- 2.1 The Scheme of Reference and Delegation authorises the Head of Development Control and Major Developments to make Tree Preservation Orders under the provisions of Section 201 of the Town and Country Planning Act 1990, subject to there being reason to believe that the tree in question is under imminent threat and that its retention is expedient in the interests of amenity. The power to confirm Tree Preservation Orders remains with the Planning Committee.
- 2.2 The above mentioned Tree Preservation Order was authorised by the Head of Development Control and Major Developments and made on 27 May 2010. The statutory objection period has now expired and no objections were received to the Order.

3.1 None

## **Implications**

**Risk Management:** The existence of a Tree Preservation Order does not remove the landowner's duty of care to ensure that such a tree is structurally sound and poses no danger to passers by and/or adjacent property. The TPO legislation does contain provisions relating to payment of compensation by the Local Planning Authority in certain circumstances, but these relate to refusal of applications to carry out works under the Order and no compensation is payable for loss or damage occurring before an application is made.
