Section 3: Performance Pledges 2015/16

Each year from the agreed key objectives and actions detailed across our strategic priorities several are highlighted as performance pledges. These are key activities that reflect local priorities and these pledges demonstrate our commitment to the delivery of important local services and new projects to help make Cherwell a great place to live. Our pledges to the residents of Cherwell are included published within the council tax leaflet, delivered to every household in the District; in every quarterly review of progress undertaken by the Council's Executive and in our annual report, published at the end of each financial year. For 2015/16 our pledges are: -

Cherwell: a district of opportunity

- Make progress onsite for the initial housing development at North West Bicester.
- Progress work on North West Bicester exemplar site
- Make progress on site for the initial infrastructure at Graven Hill and promotion of the self-build plots
- Commission and complete a commercial appraisal for Banbury town centre, and subsequently bring forward appropriate redevelopment proposals for urgent consideration
- Complete and implement the Masterplan for Kidlington, helping to develop a strong village centre

Cherwell: safe, green, clean

- Maintain the District's high recycling rate
- Improve local residents' satisfaction with street and environmental cleanliness continuing our successful programme of neighbourhood litter blitzes
- Work with the local police and licence holders to ensure our town centres remain safe and vibrant in the evenings.

Cherwell: thriving communities

- Continue working with our partners to provide support to the most vulnerable individuals and families in the district, building on the Brighter Futures in Banbury programme.
- Deliver 150 units of affordable homes in the District and support opportunities for self-build and developing self-build skills.
- Continue to support skills development, apprenticeships and job clubs in order to help support local employment and reduce the number of young people not in education, employment or training.

Cherwell: sound budgets and customer focused council

- Deliver the savings target £500,000 within the agreed timescales.
- Continue to improve our website, and implement additional online services for customers
- Extend the Joint working Transformation Programme to enable the council to save money and maintain a low council tax.
