

Executive Work Programme

Incorporating the Private Executive Meeting Notice
and the Notice of Intention to make Key Decision

April 2017 to July 2017

Published on 3 March 2017

Executive Work Programme and Notices required by the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

There is a legal requirement for local authorities to publish a notice setting out the key executive decisions that will be taken by the appropriate decision maker at least 28 clear days before such decisions are to be taken. This Executive Work Programme incorporating the Notice of Intention to make Key Decision sets out the executive decisions (including key decisions and/or Executive sub-committees) which are intended to be taken at Cherwell District Council. Whilst this document provides details of known decisions for the following month, where details of decisions to be made after this period are known, they are provided for information.

The plan also sets out where, if at all, it is anticipated that part of an Executive meeting will be held in private. This is where confidential or exempt information (as defined in the constitution) is likely to be made known. Notice is hereby given that it may be necessary for part of an Executive meeting to be held in private because it becomes apparent at the meeting that confidential or exempt information will otherwise be made known. Should this become apparent at the meeting the relevant part of the meeting will only be held in private upon the passing of a resolution which (where exempt information will be made known) describes the description of exempt information pursuant to Schedule 12A of the Local Government Act 1972.

The Executive Work Programme will be updated and rolled forward on a monthly basis. As this takes place, the programme will be adjusted and further decisions will be added or anticipated ones may be rescheduled or removed. The summary shows the decisions programmed to be taken during each month. A likely date of decision is shown, but it is possible that a decision may be rescheduled to a later month.

If a key decision is not included in the published Executive Work Programme for 28 clear days before a decision needs to be taken the Chairman of the Overview and Scrutiny Committee must be notified and a supplement to the Work Programme published at least 5 clear days before the date on which the decision is proposed to be taken. If the date by which the decision has to be made makes compliance with this requirement impracticable the decision can only be made with the consent of the Chairman of the Overview and Scrutiny Committee who must be satisfied that the making of the decision is urgent and cannot reasonably be deferred.

If it is necessary to discuss an issue in private and 28 days' notice has not been given the decision may only be taken or the item discussed in private with the agreement of the Chairman of the Overview and Scrutiny Committee who must be satisfied that the need for the item to be taken to the meeting is urgent and cannot reasonably be deferred..

Key Decisions

A key decision is a 'significant' decision that is legally within the power of the Council to make, is not precluded by statute from being made under Executive arrangements and is not otherwise retained for decision by Council or delegated to a Committee of Council or officer by the Council's Constitution.

Significance – A decision is significant if it meets the financial and/or community impact criteria:

- Financial: A decision that will result in the Council:
 - Incurring potential revenue expenditure or savings above £50,000
 - Incurring potential capital expenditure or savings above £250,000
 - Procuring or awarding any contract having a total value exceeding £500,000
- and / or
- Community Impact: A decision that is significant in its effects on communities living or working in an area comprising two or more Wards in the area of the Council. That is a decision where:
 - A significant number of users of the service in the Ward(s) will be affected and / or
 - An impact that will last for a number of years, or be permanent; and / or
 - A significant impact on communities in terms of environmental and social well-being.

The following are not regarded by the Council to constitute key decisions:

- Implementing approved budgets or policies and strategies where there is little or no further choice involved and the main decision has already been taken by the council in agreeing the budget and policy framework.
- Implementing approved actions and targets in annual service plans.
- Decisions by the Chief Finance Officer which are part of the ordinary financial administration of the Authority, notably those relating to investments, within the agreed Treasury Management Policy.
- Implementing projects for which specific conditions have been attached by external funders, such as the Government or European Union.
- The award of contract for the provision of works, goods and services, within an agreed policy and budget and where a decision has been made.
- Changes arising from amendments to statute where there is little or no discretion.

For a decision to be key, there must be a significant degree of discretion to be exercised by the decision-maker.

In all cases the documents submitted to the decision maker to inform their decision shall be a report (available with the agenda 5 clear days before the meeting) and all documents submitted to the decision maker will be available at www.cherwell.gov.uk
