40083	Nicola Riley	Disabled Facilities Grants	1,811	1,811	0	0	0	1,811	1,811	0	This budget comprises £1.239m Better Care Fund allocation, £0.375m CDC base budget and £0.196m reprofiled from 2021/22. Projected spend has been increased from £1.700m to £1.811m to reflect increasing demand and persistent inflation of construction costs. No carry forward into 2023/24 anticipated.
40160	Nicola Riley	Housing Services - capital	345	190	155	1	0	345	345	1	This is unspent Growth Deal funding reprofiled from 2021/22 due to delays on some development sites and other sites not being due for completion until 2022/23. Full spend anticipated in 2022/23 however, this will depend on the progress made on sites and some units may not complete until 2023/24.
40084	Nicola Riley	Discretionary Grants Domestic Properties	253	145	108	0	600	853	853	0	This budget comprises £0.150m core funding and £0.103m reprofiled from 2021/22. Projected spend for 2022/23 is circa £0.145m. Anticipated carry-forward into 2023/24 is £0.108m, but demand for these grants can fluctuate so this could vary.
40010	Nicola Riley	North Oxfordshire Academy Astroturf	183	50	133	0	0	183	183	0	Re-profiled from 2021/22. Delivery linked to external partners approval so spend maybe beyond March 2023
40019	Nicola Riley	Bicester Leisure Centre Extension	79	56	23	0	0	79	79	0	Re-profiled from 2021/22 - full spend on feasibility studies expected prior to 31st March 2023
40131	·	S106 Capital Costs	1,744	161	1,583	0	0	1,744	1,744	0	Regular communication with Parish Councils is allowing us to monitor the projects that make up this programme of works. Cherwell hold developer contributions for each project and release funds as requested by the parish. Some projects are taking parishes longer to complete than first anticipated which explains why the spending is slower.

0	3,000	3,000	0	Potential for slippage in to 2023/24 and 2024/25 as the search for a suitable site for a new Bicester depot continues and spend will be dependant on type of land aquired. A multiple of options will be considered. Eg. Land to be developed - what to include, existing site with buildings but in need of refurbishment.
