- (2) That a compulsory purchase order be made in respect of the new rights in relation to the land shown coloured blue on the map attached at annex 3 to the minutes (as set out in the minute book) under Section 13 of the Local Government (Miscellaneous Provisions) Act 1976, such land and new rights being described in the schedule of land interests at annex 4 to the minutes (as set out in the minute book).

Leaders of Non-Metropolitan District Councils
in England

7 July 2010

Dear Leader

Requirement to consult under the Local Government and Public Involvement in Health Act 2007

I am writing to you about the requirements on your council to adopt a new governance model from May 2011, and before doing so to consult your local electorate and interested parties in the area. Whilst it is for each council to decide how it will meet these requirements, I would wish to highlight the Government's view that councils need not incur any significant expenditure on these requirements, and our expectation in today's circumstances that all councils will pursue this at minimal cost.

These requirements are in the Local Government and Public Involvement in Health Act 2007 and necessarily remain in force unless or until that Act is repealed by fresh primary legislation. It is our intention to do this. For your council the requirements mean that you must resolve by 31 December 2010 to move to either the new leader and cabinet model or mayor and cabinet model, and before so resolving you must take reasonable steps to consult the local electorate and other interested parties in your council's area.

In considering how to approach these requirements you will wish to have regard to the circumstances of today, including both the priority of cutting out all wasteful spending and the Government's commitments to allow councils to return to the committee system, should they wish to, and on elected mayors. We also intend to remove the necessity to elect a leader for four years. We intend to provide for these commitments in our Localism Bill to be introduced later in this Parliamentary session. This may mean that any governance model you adopt in May 2011 may be further changed within a year or so. Your decisions about consultation will also be taken in the context of the greater transparency and openness agenda which I am confident you will be putting in place throughout your council.

Accordingly, the case is strong for any consultation now about future governance arrangements to be the minimal cost option. It will be for each council to decide, but in our view no more than a small newspaper advert/article or press release on your website may be proportionate and right in these circumstances.

Yours sincerely

Part 1 - Terms of Reference and Scheme of Delegation

1.2 Terms of Reference for Committees

Executive and Executive Portfolio holders

This part of the constitution together with the Executive Procedure Rules principally constitutes the Executive arrangements as set out in the Local Government Act 2000. The Executive arrangements set out here are interrelated to other parts of the constitution.

The Leader of the Council Executive is collectively responsible for all executive functions as defined in the Local Government Act 2000 as amended. These may be made by the Leader of the Council, the Executive collectively, exercised under joint or area arrangements or delegated to individual portfolio holders or council officers.

The Executive may not make decisions on matters which they are prohibited from making by the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 and other subsequent legislation.

The Executive shall only make decisions within the budget and policy framework except in cases as set out in the Executive Procedure Rules.

The Leader of the Council has determined:

The Executive shall collectively make all Key Decisions on behalf of Cherwell District Council. The Executive may choose to delegate these to a Portfolio Holder, officer, area committee or joint arrangements with another authority or refer them to the Leader of the Council for decision.

Executive Portfolio Holders shall in the first instance make all Non-Key Decisions within their portfolio area unless delegated in this constitution to an officer. The portfolio holder may decide to delegate these to an officer, area committee or joint arrangements with another authority or refer them to the Executive for collective consideration, who in turn may decide to refer it to the Leader of the Council for decision.

Officers shall take all decisions in the first instance delegated to them in this constitution within their area of responsibility. An officer may chose to refer a decision to a Portfolio Holder, who in turn may decide to refer to the Executive for collective decision, who in turn may decide to refer it to the Leader of the Council for decision.

Even where the Executive functions have been delegated, this does not prevent the discharge of delegated functions by the person or body who delegated them. This shall be the case should the decision maker find that a

conflict of interest has arisen, then the function will be exercised in the first instance by the person or body by whom the delegation was made.

These delegations may be amended by the Leader of the Council, however such amendments shall not take effect until after they are reported to council.

Executive Portfolio Holders

Areas of responsibility, known as Executive Portfolios are determined by the Council and are assigned by the Leader to individual members of the Executive whom he appoints. The Leader may re-allocate functions between portfolio holders during the Council year.

