**Notice of Application under Section 17 of the Licensing Act 2003
Maricksons Ltd t/a Dominos Pizza of 132 Buckingham Crescent, Bicester, OX26 4HB**

Dear Sir/Madam,

We are writing to strongly object to the application for extension of the opening hours of Dominos Pizza's (132 Buckingham Crescent, Bicester) for the following reasons:-

The continuous noise from the extractor fan and the cooking smells are very pervasive – it is a relief when they shut down at 11pm.

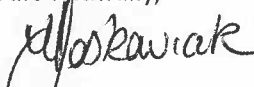

Noise in general - basically from antisocial behaviour which includes slamming of car doors, revving engines and most annoyingly the wheel spinning and screeching of tyres of cars entering and leaving the Crescent (by either customers or delivery drivers), we feel we are unable to say anything for fear of retaliation – they know where we live.

We are also fearful that these extended hours will attract late night revellers after the bars in town are closed – is it really fair to have these people congregating outside residents houses in the early hours when the town centre is shut?

Most of these things are happening now and because of this we do not go to bed much before 11pm – this is a residential area and we believe that we should have some respite after 11pm so that we can have undisturbed sleep at night. Surely this is a basic human right!

When considering this application please ask yourself if you would like your quality of life affected in this way and maybe this point should be put to Maricksons Ltd too, if they need to open all hours maybe they should re-locate into the proposed new town centre development. We were here before Dominos so we beg you, please, please do not pollute our lives further!

Yours faithfully,

A Steele

Subject: Extension of Opening Hours - Dominos Pizza Bicester

To Head of Corporate Services, The Licensing Authority.

Dear Sir/Madam,

You should have already received a copy of the attached letter in the post but we wanted to make sure that you have had this as we are very strongly against the proposed extension of opening hours of Dominos Pizza at 132 Buckingham Crescent Bicester.

As stated in the main letter the continuous noise of the extractor fan and the cooking smells continuing through the early hours will be an unbearable nuisance – it is already annoying but to go past 11pm is most unreasonable.

We fear that this will attract the late night revellers, to have them congregating outside our homes after they leave the bars in the town centre will be a public nuisance – they are already rowdy when leaving the town so why transfer the nuisance to a residential area? Also, there are no public toilets in this area and the last thing we need is people urinating behind the hedge in our gardens!

Also, the noise in general we already get – basically from antisocial behaviour, which includes slamming of car doors, revving engines and the wheel spinning and screeching of car tyres when customers/delivery drivers enter and leave the Crescent, again we really do not need this in the early hours too.

All we are asking is to have an undisturbed night (a basic human right) – they are already open till 11pm and our quality of life is already affected, we believe it is extremely unfair to extend this nuisance until 5am the time we have to get up and go to work, one of us has to travel to work and the other is a postman.

Regards,

M Jeskowiak & A Steele
