Hours they are staying for.

Yours sincerely

Dear Sir,

I am writing to object to
the lengthening of the hours (i.e. David
P. 22 hr.) I do not see why they need this
extension of time.

This is enough noise both back and
front of place during the hours they have
open without regard to it. Also the
congestion from the traffic there cause
is to be seen to be believed; sometimes
parking is absent in the road if there
was two be an emergency nothing would get
there again.

This use to be nice quiet residential area
but not anymore! People block your door
way which going for a pizza as thought
it is there right.

So we do object to the effect

Yours sincerely

David Cuthkin, P.E.
