent traders association.

Following a request from businesses, CDC's economic growth service commissioned a study to examine the feasibility of creating a Business Improvement District (BID) in central Banbury. 74% of businesses supported this which in February 2017 led CDC to commission the preparation of a business plan to be consulted upon during the spring/summer 2017, leading to a ballot in October. Meanwhile, a Shadow BID Board has been created and public meetings held to enable all town centre businesses to get involved.

The tourism or 'visitor economy' sector in Cherwell is worth over £378m per annum and supports over 6,700 jobs. CDC has become an ambassador member of Experience Oxfordshire to ensure that local businesses have access to expert advice and opportunities to develop their businesses. CDC also invests in the visitor information centres in Banbury and Bicester with the aim of spreading the benefits of tourism throughout the district.

1) What has happened?

- 1. 8 private rented homes were improved by means of CHEEP (energy-efficiency grants) during Quarter 4, making a total of 12 for the year as a whole. Interest in these grants has declined in recent years although we received a number of enquiries about them in the last quarter and expect more applications in the coming year prior the introduction of minimum energy-performance for private-rented accommodation in April 2018. The continued availability of CHEEP grants demonstrates our preparedness to help and support landlords and it is particularly valuable to be able to show that in cases where we ultimately have to enforce.
- 2. 3 private-rented properties were renovated by means of Landlord Home Improvement Grants in Quarter 4, making a total of 5 for the whole year, at a total cost to the Council of £34k. LHIGs are provided in return for nomination-rights and rents set at affordable levels. Fewer landlords have shown interest in these grants than in previous years, which is almost certainly a reflection of the growing difference between market rents and Local Housing Allowance rent levels. We have however approved a further 4 grants that we expect to conclude in the next quarter.
- 3. We have provided advice and information on a range of property and tenancy issues to 27 landlords, 10 Agents and 4 prospective landlords in Quarter 4. An increasing trend is for landlords and agents to contact us about the requirements associated with the setting-up of new houses in multiple-occupation.

quality financial and debt advice

for vulnerable residents

1) What has happened?

Over the past quarter there has not been any additional affordable extra care housing delivered, however negotiations and discussions have been progressed on schemes that will add to the pipeline of new older persons housing being delivered over the next few years, including a scheme on the new Bloor site west of Bretch Hill and retirement living units at South West Bicester.

Bromford are continuing to develop their extra care scheme in the centre of Banbury, which is scheduled to be complete in Autumn 2018 providing 78 new apartments for rent, shared ownership and sale, while the Council is continuing to negotiate on a number of different sites across the district to secure additional extra care housing as well as retirement living

accommodation including several schemes	in Bicester which will deliver affordable hous	ing as well as offering priva	ate accommodation	. There is als	so a retireme	nt living scho	eme in th	ne west		
of Banbury which will be started in the sum	nmer delivering 51 apartments for those over	r 55 years old with Sanctua	ry Housing being t	he provider. ⁻	There are cui	rrently a hea	Ithy prog	_j ramme		
f over 200 new extra care or retirement living units in the pipeline over the next 5 years.

CBP3.2 - Work with partners to

A new Debt and Money contract has successfully been procured this year and is due to start on 1st of April for two years. Cherwell has an option to extend the contract for an additional year at the end of the initial term if it wishes to continue with this new arrangement.

The contract has been awarded to Citizens Advice North Oxfordshire and South Northants and includes additional service requirements on top of those provided in the previous contract and includes providing Personal Budgeting support for claimants of Universal Credit and promotion of Credit Union affordable loans and savings opportunities.

Appendix 4 - All Measures: A Thriving Community

Now in their 8th year, Cherwell Job Clubs and Fairs have proven themselves to be extremely popular with job seekers and employers alike. During 2016-17, 1.089 local residents attended the events alongside approximately 100 employers and their agents.

The Banbury Job Fair on 2 March 2017 alone attracted 165 people seeking work or a change of career and feedback has been excellent. For the first time, Cherwell has a stand at the Milton Keynes Job Fair, drawing interest for Cherwell's employers from 202 job seekers over the weekend event in January.

For Manor F1, proactive assistance was provided to management and to employees facing redundancy.

