Subject: Cherwell Local Plan Review 2042 Consultation Draft (Reg 19) – Pre-Notification of Public Consultation

Dear Councillor

At its meeting on Thursday, 5 December 2024, the Council's Executive approved the draft Cherwell Local Plan Review 2042 for public consultation (as amended by the agreed changes).

I am now writing to give pre-notification that the public consultation will commence on Thursday, 19 December 2024. The consultation will close on Friday, 14 February 2025. You will note that this is a period of eight weeks rather than the normal six week consultation period to take account of the Christmas holidays.

During the consultation key documents will be available to view at Bodicote House and libraries across the District. All documents will also be available on the Council's website and its Citizen's Space consultation platform.

Copies of the local plan will be placed in Members' pigeon holes by 19 December.

Further details of the consultation, including the public exhibitions will be set out in the public notices to be sent out when the consultation launches.

If you have any questions regarding the forthcoming consultation, then please do contact me.

Kind regards

Overview

We have prepared a new Plan for Cherwell District and are now consulting on our Proposed Submission Plan. We would like your views before we submit the Plan to the Secretary of State for independent examination.

The Plan is informed by an understanding of the needs, issues and challenges that provide the context for development. When completed, the Local Plan will help guide our decisions on planning applications and contribute to the achievement of sustainable development.

We are publishing this Plan under the transitional arrangements set out in paragraph 234(a) of the new NPPF December 2024. The Plan will be examined under the December 2023 version of the NPPF.

We would like you to consider whether the Plan is ‘sound’ and whether it complies with the necessary legal requirements for plan making including the Duty to Cooperate. The tests of soundness are:

- **Positively prepared** – based on a strategy which, as a minimum, seeks to meet the area’s objectively assessed needs, and is informed by agreements with other authorities, so that unmet need from neighbouring areas is accommodated where it is practical to do so and is consistent with achieving sustainable development;
- **Justified** – the most appropriate strategy, when considered against reasonable alternatives, based on proportionate evidence;
- **Effective** – deliverable over the plan period, and based on effective joint working on cross-boundary strategic matters that have been dealt with rather than deferred, as evidenced by the statement of common ground; and
- **Consistent with national policy** – enabling the delivery of sustainable development in accordance with the policies in the NPPF and other statements of national planning policy, where relevant.

We recommend that you read the full Plan before making comments. Details of where documents are and how to comment are on the back of this leaflet.

We look forward to hearing from you!

Spatial Strategy

Our spatial strategy delivers our vision and objectives for Cherwell. It is implemented through the Plan's policies and area strategies.

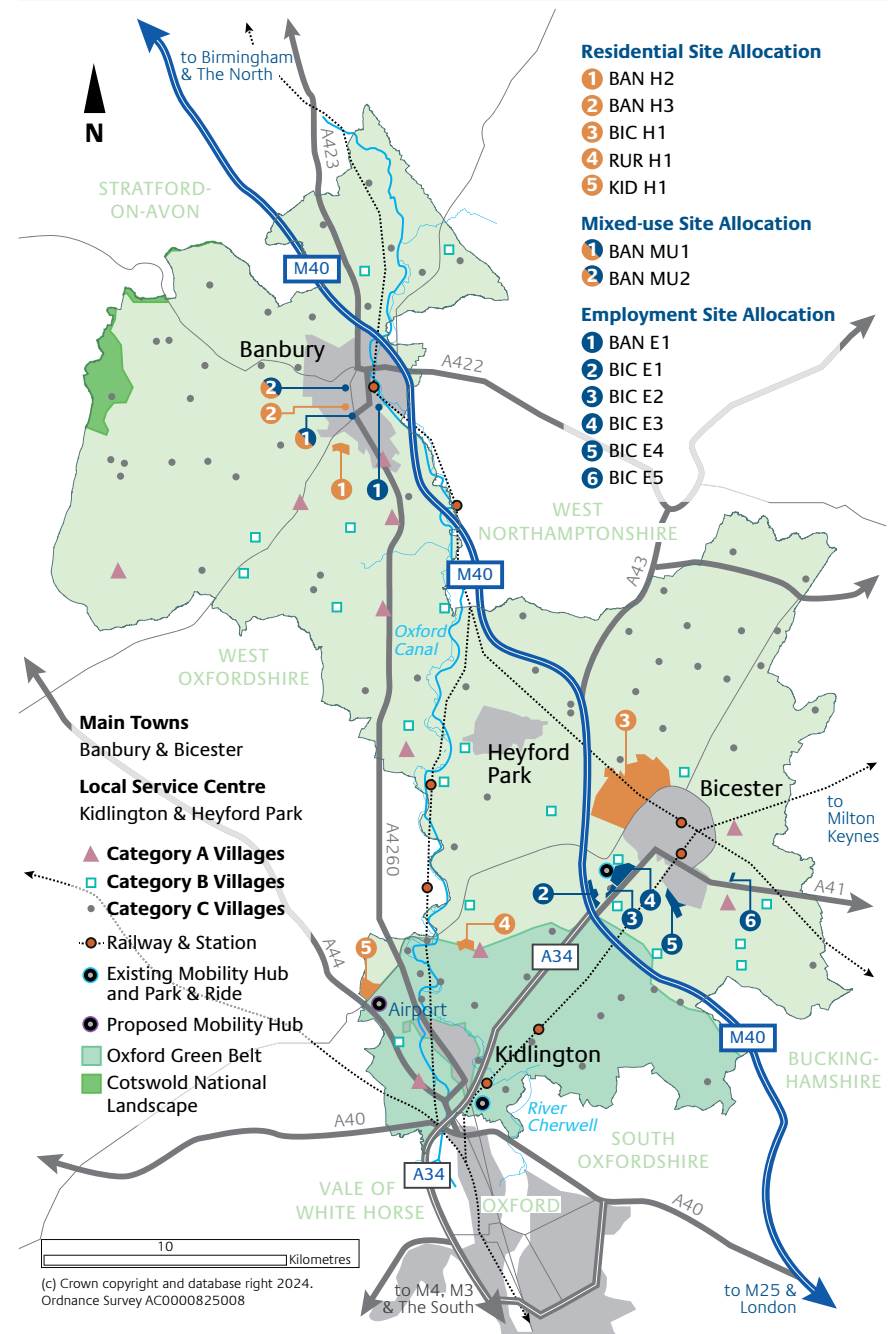

District

- Ensure that our committed growth is delivered
- Focus new development at Bicester, Banbury and to a lesser extent in the Kidlington area
- Revitalise our urban centres and encourage investment
- Minimise carbon emissions and achieve set net gains in biodiversity in delivering new development
- Raise design standards and improvements to the built environment to elevate the attractiveness of our towns and villages, while conserving our historic environment
- Ensure that new development improves wellbeing through design, accessibility, social interaction, the provision of amenities and facilities and opportunities for active travel and recreation
- Encourage new development that improves opportunity for all and in particular provides access to housing to meet all needs.

