Good afternoon Sian,

Many thanks for the pack, which I have read through.

Please thank the committee for attempting to find a different date for the hearing. I am sorry that I am unable to attend.

I attach two photographs taken from the lay-by in question. I actually saw two vehicles move out of it as I approached (it is well used, and presumably for the reason it was constructed in the first place, and not for fast food vans!).

I have tried to show the proximity of the bus stops on both side of the road as I still strongly believe that these will be obstructed for users by a tall vehicle such as a fast food truck. I am concerned on safety grounds here, especially when pedestrians wish to cross the road.

I hope all my concerns and objections will be fairly heard in my absence.

Will I be informed of the outcome at all please?

Many thanks for all your correspondence.

Kind regards