Information on the new Apprenticeship Levy was provided to local employers in the Council's e-newsletter to businesses, with referrals being made to Oxfordshire Apprenticeships service.

1) What has happened? The Council continues to support the CPN in its consideration of local changes in the health and social care sector. This is particularly relevant since January when the OCCG commenced a

Appendix 4 - All Measures: A Thriving Community Actual Actual vs last Target vs last Objective Measure Frequency Period **YTD** period (YTD) (YTD) Year (bd) formal consultation to change and downgrade many services at the Horton General Hospital. Due to significant public concerns, the Council has submitted a robust response to the consultation process and has filed for a judicial review of its flawed and inadequate nature. 5) Excellent Performance A good outcome from the process would be for a single rather than split consultation process to be undertaken and proper consideration to be given to alternative service models to agree a viable alternative Horton General Hospital obstetric model as proposed by the Council as part of a new and positive vision for the hospital. CBP3.4.2 Enable the CBP3.4 - Work to provide and development of volunteer Delivering Delivering Delivering Delivering support health and wellbeing Quarterly transport schemes to support to plan to plan to plan to plan across the district. vulnerable residents 1) What has happened? A new grant aid arrangement has been entered into with Citizens Advice that promotes the development of the volunteer driver market and allows smaller schemes to receive some financial aid. This sustains the services to older and vulnerable residents. CBP3.4 - Work to provide and CBP3.4.3 With partners help Delivering Delivering Delivering Delivering support health and wellbeing improve lives of most vulnerable Ouarterly to plan to plan to plan to plan across the district. from Brighter Futures initiative 1) What has happened? Ongoing multi agency activity. Workshop events held to add focus to key issues eg child poverty, educational attainment and readiness for the workplace. 3) What actions are we taking? Multi agency meetings supported by email reminders. Annual report process to collate previous activity and to provide focus for future activity. CBP3.5.1 Maintain a minimum CBP3.5 - Provide High Quality & ŧ, 1,539,121 1,557,970 usage level of visits to leisure Monthly 135,347 149,621 **Accessible Leisure Opportunities** facilities 1) What has happened? Usage figures for the 3 main leisure centres have reduced very slightly against last year however only by a total of 3,000. This has been more than made up for as visitors to Cooper Sports Facility, North Oxfordshire Academy and Woodgreen Leisure Centre have increased by circa 22,000 against the previous year (this gives an overall increase of circa 19,000) 5) Excellent Performance No further comments at this stage CBP3.5.1a Number of CBP3.5 - Provide High Quality & * •_▼ visits/usage to District Leisure Monthly 121,811 131.758 1.391.964 1.388.764 **Accessible Leisure Opportunities Centres** 1) What has happened? All 3 Leisure Centres within the District demonstrated an improvement on throughput against the same period last year, Spiceball up circa 2,000, Bicester up circa 5,000 and Kidlington up circa 4.000. The overall year end figure showed an overall deficit on last year by only 3.000 however the encouraging figures for March 2017 suggest an improved position could be achieved for 2017/18 2) Why has it happened? Through the year there have been some minor peaks and troughs in throughput however there hasn't been anything of a concerning nature that would require urgent remedials 3) What actions are we taking? No further action at this stage as the deficit in throughput on the previous year is marginal. 4) When will we see improvement? Based on the improved performance of March 2017 against previous March 2016 there is a suggestion that improvement is already taking place and that this is positive in terms of any 2017/18 target CBP3.5.1b Number of CBP3.5 - Provide High Quality & */ 147,157 169,206 visits/usage to WGLC, NOA and Monthly 13,536 17,863 **Accessible Leisure Opportunities** Cooper 1) What has happened? Number of visits at WGLC, NOA and Cooper Sports Facility have increased significantly this year and has contributed to the overall position of leisure facilities. The re-development of

5) Excellent Performance

Woodgreen in also starting to take a positive step in terms of throughput

Appendix 4 - All Measures: A Thriving Community

Objective Measure Frequency Target Actual (pd) Period vs last Target Actual (YTD) YTD vs last Year

1) What has happened?

Performance in March was 90%.

5) Excellent Performance

Performance on Other applications remains high and continues to far exceed the 80% target.

