1.	Responsibilities of the CFO and Leadership Team			
A	The leadership team is able to demonstrate that the services provided by the authority provide value for money	All services reviewed to ensure being delivered efficiently and appropriate savings identified. All tenders consider VfM by considering the quality of service and not just price.	Develop a statement of how proposals in Executive Reports will deliver value for money where appropriate	
B	The authority complies with the CIPFA “Statement of the Role of the CFO in Local Government”	The CFO is a qualified accountant with significant experience working as an active member of the leadership team. The CFO is a member of CLT (Corporate Leadership Team) and has an influential role with members of the Executive, Accounts, Audit & Risk Committee and lead opposition members.	Review annually the statement of roles and responsibilities of CFO, CLT and the Exec.	
2.	Governance and Financial Management Style			
C	The Leadership Team demonstrates in its actions and behaviours responsibility for governance and internal control	While operating in partnership with Oxfordshire County Council, a Corporate Governance and Assurance Group (CGAG) was set up to ensure good governance and internal control, including driving the production of the Annual Governance Statement (AGS) and Action Plan through the completion of Professional Lead Statements and engagement with Corporate Directors. Following decoupling from OCC this function will sit with CLT so that the AGS process will be owned by the most senior officers in the Council with a CDC-specific process.	The AGS process previously led by CGAG will be incorporated into CLT.	
D	The authority applies the CIPFA/SOLACE “Delivering Good Governance in Local Government: Framework (2016)”	Annual Governance Statement includes audit opinion on effectiveness of internal control environment and systems of internal control.	Continue to enhance and develop the AGS through CLT. Reporting to AARC has been enhanced to include regular reports on FOI,

			data subject access requests, EIR requests and RIPA approvals, to give visibility and assurance on regulatory compliance.	
E	The Financial Management style of the authority supports financial sustainability	The Council has adopted a Business Partnering model that supports managers to deliver financially sustainable services by providing strategic advice and support. This is underpinned by a Corporate Function that manages the strategic financing issues and provides the budget setting and accounting framework for the organisation.	Continue to develop the skills of managers to ensure that they have access to performance and financial information that enables them to deliver services that are financially sustainable.	
3. Long to Medium-Term Financial Management				
F	The authority has carried out a credible and transparent financial resilience assessment	A Financial Resilience assessment is included within the Budget Documents. The assessment is consistent with the Medium-Term Financial Strategy (MTFS) assumptions.		
G	The authority understands its prospects for financial sustainability in the longer term and has reported this clearly to members	MTFS far more transparent than in previous years clearly outlining the financial challenges facing CDC in the Budget and Business Planning Process 2022/23 – 2026/27 Report	Continue to update CLT and the Executive throughout year and within Budget/MTFS documents	
H	The authority complies with the CIPFA “Prudential Code for Capital Finance in Local Authorities”	Capital Strategy is produced. Quarterly Treasury Management monitoring considered at the Accounts, Audit and Risk Committee. a profiled five-year capital programme was approved by Council in Feb 2022.	. Provide quarterly TM and Prudential Indicator updates as part of monitoring reports.	
I	The authority has a rolling multi-year medium-term financial plan consistent with sustainable service plans	CDC has an Integrated Business Planning and Budget Process with a five-year MTFS.	Continue to ensure services are aware of future savings plans committed to and savings are implemented. Encourage ‘early alert’ if future savings are at risk.	
4. The Annual Budget				
J	The authority complies with its statutory obligations in respect of the budget setting process	The Council produces its annual balanced budget and supporting documentation.

K	The budget report includes a statement by the CFO on the robustness of the estimates and a statement on the adequacy of the proposed financial reserves	S25 report accompanies the suite of Budget documents. Enhanced by including an assessment of readiness for implementing the FM Code		
5. Stakeholder Engagement and Business Plans				
L	The authority has engaged where appropriate with key stakeholders in developing its long-term financial strategy, medium-term financial plan and annual budget	Significant consultation on the budget proposals as well as ensuring carry out the statutory business rate payers' consultation.	Continue with corporate and directorate consultation where appropriate.	
M	The authority uses an appropriate documented options appraisal methodology to demonstrate the value for money of its decisions	A business case is required for all capital schemes which sets out alternative options, the reasons for discounting them and benefits of progressing with the scheme. All tenders consider VfM by considering the quality of service and not just price – the appraisal process is documented. The Strategic Place Shaping Programme Board implemented a Gateway process for evaluation of projects which considers factors such as vfm, business need.	Agree consistent business case templates from outline through to full for both revenue and capital schemes for all strategic boards.	
6. Monitoring Financial Performance				
N	The Leadership Team takes action using reports enabling it to identify and correct emerging risks to its budget strategy and financial sustainability	The monthly Performance, Risk and Financial Monitoring Report to Executive enables CLT and Executive to respond to emerging risks – the effectiveness was evidenced during 2020/21 as the Council agreed an in-year budget to respond to the financial impact of COVID-19. Enhancements to capital reporting have been introduced to now include analysis of variances to the total cost of the scheme rather than comparison to in-year profiled budget.	The Capital Programme monitoring element requires enhancement to: <ul style="list-style-type: none"> • better reflect performance and the delivery of outcomes linked to the completion of capital schemes. • Ensure all capital schemes are monitored by a strategic board or specific DLT where a strategic board doesn't exist to that type of

			scheme.	
O	The Leadership Team monitors the elements of its balance sheet that pose a significant risk to financial sustainability	Reserves and balances are monitored monthly and changes in budgeted use require appropriate approvals before they can be assumed. Debtor monitoring takes place quarterly identifying aged debt of Council debt. Aged debt was recently reviewed en masse which resulted in significant debt being written off.	Continue to review aged debt to consider the collectability of this. Take proposed write-offs to Exec regularly.	
7. External Financial Reporting				
P	The CFO has personal and statutory responsibility for ensuring that the statement of accounts produced by the local authority complies with the reporting requirements of the "Code of Practice on Local Authority Accounting in the United Kingdom"	The annual accounts are produced in compliance with the CIPFA Code.		
Q	The presentation of the final outturn figures and variations from budget allows the leadership team to make strategic financial decisions	CLT and Executive consider outturn report and year end variances enabling strategic financial decisions to be made as necessary.
