Purpose of report

2.0 Introduction

- 2.1 Cherwell District Council (CDC) has a legal obligation to set a balanced budget each year. This report lays out the process by which it intends to develop proposals that will deliver a balanced budget that maximises the delivery of CDC's strategic aims and priorities.

3.0 Report Details

- 3.1 The attached report at Appendix 1 sets out CDC's proposed approach to delivering a balanced budget for 2021/22. The report sets out a recap of the Medium Term Financial Strategy (MTFS) agreed at Council in February 2020, including an estimate of needing to identify £7.7m of savings in 2021/22.
- 3.2 Since the MTFS was agreed, the most significant unforeseen impact has been Covid-19 and the impact that this has had on the demand for Council services, the

ability to generate income and the levels of Council Tax and Business Rates that will be generated.

- 3.3 Additionally CDC is operating within an uncertain financial outlook from Government funding. CDC is awaiting the:
- Outcome of the Spending Review, expected in November 2020
 - Autumn Budget, expected mid-late November 2020
 - Implications of the Government's Fair Funding Review which is expected to be implemented in April 2022
 - Confirmation of when local government will move to 75% business rates retention and how that system will operate
- 3.4 The Budget and Business Planning Process will consider the impact that savings proposals may have on the strategic priorities of:
- Housing that meets your needs
 - Leading on environmental sustainability
 - An enterprising economy with strong and vibrant local centres
 - Healthy, resilient and engaged communities
- 3.5 This report will begin the Budget and Business Planning Process for 2021/22 – 2025/26. Further reports will be brought back to Budget Planning Committee as the Budget and Business Planning Process develops.
