

DISTRICT COUNCIL
NORTH OXFORDSHIRE

Forward Plan Summary

March 2009 to June 2009

Cherwell District Council

Summary of the Forward Plan

This summary of the Forward Plan, (produced by officers on behalf of the Leader of the Council) sets out the key Executive decisions which will be taken at Cherwell District Council over the next four months. These are the key decisions of which the Council's Executive is currently aware. The Forward Plan will be updated and rolled forward on a monthly basis. As this takes place, the programme will be adjusted: further key decisions may be added, or anticipated ones may be rescheduled or removed. The summary shows the decisions programmed to be taken during each month. A likely date of decision is shown, but it is possible that a decision may be rescheduled to a later month. The full Forward Plan, including the latest position on prospective decisions is available on the council website at www.cherwell-dc.gov.uk, using the link to Council meetings.

This summary sets out the key decisions by month and says whether they will be taken by the Full Executive or by one of its individual Members, or portfolio holders as they are known (see below for details of the membership of the Executive). While key decisions may be taken by officers exercising authority delegated by the Executive, it is the Council's intention that this will very much be the exception.

Key decisions are those which are financially significant (in terms of spending or savings) for the service or function concerned or which will have a significant impact on communities, usually in two or more wards in the District. For the purposes of compiling its Forward Plan the Council has decided that a decision will be financially significant

- if it is equivalent in value to more than 10% of the annual gross budget for the unit concerned or £50,000 whichever is the lesser. If the figure is below £50,000 regard will be had to the impact on communities in deciding whether the decision is key.
- If it involves an individual capital projects with a value greater than £250,000.

In assessing impact on local people (including businesses and organisations) the following factors will be borne in mind:

- The number of users of the service in the wards affected
- Whether the impact will be short term or will last for a number of years, or be permanent.
- The nature of the impact on communities in terms of economic, social and environmental well-being.

For a decision to be key there must be a significant degree of discretion to be exercised by the decision-maker.

The Forward Plan lists documents which are currently available to decision makers. Generally these are also available to the public but some may have restrictions on the information given in them. Copies of public documents listed may be obtained on request from

James Doble,
Democratic, Scrutiny and Elections Manager