Settlement Hierarchy

- **Main Towns:** Banbury, Bicester
 - **Local Service Centres:** Kidlington, Heyford Park
 - ▲ **Larger (Category A) Villages:** Adderbury, Ambrosden, Bletchington (outside Green Belt only), Bloxham, Bodicote, Deddington, Hook Norton, Launton, Steeple Aston, Yarnton*
 - **Well connected (Category B) Villages:** Kirtlington, Milton, Milcombe, Hempton, Clifton, Blackthorn, Arncott, Begbroke* (outside Green Belt only), Great Bourton, Caversfield, Upper Heyford, Middleton Stoney, Wardington, South Newington, Merton, Wendlebury, Chesterton, Middle Aston, Lower Heyford
 - **Smaller (Category C) Villages:** All other Villages
- * Settlements inset within the Green Belt

Key Diagram

District-Wide Policies

We have organised district-wide policies under the Plan's **three-overarching themes**. There are over 100 Policies in the Plan, too many to cover in this document. However, we have outlined some key policy areas below.

Meeting the Challenge of Climate Change and Ensuring Sustainable Development

We have prepared a suite of detailed policies addressing energy sources and efficiency, renewable energy requirements, Net Zero Carbon, nature conservation and biodiversity, and flood risk.

Green and Blue Infrastructure

We have prepared a Green and Blue Infrastructure (GBI) Strategy to guide the delivery of development. Our aim is to help connect people with wildlife and nature.

Maintaining and Developing a Sustainable Local Economy

We want to support a thriving local economy and the regeneration of our town centres. We, therefore, have policies which promote further economic growth in the right locations, rural diversification, and town centre and retail policies which protect and enhance the role of Cherwell's town and village centres.

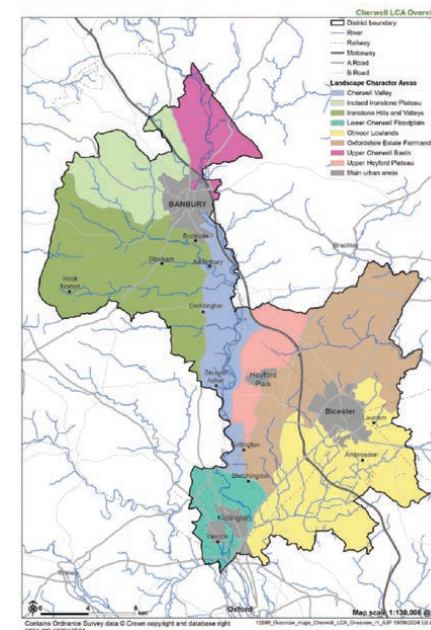

Building Healthy and Sustainable Communities

The Plan sets out the amount of housing need and where it should be provided. It also addresses the need for affordable and specialist housing and the needs of our travelling communities.

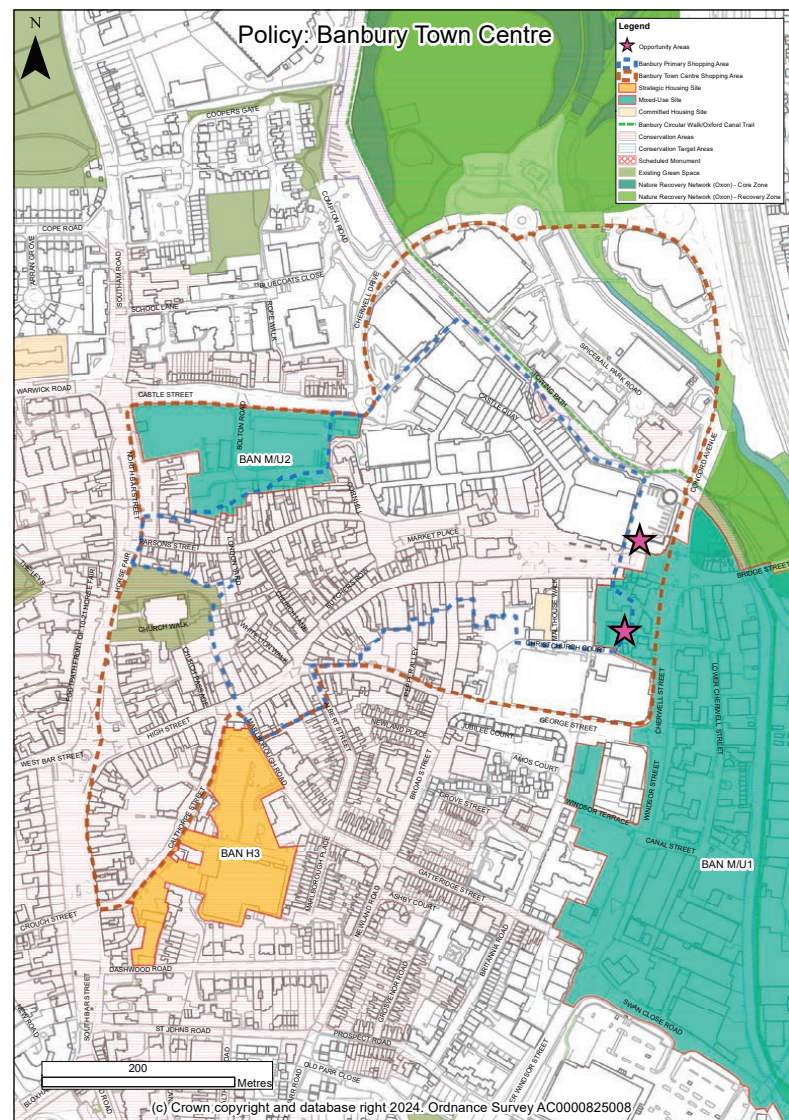

We also propose policies for landscape protection and designations. Green Belt and settlement gaps. We are not proposing to release any further land from the Green Belt.

An Infrastructure Delivery Plan has been prepared to help us plan for services and facilities.

