Supporting Information	

3. Background

- 3.1 Every year the Audit and Governance Committee receives the annual governance statement. The statement is required under the account and audit regs and is published with the council's accounts.

4. Details

- 4.1 The Council's AGS for 2025-26 is attached at Appendix 1. It outlines for the Council:
- The scope of governance responsibilities.
 - The purpose of the governance framework.
 - A description of the governance framework against the CIPFA/SOLACE Framework for "Delivering Good Governance in Local Authorities".
 - Arrangements for reviewing the effectiveness of the governance framework.
 - Governance issues that need to be addressed.
- 4.2 The preparation of the Statement has built on previously established arrangements, which involves the collating of information from a number of sources, both internal and external. The information is analysed, and a draft Statement is produced, discussed with key officers, and any amendments identified are then made.
- 4.3 To support the Annual Governance review, the Extended Leadership Team are required to complete an assurance statement in relation to systems and processes operational within their areas during the year. The Statements demonstrate that Directorates have evaluated and assessed their internal control environment.
- 4.4 The Council receives a substantial amount of assurance from the work that is undertaken by its Internal Audit Service and its External Auditors. The role of Internal Audit is to provide independent assurance that the Council's risk management, governance and internal control processes are operating effectively. The role of External Audit is to review the financial statements, obtain evidence that they are materially correct and provide an opinion as to whether these represent a true and fair view of the financial position of the Council. In addition, External Audit provide a value for money opinion assessing whether proper arrangements are in place for securing financial resilience and challenging how the Council secures economy, efficiency and effectiveness.
- 4.5 One of the assurance statements the Council receives is the annual opinion of the Chief Internal Auditor in respect of the control framework. The opinion of the Chief Internal Auditor in respect of audit work completed in 2025/26 gave Reasonable Assurance on the internal control environment and the arrangements for governance, risk management and control.
