Appendix 3 – Cherwell District Council – Latest Leadership Risk Register as at 21/11/2019

Level of risk	How the risk should be managed
High Risk (16-25)	Requires active management to manage down and maintain the exposure at an acceptable level. Escalate upwards.
Medium Risk (10 -15)	Contingency Plans - a robust contingency plan may suffice together with early warning mechanisms to detect any deviation from the profile.
Low Risk (1 – 9)	Good Housekeeping - may require some risk mitigation to reduce the likelihood if this can be done cost effectively, but good housekeeping to ensure that the impact remains low should be adequate. Re-assess frequently to ensure conditions remain the same.

			Risk	Scorecard – Residual	Risks	
				Proba	bility	
		1 - Remote	2 - Unlikely	3 - Possible	4 - Probable	5 - Highly Probable
	5 - Catastrophic			L09

=	2 - Minor		L17			
	1 - Insignificant					

	Risk Definition
Leadership	Strategic risks that are significant in size and duration, and will impact on the reputation and performance of the Council as a whole,
	and in particular, on its ability to deliver on its corporate priorities
Operational	Risks to systems or processes that underpin the organisation's governance, operation and ability to deliver services

Proactive monitoring of Health & Safety performance management internally Proactive monitoring of Health & Safety performance management externally	Partially Partially Councillor Lynn Pratt Fully	Adele Taylor	Ceri Harris	4	3	12	\leftrightarrow	The Internal Audit programme underwent a review in May 2019 due to change in the resources available following separation to carry out the existing 3 year program. A new 2 year schedule has been developed to replaced the existing schedule. The health and safety internal inspection cover all elements of our overall H&S management system to ensure compliance with our standards. Management of H&S training will now be included within the new elearning programme which is in the process of being procured. A central list of risk assessments is to be created to enable more proactive monitoring of risk assessment across the council. Risk Assessment Workshop training is being developed. Robust training already in place in Environmental Services. Corporate Arrangements are being updated. These will be completed by the end of September 2019. Good awareness in higher risk areas of the business, e.g. Environmental Services. However other areas need improved	inspections internally across all services and teams. To date a total of 12 audits have been carried out across the Council.
LO9 -		Reduction in capacity impacts service delivery Service disruption						Corporate Health & Safety risk aware culture Corporate Health & Safety meeting structure in place for co-ordination and consultation Corporate body & Member overview of Health & Safety performance via appropriate committee Assurance that third party organisations subscribe to and follow Council Health & Safety guidelines and are performance managed where required	Partially Partially Fully Partially								awareness of risk assessment process. Reviews of leases and performance monitoring to be reviewed to satisfy the Councils providers/ contractors are managing significant risks. Currently the Council has no formal committee structure in place for the consultation of health safety with staff. The cyber-essentials plus certification has now been passed.	A review has been undertaken of all CDC owned properties to ensure that fire risk assessments, water hygiene surveys and asbestos surveys have been completed where required. A compliance review of tenanted properties leased by CDC is also under way to ensure that the tenants are managing the property in accordance with legislative requirements. A proposal for the formation of a Health and Safety Committee to report to the ELT will be submitted to ELT in January 2019. The purposed of this committee, if ratified, will monitor the activities of the Corporate Health and Safety Team and to act as a scrutiny committee for the Corporate Arrangements. Cyber security incidents are inevitable.	Risk Reviewe

L04 - Local Plan Risk

The latest Local Development Scheme is that approved by the Executive in December 2018. It includes the programmes for the Partial Review of the Local Plan, the Oxfordshire Plan 2050, a Local Plan Review, the Banbury Canalside Supplementary Planning Document and work on a Community Infrastructure Level (CIL).

Partial Review

A Partial Review of the Local Plan, to assist Oxford with its unmet housing need, was submitted to Government for Examination on 5 March 2018. A preliminary public hearing was held on 28 September 2018 and main hearings in February 2019. On 13 July 2019, the Council received the Inspector's Post-Hearing Advice Note setting out his preliminary conclusions. In principle, the Inspector is satisfied that the Plan's housing requirement and strategy are appropriate and that there are exceptional circumstances for alterations to the Green Belt. However, he has concerns about proposed development next to Woodstock and suggested that the Council prepare Main Modifications to address this. On 30 September 2019, officers informally submitted proposed modifications to the Inspector supported by evidence. On 29 October the Inspector advised that the Council could progress to consultation on the modifications. This will take place over November/December and officers will report to Councillors on the outcome in the new year.

Oxfordshire Plan 2050

A Growth Deal commitment. The Plan is being prepared by a central Plan team appointed through the Oxfordshire Growth Board. It must be submitted to Government for Examination by March 2020 to meet the existing terms of the Deal. The Council contributes to the plan-making process as a partner with a view to it being adopted as part of the Development Plan upon completion.

Public consultation on an Issues Paper ended on 25 March 2019. A public 'call for location ideas' ended on 12 April. The central Plan team is evidence gathering and scoping 'spatial options' for Plan development. On 24 September 2019 the Oxfordshire Growth Board agreed a new timetable for completion of the Plan. This allows for further stakeholder engagement in Autumn/Winter 2019/20; public consultation on a formal Options Paper in June/July 2020; and, consultation on a proposed Plan at the end of 2020. The intention is to submit the Plan for Examination in March 2021.

Local Plan Review

Work programming and initial preparatory work commenced in Spring 2019 but has had to be put on hold while further work on the Partial Review is pursued. There is a statutory requirement to review Local Plans within five years from adoption (the adopted Local Plan having been adopted in July 2015). The Plan will need to take account of the Oxfordshire Plan 2050 and consequently there are dependencies between the two work programmes.

Banbury Canalside SPD

Work has been stalled due to the need the review the work undertaken to date, particularly in the context of wider business plan objectives, and due to capacity issues within the Planning Policy team. However, in October 2019 the Planning Policy and Regeneration and Estates teams commenced internal scoping work.

Community Infrastructure Levy

Not a Local Development Document but a potential means of securing funding for infrastructure to assist overall delivery (should the Council decide to implement CIL). Work on a potential charging levy was paused due to a Government review of how CIL operates but could be recommenced subject to resourcing.