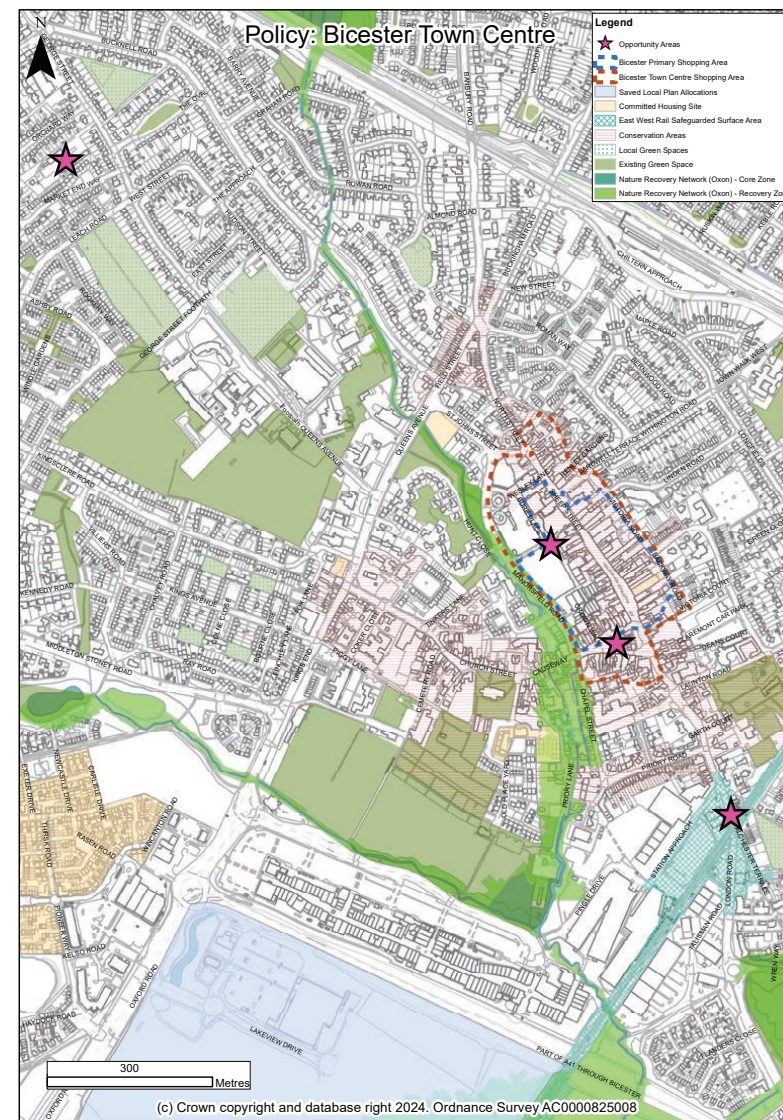

Our Town Centres

Banbury and Bicester town centres and Kidlington village centre are the main focus for shopping, commerce, leisure and other services and facilities.

New retail development will continue to be focused in our main centres and built to high design standards.

...our town centres continued

We support the role that new restaurants and cafés can have in attracting people into our town centres and we will support uses that contribute to the evening economy in appropriate locations.

Housing Need

20,042 homes to be delivered to meet housing need between 2020 and 2042.

Calculation of Need	Total
Previous Standard Method 2020 to 2024 (756+713+742+710)	2,921
Current Standard Method (706dpa x18 years)	12,708
Cherwell Need	15,629
Oxford Unmet Need Carried Forward	4,400
Total Need (15,629 + 4400)	20,029
Annual Need (20,029/22) Years	*910

*Rounded-up to 911

Existing supply

We already have a good pipeline of housing supply: 4,477 new homes completed in 2020-2024, supply for another 12,525 homes and planned sites for the 4,400 homes to help Oxford. A total of 21,402 homes.

However, we also need to ensure we have deliverable sites for the first five years after the Plan is adopted and consider that additional housing is needed to help deliver more social and affordable housing and provide some contingency.

The Plan proposes to provide 24,587 homes from 2020 to 2042 as follows:

	Completions	Existing Supply	New Supply	Totals
Banbury	1,632	4,075	770	6,477
Bicester*	1,476	6,273	0	7,749
Heyford Park	553	1,048	0	1,601
Kidlington /Woodstock	172	0	450	622
Rural Areas	644	1,129	565	2,338
Partial Review Sites	0	4,400	0	4,400
Windfall Projection	-	-	1,400	1,400
Totals	4,477	16,925	3,185	24,587

*A further 4,300 homes would be delivered at North West Bicester beyond 2042.

Most housing site policies from the adopted Cherwell Local Plan 2011-2031 and the Partial Review of that Plan are proposed to be saved by this Plan. A small number of sites have been reviewed and revised policies proposed. These include the Canalside and Bolton Road sites in Banbury and the North West Bicester allocation.

The Plan provides for 1,500 additional homes by extending an existing site at North-West Bicester. Of a total of 7,500 homes, 3,200 are to be delivered within the Plan period and 4,300 homes beyond 2042.

Affordable and Suitable Housing

Providing affordable housing is one of our highest priorities. We are proposing that all future developments of 10 or more dwellings in Banbury and Bicester should provide at least 30% of new housing as affordable housing on site. For the rest of the district we will be seeking 35%. We will require many more of these new homes to be available for social rents to ensure they are truly affordable. Our evidence shows a significant increase in Cherwell's population of older people, this Plan proposes the provision of extra care dwellings as part of the overall mix of housing sites of 400 dwellings and above.

Another important priority is to improve the quality and sustainability of our homes. We have identified the housing types and sizes to support local needs and set clear standards for internal and external residential space.

Mix of housing by size and type

Type	Number of bedrooms			
	One	Two	Three	Four +
Social/Affordable Rented	25-30%	25-30%	30-35%	15-20%
Affordable Home Ownership	20-25%	40-45%	25-30%	5-10%
Market Housing	5-10%	35-40%	35-40%	15-20%

Employment Need

Our employment evidence indicates a need for around 280 hectares of employment land within Cherwell in the period to 2042.

Our last Local Plan identified a significant amount of employment land. Existing allocations not yet developed are proposed to be saved and will make a contribution of over 160 hectares against the need total.

Banbury

Policy BAN 1: Banbury Area Strategy

Our over-arching priority for this area is to secure the aligned delivery of housing and infrastructure required to achieve sustainable development and support town centre regeneration.

Development in the Banbury Area should be in accordance with the Settlement Hierarchy set out in Policy SP 1.

Housing delivery: 6,477 homes will be delivered at Banbury between 2020 and 2042 including the following strategic site allocations:

Site	Housing numbers 2020-2042	
East of Bloxham Road (South of Salt Way East - Phase 2)	600	New Site Allocation
Calthorpe Street	170	New Site Allocation
Canalside	700	Amended Site Allocation

The following existing strategic site policies are retained and will not be replaced.

- Policy Banbury 2: Land to the West of Southam Road
- Policy Banbury 3: West of Bretch Hill
- Policy Banbury 4: Bankside Phase 2
- Policy Banbury 5: North of Hanwell Fields
- Policy Banbury 16: South of Salt Way West
- Policy Banbury 17: South of Salt Way East
- Policy Banbury 18: Land at Drayton Lodge Farm.

A further allowance will be made for 'windfalls' of less than 10 dwellings on previously developed sites within the built-up area.

Employment: 10.5 hectares of employment land will be provided for business and employment growth in accordance with Policy LEC 1 in the following locations:

Site	Employment Hectares
Higham Way	3.0
Canalside – Regeneration	7.5

Bicester

Policy BIC 1: Bicester Area Strategy

Our over-arching priority for this area is to secure the aligned delivery of housing and infrastructure required to achieve sustainable development along with supporting the enhancement of the town centre.

Development in the Bicester Area should be in accordance with the Settlement Hierarchy set out in Policy SP 1.

Housing delivery: 7,750 homes will be delivered at Bicester between 2020 and 2042 including the following strategic site allocations:

Site	Housing Numbers		
	2020-2042	Post 2042	
North West Bicester	3,200	4,300	Site Allocation replacing Policy Bicester 1 to provide an additional 1,500 homes at NW Bicester

- Policy PR8 – Land East of the A44
- Policy PR9 – Land West of Yarnton.

A further allowance will be made for ‘windfalls’ of less than 10 dwellings on previously developed sites within the built-up area of Kidlington.

Employment: 14.7 hectares of employment land will be provided for business and employment growth within Policy PR8 – Land East of the A44 for the expansion of Begbroke Science Park.

