These may be made by the Leader of the Council, the Executive collectively, exercised under joint or area arrangements or delegated to individual Lead Members or Council officers.

An officer may choose to refer a decision to a Lead Member, who in turn may decide to refer a decision to the Executive for collective consideration, who in turn may decide to refer it to the Leader of the Council for decision.

Even where Executive functions have been delegated, this does not prevent the discharge of delegated functions by the person or body who delegated them. This shall be the case should the decision maker find that a conflict of interest has arisen, then the function will be exercised in the first instance by the person or body by whom the delegation was made.

These delegations may be amended by the Leader of the Council, however such amendments shall not take effect until after they are reported to Council.

## 1.5 Officer Scheme of Delegation

Last review date: July 2019

### Scheme of Delegation to Officers

#### Introduction

This scheme has been adopted by Cherwell District Council and sets out the extent to which the powers and duties of the Councils are delegated to officers under the Local Government Act 1972, the Local Government Act 2000 and all other powers enabling delegation to officers. It is adopted with the intention of giving a streamlined, clear and simple decision-making process. It should be interpreted widely.

Under this scheme officers must keep Members properly informed of action arising within the scope of these delegations. Officers must liaise closely with the Executive on executive functions and the relevant Chairman of the regulatory committee when the matter falls within the remit of that committee.

All references to legislation shall be deemed to include any subsequent amendments to such legislation

Officers shall inform the local Ward Member(s) when they exercise any delegated powers specifically affecting their ward and when the matter is likely to be politically sensitive or contentious unless legal reasons prevent this

Under section 101 of the Local Government Act 1972 the Council may authorise an officer of the authority to commission and monitor work for and on behalf of the Council by people who are not officers of the authority and such people will be bound by this scheme, and the obligations contained in it, at all times when engaged on Council business

References to powers of 'the Council' include functions of the executive.

The delegations are intended to be cumulative. Each delegation may be read on its own unless it is specifically expressed to be subject to another.

All delegations to officers are subject to:

- Statutory requirements
- Contract and Financial Procedure Rules
- Consideration of the policies and plans of the relevant Council
- The Code of Conduct and adopted protocols
- The requirements of Executive Directors, Directors and Assistant Directors in relation to the overall management and co-ordination of the Council's affairs
- Adequate financial provision within approved revenue and capital budgets having been made for the likely financial consequences of any decision (subject to any discretion permitted by the Financial Procedure Rules).

- Any acceptance of quotations and tenders must be in accordance with the Council's Contract Procedure Rules
- Having regard to any report by the Head of Paid Service, the Monitoring Officer or the Officer designated under section 151 of the Local Government Act 1972

Where an officer has delegated powers, the Council or the Executive or a Committee (as appropriate) can still exercise that power in a particular case if it considers it appropriate to do so. Equally it is always open to an Officer not to exercise delegated powers but to refer the matter up as appropriate

## **Exclusions**

This Scheme does not delegate:

- Any matter which by law may not be delegated to an officer
- Any matter which is specifically excluded from delegation by this scheme, by a decision of the Council, the Executive or a Committee or Sub-Committee.

## **Authorisations to other Officers**

Officers with delegated powers may in writing authorise another officer or officers to exercise those powers. Such authorisations may be subject to limitations and conditions. The officer with the delegated powers must keep a register of all authorisations granted. Copies must also be sent:

- to the Director Law and Governance: every authorisation
- to the Executive Director Finance: authorisations to order, purchase or settle invoices

## **Reserve Delegations**

The delegated powers held by a post may be exercised by the line manager of that post (or by his/her line manager) if:

- that post is vacant
- the post-holder is not at work for any reason.

## **Consultation**

Officers shall consult as appropriate and have due regard to the advice given. If for any reason it is not practical to consult a person required to be consulted in the exercise of a delegation, then the person with the delegated power must consult someone else whom he/she considers to be an appropriate substitute. In particular consultation must take place with legal, finance and human resources as appropriate

### **Restriction on delegations to Assistant Directors**

Each delegation to an Assistant Director is subject to a limitation that it shall not be exercised if the Head of Paid Service, Chief Operating Officer or an Executive Director, Director, or the Monitoring Officer, or Section 151 Officer, has given a direction to that effect.

The Head of Paid Service, Chief Operating Officer or an Executive Director or Director, may exercise any delegated power possessed by an Assistant Director whilst a direction is in force with respect to that delegation.

The Chief Operating Officer, an Executive Director or Director, or in the absence of the Chief Operating Officer or, Executive Director or Director, an Assistant Director may exercise any delegated power possessed by the Chief Executive if that post is vacant or the post holder is absent.

### **Transfer of Functions**

Where the name of a post is changed, or its relevant functions become vested in a different post, any delegated powers possessed by the post shall be retained by the renamed post or transferred to the different post as the case may be. This includes any delegated powers vested in a post by resolution of the Council, the Executive or a Committee/Sub Committee.

Where a Division is restructured, the Chief Executive shall have authority to re-allocate the delegated powers to other posts and shall give notice of this to the Director Law and Governance. Any use of this delegated power must be reported to the Full Council and/or to the Executive as soon as practicable.

The Chief Executive, Directors and Assistant Directors have the following delegated authority unless explicitly limited to certain Assistant Directors.
