What is Scrutiny?

In July 2018 Overview and Scrutiny was re-launched with the Assistant Director Law and Governance giving a presentation on what good Scrutiny looks like. Members were asked to consider Topics for scrutiny.

The Committee could scrutinise issues that were not part of the Council's responsibility, as long as members were mindful of the need to make meaningful recommendation.

James Doble, the (former) Assistant Director; Law and Governance emphasised that potential review subjects didn't have to be raised at a formal meeting, and reiterated the 'iceberg' analogy regarding two thirds of the work of the Committee being carried out outside the formal meeting structure with the remaining third in committee meetings.

"Show and Tell" items had been scheduled on the work programme It was explained to Members that it was important for members to understand the work of each directorate and team within it, and to have an overview of what each department was looking at to help them select possible review subjects.

Performance Monitoring

In August 2018 The Assistant Director; Performance and Transformation and the Strategic Intelligence and Insight Team Leader gave a presentation on how performance management was used throughout the council.

Each quarter the Overview and Scrutiny Committee reviewed the Council's performance as measured through the Performance Management Framework.

The Council had maintained generally excellent performance as in previous years.

Draft Budget and Business Plan

In January 2019 Adele Taylor, Interim Executive Director: Finance and Governance & Section 151 Officer and Hedd Vaughan Evans, Assistant Director Performance and Transformation attended the Committee to present the draft business plan and budget for 2019.

The Directors explained that 2019/20 was the last year of a four year financial settlement from Central Government. Figures for subsequent years were therefore an estimate. A more detailed report went to Budget Planning Committee on 29 January 2019.

Castle Quay Shopping Centre – Castle Quay II

In November 2018 Chris Hipkiss, the Interim Property Investment Manager, Regeneration and Estates gave an exempt presentation to the Committee on the progress made with Castle Quay Shopping Centre and Castle Quay II.

Changing Models of Primary Care

The Committee considered a briefing paper by Rosie Rowe, Healthy New Towns Officer which informed the Committee of the Changing Models of Primary Care and its implication for Cherwell District Council.

The Oxfordshire Clinical Commissioning Group (OCCG) approach to planning for future health and care services involved working collaboratively with local government and health and care providers to focus on how to meet the specific needs of their local population.

The Healthy New Towns Officer explained that OCCG were keen to engage with Cherwell District Council on future planning of primary care in the district and that there would be opportunity to make sure any concerns were taken into consideration.

Show and Tell – Street Scene, including Markets – Environment Directorate

The presentation covered; Overall Strategy; Street Cleansing Team; Vehicle Fleet; Scope of work; Performance and Enforcement.

Victoria Fletcher of Oxfordshire County Council Highways gave an update on the Air Quality Action Plan. The AQMA was reviewed every year, with actions being updated as required. The location of the diffusion tubes which collected the data was also kept under review.

Show and Tell - Community Safety

Colin Wilderspin, the Interim Community Safety Manager gave a presentation giving details of the current work and challenges of community safety in Cherwell District.

Chief Inspector Garside gave a verbal update on the perspective of the police force and their work with regards to community safety in the district.

Safeguarding – Training Framework and Draft Section 11 Audit Return

Jane Carr the Executive Director for Wellbeing attended the meeting of the Committee in November 2018 and gave details of the draft Cherwell District Council Section 11 return ahead of its submission to the Oxfordshire Safeguarding Children Board (OSCB) and Oxfordshire Safeguarding Adults Board (OSAB)

The Committee endorsed the return alongside a summary of outcomes of a practitioner survey carried out on front line staff and a summary of safeguarding training.

Unauthorised Encampments

In January 2019, Gary Brewer, Gypsy and Traveller Service Manager, Oxfordshire County Council gave a presentation on Unauthorised Encampments within Cherwell District.

The process of dealing with unauthorised encampments was explained to the Committee.

The Committee raised concerns at the lack of official sites available to travellers in the Cherwell District. The Committee anticipates a briefing note from the Executive Director; Place and Growth (Interim) relating to the current position on Authorised Encampment sites in the Local Plan part 2.

Task and Finish Working Groups - Car Parking Review Group

One task and finish group was established during the 2018/19 Municipal Year. Following the request for possible topics for scrutiny Cost versus benefit of delivering free parking in town centres and decriminalisation of parking were two suggestions received.

The Car Parking Review Group was formed, and the terms of reference agreed that the group would hear from officers about the council's current car parking provision and arrangements, as well as any future proposals with a view to producing a new Car Parking Strategy.

The group has met four times and a draft strategy is due for consideration by the Committee in May.