Heyford

Policy HEY 1: Heyford Area Strategy

Our over-arching priority for this area is to secure the delivery of the adopted 2015 retained Policy Villages 5. This will be achieved by aligning the delivery of housing and employment with the infrastructure required to achieve sustainable development, whilst sustaining the site’s heritage significance.

All non-strategic development in the Heyford Area should be in accordance with the Settlement Hierarchy set out in Policy SP 1.

Rural Areas

Policy RUR 1: Rural Areas Housing Strategy

Development in the rural areas will be considered against the spatial strategy and Policy COM 1: District Wide Housing Distribution. 565 homes will be provided on sites allocated in neighbourhood plans, or this Local Plan in addition to the existing supply set out at Appendix 2.

Cherwell Local Plan Review 2042

PROPOSED SUBMISSION DOCUMENT (REGULATION 19)
DECEMBER 2024

Consultation closes Friday 14 February 2025

We have prepared a new Local Plan for Cherwell District and would like your views before we submit it to the Secretary of State for independent examination.

**HAVE
YOUR SAY**

What is the Local Plan Review?

The Plan is informed by developing an understanding of the needs, issues and challenges that provide the context for development. We want to meet identified needs in a way that benefits our local areas and protects or enhances our most valued assets.

This Plan has been informed by three previous consultations in 2020, 2021 and 2023.

Our planning policies must respond by facilitating and guiding development to help support our communities, create opportunities for all, improve our places to live and work, respond to challenges such as climate change, and protect our environment, landscape and built heritage.

The Plan sets out a vision and proposes homes, employment land, infrastructure and other essential services required to support the local community over the plan period to 2042.

When completed, the Plan will guide our decisions on planning applications.

National Planning Policy Framework (NPPF) December 2024

We are publishing this proposed submission Plan under the transitional arrangements set out in paragraph 234(a) of the new NPPF. The Plan will be examined under the December 2023 version of the NPPF.

Making your comments

We would like you to consider whether the Plan is 'sound' and whether it complies with the necessary legal requirements for plan making.

All representations received will be submitted to the Secretary of State for consideration as part of the Local Plan examination.

The tests of soundness are that the Plan is:

- **Positively prepared;**
- **Justified;**
- **Effective; and**
- **Consistent with national policy.**

We encourage you to read the full Plan before making comments

Other documents available

The Plan must be based on proportionate evidence which is adequate, up-to-date and relevant.

We have produced evidence on matters including housing, transport, landscape, flooding, ecology, the Oxford Green Belt and viability. We have engaged with our community, local organisations and statutory consultees and considered the comments we have received so far.

We have undertaken a Sustainability Appraisal and sought to produce a 'sound' Plan.

We look forward to hearing from you!

Spatial Strategy

Key Diagram – Cherwell’s Spatial Strategy

District

- Ensure that our committed growth is delivered
- Focus new development at Bicester, Banbury and to a lesser extent in the Kidlington area
- Revitalise our urban centres and encourage investment
- Minimise carbon emissions and achieve set net gains in biodiversity in delivering new development
- Raise design standards and improvements to the built environment to elevate the attractiveness of our towns and villages, while conserving our historic environment
- Ensure that new development improves wellbeing through design, accessibility, social interaction, the provision of amenities and facilities and opportunities for active travel and recreation
- Encourage new development that improves opportunity for all and in particular provides access to housing to meet all needs.

Settlement Hierarchy

Classifications are:

We want to support a thriving local economy and the regeneration of our town centres. We, therefore, have policies which promote further economic growth in the right locations, rural diversification and town centre and retail policies which protect and enhance the role of Cherwell's town and village centres.

