

## Appendix 1 - Polling Place Review 2024, (Acting) Returning Officer Proposals

This report breaks down the (Acting) Returning Officer's ((A)RO) comments and details of any proposed changes to District ward level. The (Acting) Returning Officer has, where applicable, considered known issues and responses to the Polling Place review consultation in putting forward proposals.

### Table Information

Each district ward is dealt with separately. For existing polling arrangements, the tables show: the current polling district (they will be re-coded for the register being published on 1 February 2025; the current polling station; the Constituency area; the Parish area; the County Division (the new divisions following the County Boundary review which will take effect at the May 2025 elections); the number of electors as at 1 September 2024 (Please note that under electorate totals, the total electorate for the polling station is highlighted in bold with the electorate registered to vote at the polling station as at 1 September 2024 listed next to PS and electors registered to vote by post indicated next to "P"); and (Acting) Returning Officer's proposals.
