	3a		General issue of	4	4	16	Treat	Work with government	No change
inadequate funding to and other partners to Strategic infrastructure to								_	

	deliver infrastructure to support planned development					secure necessary infrastructure to support growth.	support growth in the town has been identified; however challenges remain around securing the timing and quantum of funding to ensure it is provided when it is needed.
3b	Reductions in staff capacity of consultees leading to delays in providing advice, comments on applications etc.	4	3	12	Treat	Identify area of reduced capacity and assess likely impact on infrastructure delivery. Explore alternative options to provide capacity in-house in CDC.	No change
3c	Development sites do not come forward speedily and / or in the manner anticipated so adversely impacting on comprehensive and timely delivery of infrastructure	3	4	12	Treat	Engage in regular dialogue with developers to understand underlying causes and see what can be done to reprofile timing of infrastructure provision.	By virtue of its scale NW Bicester will require strategic infrastructure provision to offset the impacts of development. All NW Bicester S106 agreements being drafted with mechanisms to ensure infrastructure will be provided at the right time whatever the sequence of development.
3d	Developers challenge CDC / OCC S106 requirements resulting in a reduction of the developer funding needed to support the delivery of necessary	3	4	12	Treat	Work with developers / colleagues to agree a compromise if possible which avoids undermining the delivery of key	No change

3e		Issues around Network Rail requirements threaten to delay completion of \$106 agreements.	3	4	12	Treat	infrastructure. Initiate discussions with the HCA / LEPs to explore opportunities to close major funding gaps.  Maintain continuous dialogue with Network Rail, OCC and A2D.  Maintain regular dialogue with relevant government departments including DfT and CLG.	No change Meetings taken place with Network Rail and A2Dominion which is progressing design of rail crossings. This work will provide certainty over costs and the timing of track possession to undertake the works. Progress is slow which could impact \$106 completion.
4	Risks to securing a whole town approach							
<b>4</b> a		Reduction in availability of funding threatens delivery of town wide projects	3	4	12	Treat	Explore possible alternatives looking at both internal and external sources of funding. Look at reprofiling project outcomes. Consult other delivery partners and investigate pooling resources.	No change

4b		Capacity of Bicester Delivery Team is inadequate to deliver projects in a timely and effective manner.	2	3	6	Treat	Utilise Project Delivery Plan to keep a close eye on delivery milestones and ability of Team to meet them, agree which projects are top priority to progress and those of less importance, recruit to vacant posts and explore opportunities for project reassignment / sharing	No change Sustainability Project Officer has resigned from the Bicester Delivery Team. Discussions underway to secure temporary cover as permanent.
4c		Lack of partner interest in collaborating and / or ability to support delivery of projects	3	3	9	Treat	within Team.  Discuss with potential partners with a view to trying to find compromises / a way forward e.g. if capacity is limited then prioritise areas for involvement.	No change
5.	Risks to progressing the Bicester Healthy New Town Programme						2. 333 101 1110110111011	
5a		Expectations exceed what can be reasonably delivered	3	3	9	Treat	Work to continuously manage expectations - through communications, SDB, partners, NHS England etc. Ensure that agreed programme is realistic	No change

		T	1	1		ı	T	<del></del>
							in terms of the capacity	
							need to deliver actions.	
5b		General understanding of	2	4	8	Treat	Ensure clarity over key	No change
		the Programme and its					messages and deliver all	Attention now focussed on
		objectives suffers from					communications	maintaining momentum of
		confusion, leading to lack					according to an agreed	interest and support.
		of support from key					strategy which provides	
		stakeholders and lack of					a consistent and clear	
		interest from the public in					guide to govern all	
		taking part in the					communications.	
		initiatives.					Hold a variety of events	
							which allow people to	
							get involved in the	
							Programme and ask	
							questions, rather than	
							just relying on social

	public opinion /							
	stakeholder							
	management							
6a		Lack of momentum results	3	3	9	Treat	Keep a keen watch on	No change
		in an increase in negative					media reports etc.	
		opinions around					around Bicester and act	

	development					promptly to address negative coverage. Maintain / increase good communications with stakeholders and other delivery partners.	
5b	Ineffective communication leads to concerns over lack of control and direction of development	3	3	9	Treat	Manage communication to ensure that messages are clearly communicated explaining the Council's role of developing the town.	No change

## **Guide to Risk Assessment**

Probability	Scale	Likelihood	Indicators
Very likely	5	More than 75% chance of occurrence	Regular occurrence Circumstances frequently encountered
Likely	4	50% - 75% chance of occurrence	Likely to happen at some point within the next 1-2 years Circumstances occasionally encountered (a few times a year)
Possible	3	30% - 50% chance of occurrence	Likely to happen once or a small number of times over 2-3 years
Unlikely	2	10% - 30% chance of occurrence	Only likely to happen once in 3 or more years
Remote	1	Less than 10% chance of occurrence	Has happened rarely/never before

Impact			Likelihood					
	Rare	Unlikely	Possible	Likely	Almost Certain			
	1	2	3	4	5			
Catastrophic		10	15	20	25