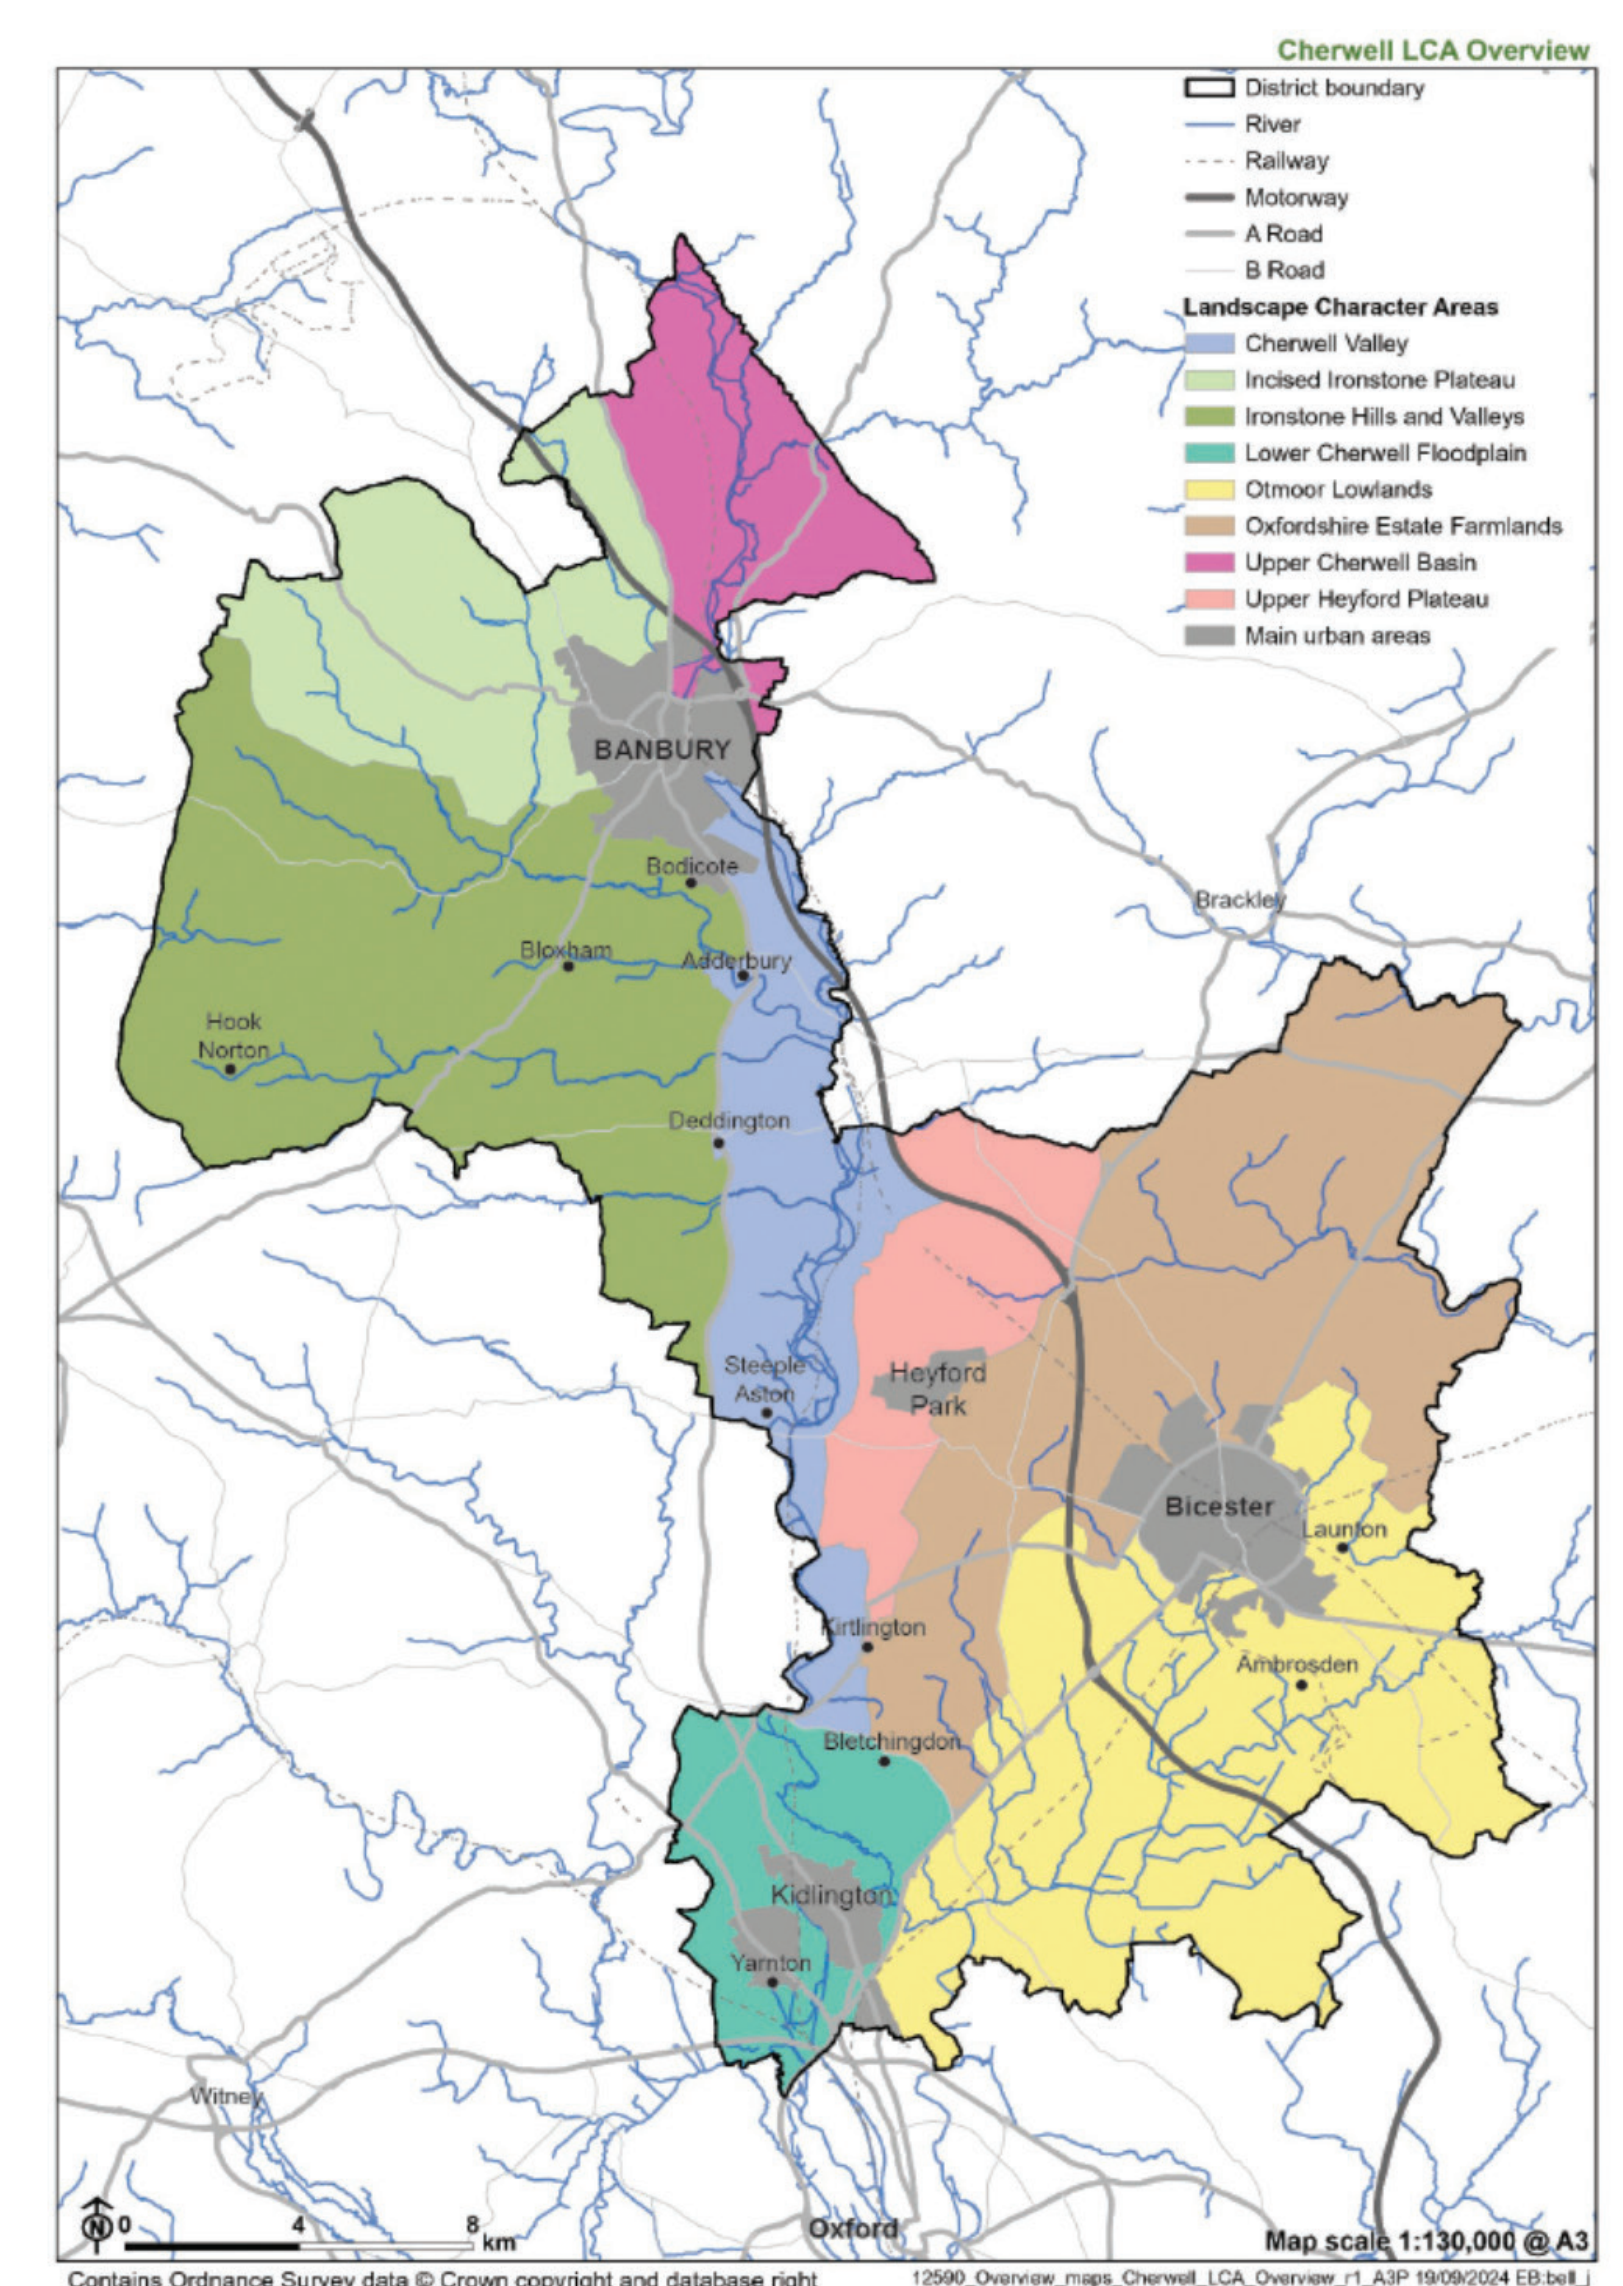

The Plan sets out the amount of housing need and where it should be provided. It also addresses the need for affordable and specialist housing and the needs of our travelling communities.

Current Standard Method (706dpa x18 years)	12,708
Cherwell Need	15,629
Oxford Unmet Need Carried Forward	4,400
Total Need (15,629 + 4400)	20,029
Annual Need (20,029/22) Years	*910

*Rounded-up to 911

Existing supply

We already have a good pipeline of housing supply: 4,477 new homes completed in 2020-2024, supply for another 12,525 homes and planned sites for the 4,400 homes to help Oxford. A total of 21,402 homes.

However, we also need to ensure that we have deliverable sites for the first five years after the Plan is adopted and consider that some additional housing is needed. This housing will help deliver more social and affordable housing and provide some contingency.

The Plan proposes to provide 24,587 homes from 2020 to 2042 as follows:

	Completions	Existing	New	Totals
Banbury	1,632	4,075	770	6,477
Bicester*	1,476	6,273	0	7,749
Heyford Park	553	1,048	0	1,601

Rural Areas	644	1,129	565	2,338
Partial Review Sites	0	4,400	0	4,400
Windfall				
Projection	-	-	1,400	1,400
Totals	4,477	16,925	3,185	24,587

*A further 4,300 homes would be delivered at North West Bicester beyond 2042.

Affordable and suitable housing

Providing affordable housing is one of our highest priorities. We are proposing that all future developments of 10 or more dwellings in Banbury and Bicester should provide at least 30% of new housing as affordable housing on site. For the rest of the district we will be seeking 35%. We will require many more of these new homes to be available for social rents to ensure they are truly affordable. Our evidence shows a significant increase in Cherwell’s older population. This Plan recognises the provision of extra care dwellings as part of the overall mix on housing sites of 400 dwellings and above.

Type	Number of bedrooms			
	One	Two	Three	Four +
Social/Affordable Rented	25-30%	25-30%	30-35%	15-20%
Affordable Home Ownership	20-25%	40-45%	25-30%	5-10%
Market Housing	5-10%	35-40%	35-40%	15-20%

New Housing Sites

We are carrying forward existing incomplete housing sites allocated in our current adopted Local Plans, although we have taken the opportunity to revise some of them. These include the Canalside and Bolton Road sites in Banbury and the North West Bicester allocation.

The Plan provides for 1,500 additional homes by extending the North West Bicester allocation. Of a total of 7,500 homes, we expect 3,200 are to be delivered within the Plan period and 4,300 homes beyond 2042.

New additional sites:

East of Bloxham Road, Banbury (South of Salt Way East Phase 2)	600
South East of Woodstock	450
Calthorpe Street, Banbury	170
Rural Sites Allocation	565

Employment Need and New Employment Sites

Our employment evidence indicates a need for around 280 hectares of employment land within Cherwell in the period to 2042.

Our last Local Plan identified a significant amount of employment land. Existing allocations not yet developed will continue to make a contribution against the total need. The additional sites proposed are:

Location	Proposed Allocation	Total Allocation Size	Net Available Development Area (ha)
Banbury	Banbury E1: Land at Higham Way	3	3.0
	Banbury M/U1: Canalside	26	7.5

Banbury Area Strategy

Overall Spatial Strategy

