

Appendix 3 – Leadership Risk Register as at 24/08/2020

Level of risk	How the risk should be managed
High Risk (16-25)	Requires active management to manage down and maintain the exposure at an acceptable level. Escalate upwards.
Medium Risk (10 -15)	Contingency Plans - a robust contingency plan may suffice together with early warning mechanisms to detect any deviation from the profile.
Low Risk (1 – 9)	Good Housekeeping - may require some risk mitigation to reduce the likelihood if this can be done cost effectively, but good housekeeping to ensure that the impact remains low should be adequate. Re-assess frequently to ensure conditions remain the same.

Robust review and challenge of our investment options to be regularly undertaken through our usual monitoring processes. Timeliness and quality of budget monitoring particularly property income and capital improving. Financial Systems replacement project underway. LEAN review of budget monitoring undertaken with significant engagement from within the wider business. Asset Management Strategy being reviewed and refreshed. Review of BUILD1 to ensure procurement and capital monitoring arrangements are in place and development of forward programme - work still underway. Finance support and engagement with programme management processes continuing. Further integration and development of Performance, Finance and Risk reporting. Regular involvement and engagement with senior management across County as well as involvement in Regional and National finance forums. Regular member meetings, training and support in place and regularly reviewed. Briefings provided on key topics to members with particular focus on key skills for specific committees such as audit committee. New approach to budget setting introduced linked to service planning. Additional challenge added into the process to ensure robustness of estimates Regular utilisation of advisors as appropriate. Internal Audits being undertaken for core financial activity and capital as well as service activity Assessment of national picture via Pixel and LG Futures has identified that the funding available in later years is likely to be significantly reduced, adding longer term resilience challenges.	Maintaining focus in this area with ongoing review, staff and member training and awareness raising. Investment options considered as and when they arise, MTFS and budget setting being developed to enhance the scrutiny and quality of investments. Financial System Solution Project continuing to consider future finance system options, incorporating budget management via Lean, extension of Civica and new procurement. Review underway Review in hand. Finance business partners involved with reflection locally on outcomes. Integrated reporting has been embedded Engagement with a number of national and regional networks to ensure we are as up-to-date as we can be in relation to potential funding changes from 2020/21 and impact on our MTFS. Regular training will be undertaken. Budget setting for 2020/21 underway. All Member briefing to update on latest position taking place on 21 July. Review of borrowing approach being considered alongside our financial advisors Regular reporting of progress on internal audits considered by the committee Medium/long term position assessed as significantly worse, increasing risk alongside the capacity needed to work on activity to reduce spending levels. Budget setting for 2021/22 will begin at the Budget Planning Committee in March 2020 in order to ensure full and thorough consideration of the budget in conjunction with members to alleviate the challenges over the medium term. The impact of the UK national Budget on 11 March 2020 and the medium term impact of the reduction in the Bank Base rate by 0.5% on 11 March 2020 will be assessed. The impact of Covid19 has changed the financial outlook for the Council, with regular updates helping to outline the impact on the Council both in the short, medium and longer term. The Council currently anticipates a significant, short, medium and long term funding shortfall in overall terms, requiring the use of/depletion of Council reserves. Set alongside the anticipated funding reductions due to start from 2021-22 the financial resilience of the Council could be severely impacted. Awaiting further economic update from the Chancellor during June 2020 and Spending Review in the autumn.	Risk reviewed - 13/08/2020 - No changes

The Corporate Arrangements are subject to a continuing programme of updates to ensure they remain up to date and relevant to council business. Following the ratification of the Corporate Health, Safety and Wellbeing Policy all Assistant Directors have been asked to complete a Departmental Risk Assessment Checklist. The Checklist identified the areas of risk within the department and whether there is a risk assessment in place to cover the risks. As Health and Safety Officers are in place no further action is required and risk mitigated. A 2-year internal Health and Safety Audit programme is in place covering the period until May 2021. The health and safety internal audit programme covers all elements of our overall H&S management system to ensure compliance with legislative standards. This is temporarily on hold due to the Coronavirus Lockdown Management of H&S training will now be included within the new eLearning programme which is in the process of being procured. A central list of risk assessments is to be created to enable more proactive monitoring of risk assessment across the council. Risk Assessment Workshop training is being developed. Robust training already in place in Environmental Services. Good awareness in higher risk areas of the business, e.g. Environmental Services. However other areas need improved awareness of risk assessment process. This needs to be achieved by a review of training needs across CDC and the mandatory training of managers on risk assessment. Property team have undertaken a review of CDC owned operational properties to ensure health and safety compliance is fully maintained in line with the legislative compliance requirements. Currently the Council has no formal committee structure in place for the consultation of health safety with staff. Quarterly reporting to ELT and to the Portfolio Holder by the Corporate Health and Safety Manager Robust procurement process that requires health and safety documentation and commitment to be proven prior to engagement of contractors. Responses are being collated on a central spreadsheet which will become the database of all risk assessments across the Council. These two posts are established posts and budgeted accordingly to secure future funding for continuity. The H&S team are conducting health and safety inspections internally across all services and teams. To date a total of 17 audits have been carried out across the Council however, the audits are currently on hold due to Corona Virus. The audit reports have been provided to the relevant service managers, including recommendations, advise and timescales for remediation. Final sign off from the HR/Training Manager for training procurement and implementation due. Final tweaks being made prior to launch of eLearning package A review has been undertaken of all CDC owned properties to ensure that fire risk assessments, water hygiene surveys and asbestos surveys have been completed where required. A compliance review of tenanted properties leased by CDC is also under way to ensure that the tenants are managing the property in accordance with legislative requirements. A proposal for the formation of a Health and Safety Committee to report to the ELT will be submitted to ELT in April 2020. The purposed of this committee, if ratified, will monitor the activities of the Corporate Health and Safety Team and to act as a scrutiny committee for the Corporate Arrangements. Reporting dates have been agreed and adhered to. Corporate Health and Safety has scheduled to undertake a review of Procurement process to ensure compliance.	Risk reviewed 14/08/2020 - No changes