The leader will hold office for a four year term until:

- he is suspended from being a Councillor under Part III of the Local Government Act 2000 (although he may resume office at the end of the period of suspension); or
- he is no longer a councillor
- he is removed from office by resolution of the council, ~~save that this power may be exercised by the council only in the event of a change of political control of the council or a change in the leadership of the controlling political group notified to the Chief Executive in accordance with this constitution.~~

Executive Portfolio Holders

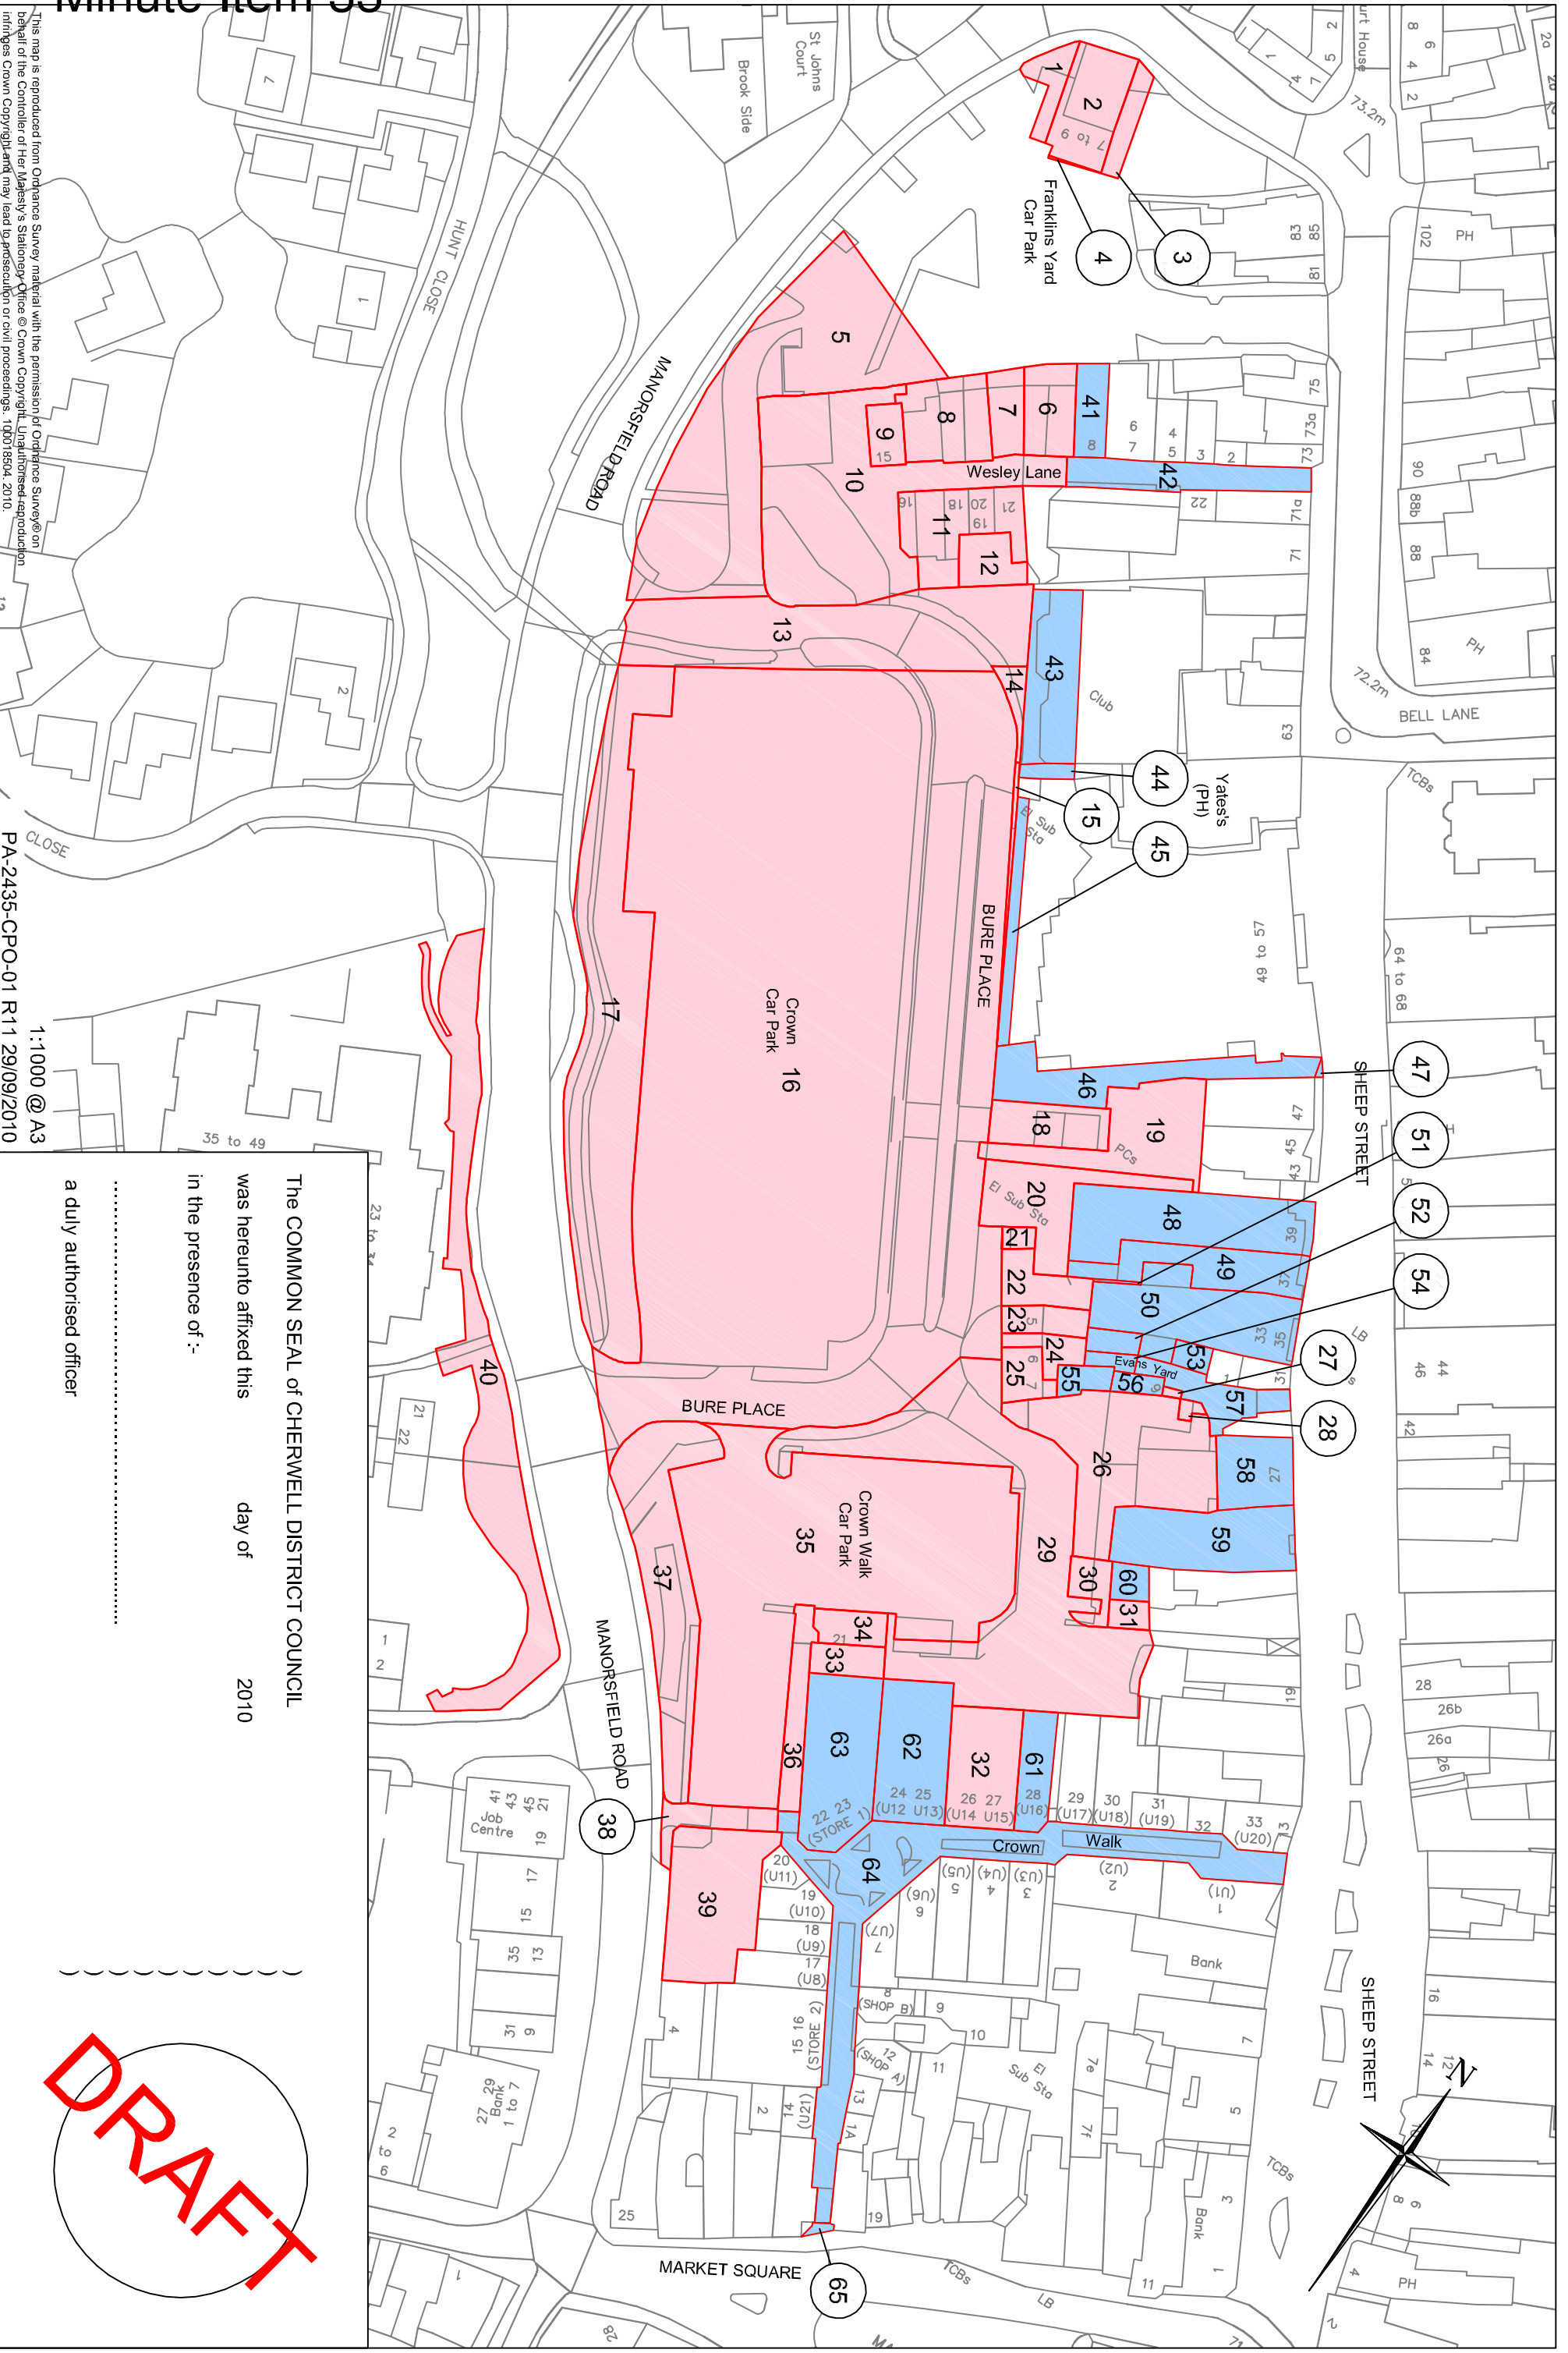

Areas of responsibility, known as executive portfolios are determined by the council and are assigned by the leader to individual members of the executive whom he appoints. The leader may re-allocate functions between portfolio holders during the council year and shall advise all members of the council of the change as soon as practicable after any change has taken place.

Only councillors may be appointed to the executive. There may be no co-optees and no deputies or substitutes for executive members. Neither the chairman nor vice chairman of the council may be appointed to the Executive and members of the executive (including the leader of the council) may not be members of an overview and scrutiny committee.
