

Scheme of Delegation to Officers

Introduction

This scheme has been adopted by South Northamptonshire Council and Cherwell District Council and sets out the extent to which the powers and duties of the Councils are delegated to officers under the Local Government Act 1972, the Local Government Act 2000 and all other powers enabling delegation to officers. It is adopted with the intention of giving a streamlined, clear and simple decision-making process. It should be interpreted widely.

Under this scheme officers must keep Members properly informed of action arising within the scope of these delegations. Officers must liaise closely with the Cabinet/Executive on executive functions and the relevant Chairman of the regulatory committee when the matter falls within the remit of that committee.

All references to legislation shall be deemed to include any subsequent amendments to such legislation

Officers shall inform the local Ward Member(s) when they exercise any delegated powers specifically affecting their ward and when the matter is likely to be politically sensitive or contentious unless legal reasons prevent this

Under section 101 of the Local Government Act 1972 the Council may authorise an officer of the authority to commission and monitor work for and on behalf of the Council by people who are not officers of the authority and such people will be bound by this scheme, and the obligations contained in it, at all times when engaged on Council business

References to powers of 'the Council' include functions of the executive.

The delegations are intended to be cumulative. Each delegation may be read on its own unless it is specifically expressed to be subject to another.

All delegations to officers are subject to:

- Statutory requirements
- Contract and Financial Procedure Rules
- Consideration of the policies and plans of the relevant Council
- The Code of Conduct and adopted protocols
- The requirements of the Joint Management Team in relation to the overall management and co-ordination of the Council's affairs
- Adequate financial provision within approved revenue and capital budgets having been made for the likely financial consequences of any decision (subject to any discretion permitted by the Financial Procedure Rules).
- Any acceptance of quotations and tenders must be in accordance with the Council's Contract Procedure Rules
- Having regard to any report by the Head of Paid Service, the Monitoring Officer or the Officer designated under section 151 of the Local Government Act 1972

Where an officer has delegated powers, the Council or the Cabinet/Executive or a Committee (as appropriate) can still exercise that power in a particular case if it considers it appropriate to do so. Equally it is always open to an Officer not to exercise delegated powers but to refer the matter up as appropriate

Exclusions

This Scheme does not delegate:

- Any matter which by law may not be delegated to an officer
- Any matter which is specifically excluded from delegation by this scheme, by a decision of the Council, the Cabinet/Executive or a Committee or Sub-Committee.

Authorisations to other Officers

Officers with delegated powers may in writing authorise another officer or officers to exercise those powers. Such authorisations may be subject to limitations and conditions. The officer with the delegated powers must keep a register of all authorisations granted. Copies must also be sent:

- to the Head of Law and Governance : every authorisation
- to the Head of Finance and Procurement: authorisations to order, purchase or settle invoices

Reserve Delegations

The delegated powers held by a post may be exercised by the line manager of that post (or by his/her line manager) if:

- that post is vacant
- the post-holder is not at work for any reason.

Consultation

Officers shall consult as appropriate and have due regard to the advice given. If for any reason it is not practical to consult a person required to be consulted in the exercise of a delegation then the person with the delegated power must consult someone else whom he/she considers to be an appropriate substitute. In particular consultation must take place with legal, finance and human resources as appropriate

Restriction on delegations to Heads of Service

Each delegation to a Head of Service is subject to a limitation that it shall not be exercised if the Head of Paid Service, or a Director, or the Monitoring Officer, or Section 151 Officer, has given a direction to that effect.

The Head of Paid Service, or a Director, may exercise any delegated power possessed by a Head of Service whilst a direction is in force with respect to that delegation.

A Director, or in the absence of a Director, a Head of Service may exercise any delegated power possessed by the Chief Executive if that post is vacant or the post holder is absent.

Transfer of Functions

Where the name of a post is changed, or its relevant functions become vested in a different post, any delegated powers possessed by the post shall be retained by the renamed post or transferred to the different post as the case may be. This includes any delegated powers vested in a post by resolution of the Council, the Cabinet/Executive or a Committee/Sub Committee.

Where a Division is restructured, the Chief Executive shall have authority to re-allocate the delegated powers to other posts and shall give notice of this to the Head of Law and Governance. Any use of this delegated power must be reported to the Full Council and/or to the Cabinet/Executive as soon as practicable.