- Deliver committed development and provide for some limited additional growth reflecting the topographical, landscape and rural character constraints of the town's edge
- Revitalise, appropriately repurpose and seek further investment in the town centre, continue to improve its built and 'green' environment and public realm and further develop the nighttime economy
- Continue to support and strengthen the town's economy and diversify its skill base
- Encourage development proposals that will support education and help reduce deprivation
- Seek strategic transport improvements to encourage active travel, reduce congestion and pollution, and reduce cross town traffic by motorised vehicles.

Policy BAN 1: Banbury Area Strategy

Our over-arching priority for this area is to secure the aligned delivery of housing and infrastructure required to achieve sustainable development and support town centre regeneration.

Development in the Banbury Area should be in accordance with the Settlement Hierarchy set out in Policy SP 1.

Housing delivery: 6,477 homes will be delivered at Banbury between 2020 and 2042 including the following strategic site allocations:

Site	Housing numbers 2020-2042	
East of Bloxham Road (South of Salt Way East - Phase 2)	600	New Site Allocation
Calthorpe Street	170	New Site Allocation
Canalside	700	Amended Site Allocation
Bolton Road	200	Amended Site Allocation

The following existing strategic site policies are retained and will not be replaced.

- Policy Banbury 2: Land to the West of Southam Road

Bicester Area Strategy

Overall Spatial Strategy

- Deliver committed development and be the focus for additional development reflecting the town’s on-going growth and transformation as a sustainable Garden Town and its regional and sub-regional location on the Oxford-Cambridge Corridor including and East-West Rail route
- Deliver a high quality employment corridor into the town along the A41
- Continue to maximise the benefits of having key international and national destinations and economic activity to support further business investment
- Support the continued improvement of the town’s centre, its facilities, its public realm and ‘green’ environment as a community and cultural centre of activity
- Resolve transport connectivity and infrastructure challenges and prioritise active travel.

Policy BIC 1: Bicester Area Strategy

Our over-arching priority for this area is to secure the aligned delivery of housing and infrastructure required to achieve sustainable development along with supporting the enhancement of the town centre.

Development in the Bicester Area should be in accordance with the Settlement Hierarchy set out in Policy SP 1.

Housing delivery: 7,750 homes will be delivered at Bicester between 2020 and 2042 including the following strategic site allocations:

Kidlington Area Strategy

Overall Spatial Strategy

- Strengthen Kidlington’s role as a Local Service Centre
- Improve the built and ‘green’ environment of Kidlington Village Centre
- Continue to support investment in key economic assets including the Village Centre, London-Oxford Airport, Begbroke Science Park and Langford Lane technology corridor
- Ensure the successful implementation of the committed 4,400 homes to help Oxford’s housing needs so that the planned benefits for the communities of Kidlington, Gosford and Water Eaton, Begbroke and Yarnton are delivered.

