50 **Minutes**

The minutes of the meeting of the Committee held on 27 November 2018 were confirmed as a correct record and signed by the Chairman.

51 **Chairman's Announcements**

There were no Chairman's announcements.

52 **Monthly Performance, Risk and Finance Monitoring Report - October 2018**

The Committee considered a report from the Deputy Section 151 Officer and the Assistant Director – Performance and Transformation, which summarised the Council's Performance, Risk and Finance Monitoring position at the end of October 2018.

The Deputy Section 151 Officer advised the Committee that there had been an improvement in the Council's financial position, as a result of efficiencies in Treasury Management activities and existing overspends having begun to be offset by underspends across some departments.

Resolved

(1) That the contents of the report be noted.

53 **Business Plan 2019/20 and Medium Term Financial Strategy 2019/20 - 2023/24**

The Committee considered a report from the Interim Executive Director – Finance and Governance, which detailed the Business Plan 2019/20 and the Council's Medium Term Financial Strategy (MTFS) for 2019/20 to 2023/24 prior to final approval by full Council in February 2019.

In introducing the report, The Interim Executive Director – Finance and Governance advised that it was important to ensure that the sustainable management of resources continued, in order to plan for and adequately manage risks.

Following questions from the Committee regarding the replacement of the HR and Payroll systems, the Deputy Section 151 Officer reassured Members that this was not related to the ongoing separation with South Northamptonshire Council. The contract for one system was due to expire in April 2020, and it was common practice to start procurement for a replacement system 18 months in advance, and issues had occurred with the other system which meant a new solution would need to be put in place.

In response to questions from Members regarding the Capital Bid for costs for a new air handling unit at Banbury Museum, the Interim Executive Director – Finance and Governance explained that as a result of the project having previously been given Heritage Lottery Funding, there were conditions attached which meant Cherwell District Council were financially responsible for a period of time. The cost of upgrading the unit would help to ensure the museum could become self-sufficient in the future.