CBP3.7 - Protect Our Built Heritage	CBP3.7.6 Planning appeals	Monthly	30.00	22.22			20.00	20.26	4	+,
CBP3.7 - Protect Our Built Heritage	allowed	MOHENTY	30.00	33.33	_	×	30.00	28.26	PR .	Y

1) What has happened?

Six appeal decisions were made during March, two of which were allowed.

2) Why has it happened?

This measure is volatile due to the small number of appeals and because of this we have slightly exceeded the 30% target. The year to date figure is within target at 28%

3) What actions are we taking?

N/A

4) When will we see improvement?

We expect performance to be within target again next month.

CDD2 9 Work To Enguro Dural	CBP3.8.1 Work with BT/BDUK &									
CBP3.8 - Work To Ensure Rural Areas Are Connected To Local Services.	Oxfordshire County Council to extend Superfast Broadband District wide	Quarterly	Delivering to plan	Delivering to plan	W	-	Delivering to plan	Delivering to plan	W	-
	District wide									

From March 2016 to Dec 2016, 25 additional cabinets in Cherwell district were connected. This has meant that 1,932 business and residential premises have been enabled to receive superfast broadband speeds (Over 24mbps). This number is expected to reach 3,069 by Dec 2017. CDC is investing £545,000 to support OCC in phase two of the programme, bringing significant match-funding from BDUK, BT and SEMLEP.

Meanwhile, the BDUK Better Basic Broadband Scheme continues to assist those premises that have less than 2mbs download speed and no prospect of being included within the BDUK or other provider schemes. In Cherwell, 25 applications have been approved (up to 6 April 2017).

The Oxfordshire programme is benefitting from 'Gainshare' as a result of considerable take-up of Superfast Broadband where it is available. This investment is allowing the roll-out programme to be re-drawn and extended. Options for the final 3-5% of premises are being sought.

2) Why has it happened?

The websites project has made good progress and is on track for new sites to go live in September 2017. The new online bookings system project has also made good progress. 2017/18 Quarter 1 Launch new online bookings system 2017/18 Quarter 1 Launch Online Bookings for Banbury market stallholders CBP4.1 - Reduce the cost of **CBP4.1.3 Deliver the Information** Slightly Slightly Delivering Delivering providing our services through communications Technology Quarterly behind behind to plan to plan partnerships schedule Strategy. schedule 1) What has happened? The IT strategy is expected to complete the full democratic process and signed off in early April 2017. This is 6 months behind schedule. 2) Why has it happened? The delay has been due to the democratic process taking longer than expected. 3) What actions are we taking? Will complete process early in April. Work has been progressed where possible in parallel with this process. 4) When will we see improvement? We now have a plan to deliver significant elements of the transformation programme by January 2018. CBP4.1.4 Maximise income CBP4.1 - Reduce the cost of Delivering Delivering coming into the authority to Delivering Delivering providing our services through Quarterly include NHB/NNDR/CTax/ to plan to plan to plan to plan partnerships external funding. 1) What has happened? Work is on-going to maximise all income coming in to the authority. A further 1296 new properties have become subject to council tax in 2016-2017 which means additional income from council tax as well as New Homes Bonus. We are continuing to implement and deliver strategies for NNDR. The Rateable Value for the Council has been fairly constant this quarter, this is

a variable we have little control over although we seek to mitigate this by having efficient processes in place to identify and monitor growth. We are still waiting for four significant assessments to come into the Rating List, but we have achieved our 'target' for retained business rates.

With regard to external funding we have trialled the Grantfinder application, but have had limited success in departments securing funding which is becoming more scarce due to the economic climate.

CBP4.1 - Reduce the cost of providing our services through partnerships	CBP4.1.5 Establish appropriate commercial arrangements.	Quarterly	Delivering to plan	Delivering to plan	*	-	Delivering to plan	Delivering to plan	*	?
---	---	-----------	-----------------------	-----------------------	---	---	-----------------------	-----------------------	---	---

1) What has happened?

Commercial arrangements for the delivery of the TECKAL and the sister trading company are advancing to plan. Recruitment to the new service is underway with a go-live date planned for April 2017.

5) Excellent Performance

The Procurement Team has been successful in attracting additional external funding to undertake a review of procurement and develop e new more commercial procurement strategy.