Policy KID 1: Kidlington Area Strategy

Our over-arching priority for this area is to secure the aligned delivery of housing and employment together with the infrastructure required to achieve sustainable development.

Development in the Kidlington Area should be in accordance with the Settlement Hierarchy set out in Policy SP 1.

Housing delivery: 5,022 homes will be delivered in the Kidlington area between 2020 and 2042 including the following strategic site allocations:

Heyford Area Strategy

Overall Spatial Strategy

- Ensure the implementation of the committed growth at Heyford Park to fully establish the new settlement already planned whilst preserving and enhancing the area’s heritage significance.

Policy HEY 1: Heyford Area Strategy

Our over-arching priority for this area is to secure the delivery of the adopted 2015 retained Policy Villages 5. This will be achieved by aligning the delivery of housing and employment with the infrastructure required to achieve sustainable development, whilst sustaining the site’s heritage significance.

All non-strategic development in the Heyford Area should be in accordance with the Settlement Hierarchy set out in Policy SP 1.

Rural Areas

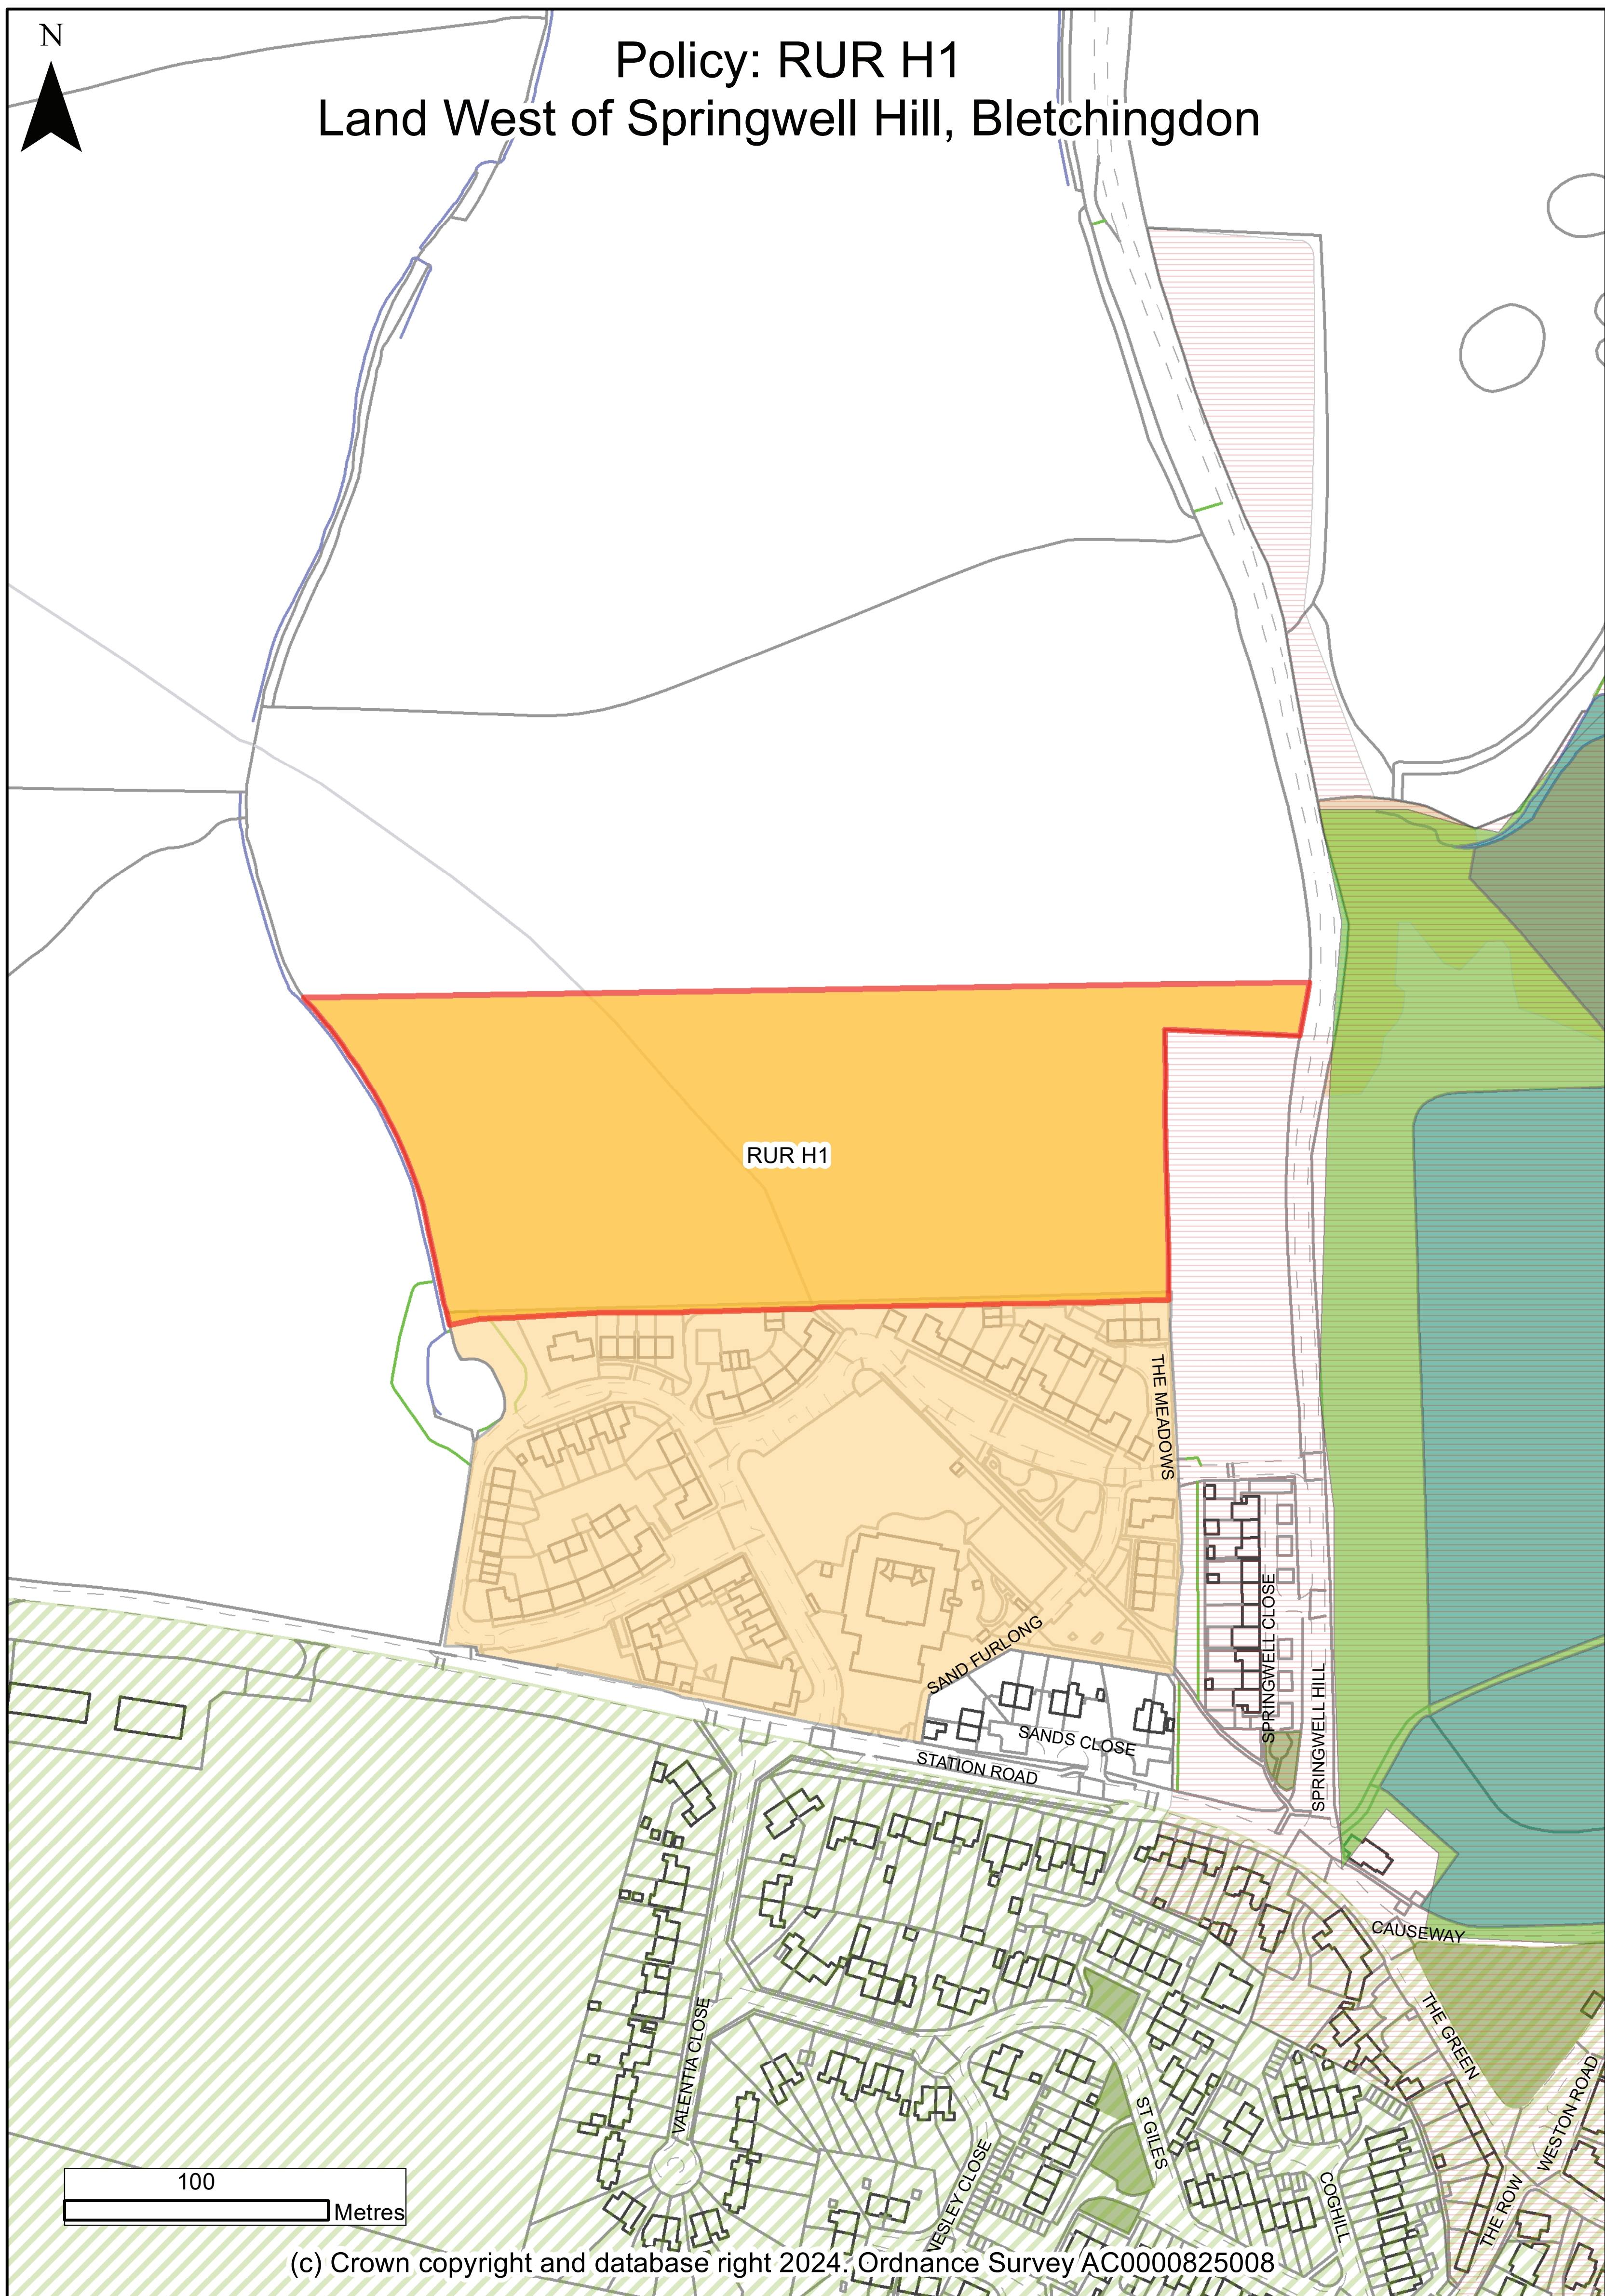

Overall Spatial Strategy

- Protect the identity and character of our villages and rural areas and avoid unplanned development in the open countryside
- Provide for limited development to meet local community and business needs and help support the vitality of these more rural settlements and the viability of existing businesses and agriculture/farms
- Direct the development of new housing to the larger and more sustainable villages that offer a wider range of services, and to a lesser extent to villages that are well-connected to our urban areas and sustainable villages
- Maintain the designated Green Belt
- Conserve and enhance the Cotswolds National Landscape (Area of Outstanding Natural Beauty)
- Protect the character of locally designated landscapes and preserve and enhance conservation areas and registered parks and gardens and their settings.

Policy RUR 1: Rural Areas Housing Strategy

Development in the rural areas will be considered against the spatial strategy and Policy COM 1: District Wide Housing Distribution. 565 homes will be provided on sites allocated in neighbourhood plans, or this Local Plan in addition to the existing supply set out at Appendix 2.

DIABETIC NEUROPATHY?

If you have diabetes and numbness, tingling or pain in your feet or hands, you may be eligible to participate in a study at the University of Oxford looking at the mechanisms causing nerve related changes in sensation.

Participation involves a single appointment at the John Radcliffe Hospital (3 hours, travel expenses covered). You will be examined with a detailed neurological examination, questionnaires and tests for your nerve function. We may also take a blood and a small skin sample to determine associations between pain, the integrity of your nerve fibres and genetic characteristics.
