Dear Mr Nelson,

As an officer of the local authority exercising environmental health functions I hereby give notice that an objection is made to the above application for a Temporary Event Notice under the Public Nuisance Objective. This is based on the history of noise complaints about the site when events have taken place which led to the service of an abatement notice under the Environmental Protection Act 1990 in August 2021 on the landowner.

The licensing department will be in touch with you with the next steps.

Kind Regards
