2014

Update to be presented at the meeting following a review by the nominated Board members on 8th April 2014.

Eco Bicester Strategic Delivery Board

Summary of the Action Plan

This summary of the Action Plan, (produced by officers on behalf of the Chairman of the Strategic Delivery Board) sets out the key reports which will be considered by the SDB. The Action Plan will be updated and rolled forward on a quarterly basis. As this takes place, the programme will be adjusted: further reports may be added, or anticipated ones may be rescheduled or removed. The summary shows the reports programmed to be taken during each meeting. A likely date of report is shown, but it is possible that a report may be rescheduled to a later month. The full Action Plan, including the latest position on prospective decisions is available on the council website at www.cherwell.gov.uk, using the link to Council meetings.

The Action Plan lists documents which are currently available to decision makers. Generally these are also available to the public but some may have restrictions on the information given in them. Copies of public documents listed may be obtained on request from

Sue Cavalier,
Eco Bicester Management Support Officer
Cherwell District Council,
Bodicote House, Bodicote,
