Details

1 Resources and Performance Scrutiny Board Work Programme 2012/13

- 1.1 The Resources and Performance Scrutiny Board Work Programme 2012/13 is attached at appendix 1.
- 1.2 Each future agenda item includes an overview of the item and reason for consideration by the Board.

Work Programme Items

- 1.3 The attached work programme only refers to budget scrutiny 2013/14 items that will be considered at formal Resources and Performance Scrutiny Board.
- 1.4 Members are reminded that December meetings of the Finance

Scrutiny Working Group and Performance Scrutiny Working Group will be used for budget scrutiny work.

- 1.5 Board Members may wish to suggest other items for inclusion on the work programme during 2012/13. Members are reminded that in considering the suggestions for the work programme and prioritising topics, it is important to consider the resources available to support the work and the timescales. The Board should also reflect on the demands that scrutiny reviews place on the resources in the individual service areas.
- 1.6 The Board will also wish to consider the priority checklist. The current, informal criteria applied to all suggestions for a scrutiny review are that it must:
- be of concern to a group of people living within the Cherwell District;
 - relate to a service, event or issue in which the Council has a significant stake or over which the Council has an influence;
 - not be an issue which scrutiny has considered during the last 12 months;
 - not relate to an individual service complaint;
 - not relate to an individual planning or licensing application.

- Risk Management:** If too many items are included on the work programme there is a risk that scrutiny agendas become overloaded. This undermines effective scrutiny because Members are unable to concentrate on the key issues and officer resources are over-stretched. It may be necessary to hold further meetings during the year if the risk of not achieving the work programme becomes apparent. The report of the individual scrutiny reviews will address any specific risk issues.