The operating restrictions will, however, impact the speed of delivery as will the delayed impact on the supply chain. The medium to long term impact on the demand side of the housing market will take time to manifest which reduce developers commitment to maintaining housing trajectories. If there is a down turn in the market there is potential for a positive impact as developers increase the number of social housing units they release, selling additional units to RPs as a way to off load unsold stock. L16 -	Joint Working That the challenges and risks associated with joint working between Cherwell and OCC, outweigh the benefits and impacts on the provision of services to residents and communities.	Opportunities for joint working take longer to develop than planned delaying potential service improvements for residents and communities. Resources are allocated to the development of proposals, reducing the capacity of the Council to deliver on its priorities and plans, impacting on quality of services delivered to residents and communities. Uncertainty around joint working could lead to reduced staff morale and potentially increase staff turnover. L17 -	Separation That the separation of joint working arrangements with South Northamptonshire Council impacts on the provision of services to residents and communities.	Separation of joint working arrangements result in reduced capacity and resilience to deliver services. Specific impacts on Revenues & Benefits and IT services which are the only remaining shared services. Services being delivered to SNC are impacted by re-organisation in Northamptonshire, impacting on the quality of services delivered to residents and communities	3	4	12	On-going service delivery arrangements to SNC set out clearly and underpinned by the Collaboration Agreement with protocols in place for dealing with any emerging issues. Currently SNC are not able to confirm end date or transitional arrangements for these shared services going into West Northamptonshire Unitary. This created a level of uncertainty for Cherwell, plans are being prepared for separation on the assumption that West Northants will seek to deliver their own IT, Revs and benefits services. L04 - Local Plan Risk

The latest Local Development Scheme is that approved by the Executive in March 2020. It includes the programmes for the Partial Review of the Local Plan, the Oxfordshire Plan 2050, a Local Plan Review, the Banbury Canalside Supplementary Planning Document and work on a Community Infrastructure Level (CIL).

Partial Review

The Inspector's report for the Examination of the Partial Review of the Local Plan (which seeks to help Oxford with its unmet housing need) was received on 6 August and has been published. The Inspector concludes that with modifications (as suggested by the Council) the Plan is 'sound'. Officers are now preparing to report to Members.

Oxfordshire Plan 2050

A Growth Deal commitment. The Plan is being prepared by a central Plan team appointed through the Oxfordshire Growth Board.. The Council contributes to the plan-making process as a partner with a view to it being adopted as part of the Development Plan upon completion.

Public consultation on an Issues Paper ended on 25 March 2019. A public 'call for location ideas' ended on 12 April. The central Plan team is evidence gathering and scoping 'spatial options' for Plan development. On 2 June 2020, the Oxfordshire Growth Board agreed a further revision to the timetable for completion of the Plan. This allows for further stakeholder engagement in September 2020; public consultation on a formal Options Paper in January 2021; and, consultation on a proposed Plan in September 2021. The intention is to submit the Plan for Examination in January 2022. As the Plan covers five Local Planning Authority areas, is not under the immediate control of Cherwell officers and can be affected by wider regional influences, it had been considered that there was a medium to high risk that that the programme would be delayed. This has increased to high risk due to COVID19.

Local Plan Review

The timetable for the district-wide Local Plan review in the new Local Development Scheme requires:

- commencement in April 2020
- Consultation on Issues: July-August 2020
- Consultation on Options: February-March 2021
- Consultation on a draft Plan: October-November 2021
- Consultation of a Proposed Submission Plan: July-August 2022
- Submission for Examination: November 2022

Additional staffing budget has been secured to help deliver this programme. The risk to the programme is considered to be low subject to the required staffing levels being achieved. The influence of the Oxfordshire Plan and its risk of delay to the district Plan raises the risk to medium with mitigation. An issues consultation commenced on 31 July 2020.

Banbury Canalside Supplementary Planning Document

The timetable for the Banbury Canalside SPD as set out in the new Local Development Scheme requires:

- preparation: March-September 2020
- formal consultation: September-October 2020
- adoption: December 2020

Additional staffing budget has been secured to help deliver this programme. The risk to the programme would be low subject to the required staffing levels being achieved. COVID19 and associated difficulties of site planning make this a medium risk. There has been some slippage in re-commencing the work.

Community Infrastructure Levy (CIL)

The timetable for CIL as set out in the new Local Development Scheme is aligned to Local Plan preparation. It requires:

- re-commencement: March 2021
- focused consultation on a draft charging schedule: October-November 2021
- formal consultation on a draft charging schedule: July-August 2022
- potential (if approved) submission of charging schedule: November 2022

Additional staffing budget has been secured to help deliver this programme. The risk to the programme is low subject to the required staffing levels being achieved. There has been some slippage in re-commencing the work.
