Under section 61G of the Town & Country Planning Act 1990 and the Neighbourhood Planning (General) Regulations 2012 (as amended) Shipton-on-Cherwell and Thrupp Parish Council is submitting an application for the designation of a Neighbourhood Area for the Parish of Shipton-on-Cherwell and Thrupp. This is to enable the Parish Council to undertake neighbourhood planning, and in particular to prepare a Neighbourhood Development Plan for the Parish. The Neighbourhood Area will cover the whole of the Parish of Shipton-on-Cherwell and Thrupp as shown on the attached map.

The area is considered to be appropriate for designation as a Neighbourhood Area as it covers the whole Parish and is a well recognised and clearly defined area. The Parish Council is a democratically elected body representing the whole community within the Parish. A meeting of the local community in March 2018 concluded with unanimous support for a Neighbourhood Plan based on the Parish boundary. Shipton-on-Cherwell and Thrupp Parish Council wishes to ensure that future planning decisions within the Parish boundary reflect the views of the local community.

Shipton-on-Cherwell and Thrupp Parish Council is a 'relevant body' for the purpose of section 61G of the Town & Country Planning Act 1990, and is therefore qualified to undertake neighbourhood planning and produce the Neighbourhood Plan.

Shipton-on-Cherwell and Thrupp Parish Council has already informed Cherwell District Council of its intention to produce a Neighbourhood Plan for the Parish and discussed this with the District Council. The Parish is mindful of the need to ensure that the Neighbourhood Plan considers the local planning context, is in general conformity with strategic policies of the Development Plan for the area and is prepared considering advice from the District Council.
