Details

New Appeals

- 1.1 **09/00572/EUNDEV- Land at Patrick Haugh Road, Arncott, Bicester-** appeal by Mr D Barnes against the service of an enforcement notice alleging a breach of planning control – without planning permission, the change of use of the land to use for the storage of metal containers – written reps

Forthcoming Public Inquiries and Hearings between 1 April 2010 and 22 April 2010

- 2.1 None

Results

- 3.1 **Dismissed the appeal by Mrs Claudia Cooper against the refusal of 09/00704/OUT for the development of two additional four bed single family houses at Meadow Barn, The Green, Fringford (Delegated)** – In the Inspector's view, the proposal would have an urbanising effect which would detract from the character and quality of the wider countryside. Moreover, the siting of the houses would not relate well to either of the nearby groups of housing. The shortcomings of the access in terms of visibility amount to a potential safety hazard, and therefore the proposal would unacceptably compromise highway safety. With regard to neighbours concerns regarding potential overlooking and loss of privacy, the Inspector was satisfied that it would be possible to avoid any unacceptable impact on their living conditions.

Implications

- Financial:** The cost of defending appeals can normally be met from within existing budgets. Where this is not possible a separate report is made to the Executive to consider the need for a supplementary estimate.
