		<p>(iii) the Executive builds on the Council’s notable successes in tackling food insecurity and providing community food grants by prioritising monies within its current and/or the 2025/6 budget to ensure that pensioners who are in genuine hardship, but who are not otherwise eligible for other government support, are helped through the Winter.”</p> <p>(2) That the following motion be adopted:</p> <p>‘Primary Care’ health services across North Oxfordshire</p> <p>“This Council recognises the need to improve ‘Primary Care’ health services across North Oxfordshire.</p> <p>Primary Care expansion is the remit of the Buckinghamshire, Oxfordshire and Berkshire West Integrated Care System Board (‘BOBICS’) whose Primary Care Estates Strategy acknowledges the scale of developer contributions that are available to support such vital public services.</p> <p>Regrettably, since the adoption of the Supplementary Planning Document in 2018, it is estimated that only 15% of funds available have been requested and secured within the Cherwell District Council area. This must improve.</p> <p>Accordingly, this Council</p>

Agenda Item No.	Agenda Item	Decision
		<p>request that its Leader writes to the Chief Executive of BOBICS, copied to its Place Director for Oxfordshire and its Senior Primary Care Estate Manager, to request that it:</p> <ul style="list-style-type: none"> (i) more consistently requests developer contributions on all planning applications of 10 or more dwellings; (ii) considers using this funding in part for ICT Infrastructure to support primary care expansion; (iii) work more closely with this Council to ensure the release the s.106 contributions currently allocated to, or held by, Cherwell District Council; and (iv) works with this Council on both its Local Plan review, the Community Infrastructure Levy consultation and its review of the Supplementary Planning Document to ensure better and more coordinated provision of vital health services. <p>This Council further calls on its Leader to request a meeting between BOBICS and Leaders of all political groups and Officers to discuss how we could improve the delivery of Primary Care across North Oxfordshire.”</p> <p>(3) That the following motion be adopted:</p>

Agenda Item No.	Agenda Item	Decision
		<p>Neurodiversity “Around 1-in-7 people in the UK are neurodivergent, experiencing the world differently from others. Neurodivergence is associated with a range of conditions including, but not limited to ADHD, Autism, Dyslexia, Developmental Language Disorder, Dyspraxia, and Dyscalculia.</p> <p><i>People with neurodivergent traits and conditions face a range of challenges across our society, including finding employment, increased likelihood of mental health diagnoses, and trouble accessing public services.</i></p> <p>I hope Members will agree that we should act to reduce barriers faced by neurodivergent individuals to make Cherwell more neurodiversity friendly.</p> <p>To meet this aim, this Council resolves to ask the Executive to:</p> <ul style="list-style-type: none"> • add neurodiversity within 12 months as part of EDI strategy/plan that ensures our organisation and services identify and meet the needs of the neurodiverse community. • Promote acceptance and understanding of neurodiversity through celebrating awareness-raising campaigns. • Look at training for all on neurodiversity so they may recognise the growing impact of neurodivergent conditions on the issues

Agenda Item No.	Agenda Item	Decision
		<p>they deal with on behalf of service users / constituents.</p> <ul style="list-style-type: none"> • Ensure neurodiversity is considered within the Council’s well-being goals and strategy. • Encourage neurodivergent individuals to apply for employment with the council or participate in public life, for example by running to be a Councillor. • Review and implement reasonable adjustments for elected members, to ensure the role of Councillor is accessible to people with neurodivergent traits and conditions so the skills and talents of all people can be harnessed for the benefit of the residents of Cherwell. • And finally, for inclusivity, to extend any reasonable adjustments more widely.” <p>(4) That the following motion be adopted:</p> <p>Campsfield House Immigration Detention Centre, Kidlington “Campsfield House Immigration Detention Centre in Kidlington was closed in 2019 after decades of campaigning by refugee support groups and Cherwell residents, and the publication of two government commissioned reviews criticising the UK’s migrant detention system. The leader of the reviews, the Prison Ombudsman, Sir Stephen Shaw, described the detention system as indiscriminate, inhumane and hugely wasteful.</p> <p>In 2022 the Conservatives announced plans to re-open</p>

Agenda Item No.	Agenda Item	Decision
		<p>and double the size of Campsfield House to support its Rwanda Resettlement Scheme. The new Labour government have thankfully cancelled that scheme, removing the main rationale for the plans for Campsfield, but they have since announced their intention to continue with the re-opening. This has been criticised by migrants' rights groups including Asylum Welcome, Detention Action, The Refugee Council, Amnesty International UK and the Keep Campsfield Closed group.</p> <p>Cherwell has a proud tradition of welcoming refugees and providing sanctuary from oppression and war. The re-opening of Campsfield House is a stain on our district and contradicts government recommendations into migrant detention in the UK.</p> <p>Council therefore requests that the Leader of the Council writes to the Home Secretary calling on her to :</p> <ol style="list-style-type: none"> 1. Abandon the re-opening of Campsfield House. 2. Outline plans to reduce, rather than increase, the number of people held in detention. 3. Focus on accelerating the processing of asylum claims to reduce the huge number of individuals trapped in the system. 4. Develop a more humane migration policy, including the establishment of safe
