Chair's Introduction

As the Chair I am very pleased to present this annual report which sets out the role of the Accounts, Audit & Risk Committee and summarises the work we have undertaken during the financial year 2022/23.

The Committee is a key component of the council's governance framework, providing independent support to ensure good governance and strong public financial management.

The Committee continues to be well supported by Officers, providing a high standard of reports and presentations. I would like to thank the Finance Team, Risk & Performance Team, Internal Audit and External Audit for their input.

I should like to take this opportunity to give my personal thanks to all the officers, my Vice Chairman Cllr Hugo Brown and without exception, all fellow Committee members who have contributed and supported the work of the Committee in such a meaningful and positive way throughout the past year.

COUNCILLOR DONNA FORD

Chair, Accounts, Audit & Risk Committee

Role of the Accounts, Audit & Risk Committee

The Accounts, Audit & Risk Committee operates in accordance with the “Audit Committees, Practical Guidance for Local Authorities” produced by the Chartered Institute of Public Finance and Accountancy (CIPFA) in 2022. The Committee complies with the CIPFA’s position statement. The Guidance defines the purpose of an Audit Committee as follows:

Audit committees are a key component of an authority’s governance framework. Their purpose is to provide an independent and high-level focus on the adequacy of governance, risk and control arrangements. The committee’s role in ensuring that there is sufficient assurance over governance risk and control gives greater confidence to all those charged with governance that those arrangements are effective.

The committee has oversight of both internal and external audit together with the financial and governance reports, helping to ensure that there are adequate arrangements in place for both internal challenge and public accountability.

The key functions of the Account’s Audit & Risk Committee are defined within its terms of reference, which is included within the council’s constitution.

Our work in 2022/23

The key activities of the Committee are captured in the table above. In summary:

Financial Reporting

The Committee reviewed the proposed accounting policies for the 2022/23

statement of accounts and considered the external auditors progress update report on the audit of the accounts.

The Committee receives reports on Treasury Management throughout the year, exercising its stewardship role, including the Treasury Management Outturn Report for 2021/22 and quarterly Treasury Management monitoring reports for 2022/23. Additionally, the Committee considered the draft Capital and Investment Strategy and the draft Treasury Management Strategy 2023/24. The Committee have provided effective scrutiny of the treasury management strategy and policies through receiving regular reports of activity, reviewing the treasury risk profile and adequacy of treasury risk management. The Committee received Treasury Management training from its external treasury advisers.

The Committee was also kept updated on the support the Council provides to its subsidiary companies.

Internal Audit

The Committee approved the Internal Audit Strategy for 2022/23, including the annual audit plan.

The Committee receives regular progress reports from the Chief Internal Auditor, including summaries of the outcomes from Internal Audit work.

The Committee has continued to review, and monitor material weaknesses identified from the internal audit reports with Senior Managers attending to provide assurance on how the issues were being addressed. This has supported the implementation of the actions plans to deliver the required improvements in key areas for the Council.

The completion of the Internal Audit Plan and the annual statement of the Chief Internal Auditor is produced for the Committee at the end of the financial year. Based on the evidence of the reports presented to the Committee, the internal audit team continues to provide an effective challenge and therefore assurance on the key risk activities.

The Committee also met with the Chief Internal Auditor in a private session during November 2022 and are satisfied Internal Audit are free to carry out their duties without restrictions.

The Committee approves the Internal Audit Charter on an annual basis, this was approved at the July 2022 meeting.

External Audit

The Council's external auditors, Ernst and Young, attended some of the committee meetings during 2022/23, providing their work plan for the 2021/22 audit and a progress update in March 2023, along with any matters arising.

The Committee met with the external auditors in a private session in January 2023.

The Committee is satisfied that they are free to carry out their duties without restrictions. We are also assured that if identified they would bring any material issues to the attention of the Committee.

Governance & Risk Management

The Committee approved the Annual Governance Statement (AGS) for 2021/22 to sit alongside the Council's 2021/22 accounts.

The Committee receives quarterly updates on risk management, considering the Leadership Risk Register element of the Performance, Risk and Finance Monitoring Report.

Counter-Fraud

The Committee receives regular updates from the Counter Fraud Team on outcomes of investigations. The Committee plays a key role in monitoring the effectiveness of the Council's counter fraud arrangements.

Overall, the Council has a strong system of internal control, so as expected, there is very little fraud identified; however nationally statistics show that fraud is on the increase, so it is important that the Council remains vigilant.

Accounts, Audit & Risk Committee self-assessment 2023

At the end of 2022, CIPFA (The Chartered Institute of Public Finance & Accountancy), issued updated guidelines and position statement to local authority audit committees. As part of those guidelines it is recommended that the committee undertake a regular self-assessment exercise against the recommended standards set out in the CIPFA 2022 guidelines. The Accounts, Audit and Risk Committee met in February 2023 and completed the self-assessment of good practice, which included review of core knowledge and skills.

The self-assessment exercise concluded that the committee has a high degree of performance against good practice principles, that it is soundly based and has in place knowledge membership. The committee complies with the CIPFA position statement 2022 and has fulfilled its terms of reference and the key issues escalated during the year.

Where matters for improvement were identified, these have been captured within an action plan. The Chair of the Accounts, Audit & Risk Committee and the Assistant Director of Finance are overseeing the completion of the planned actions.

One of the key recommendations of the CIPFA 2022 guidance is that all audit committees within local authorities have two independent members. The Accounts,

Audit & Risk Committee had already identified this as a required action and reported to Council at the 27 February 2023 meeting that those two independent members have been appointed. The two new independent members attended their first meeting in March 2023.
