those who have a legitimate reason to remain in the UK and; to have procedures in place to remove those not entitled to remain.

Expanding the number of removal centres is a crucial part of UKBA's plans to increase the rate

the site due to, amongst other things, concerns around fear of crime. An IRC is a secure facility based on prison designs. Unlike the arrangements for the Accommodation Centre detainees are unable to leave the IRC of their own accord.

PERSPECTIVE VIEW ACROSS SITE
